

### Germany Mediation Succeeds

Lausanne, Switzerland (UPI)—The International Olympic Committee succeeded in its mediation attempt between West and East Germany but failed in a similar conference with South and North Korea.

IOC President Avery Brundage of Chicago, Ill., announced Wednesday after a two-hour meeting of an IOC subcommittee with the presidents of the German national Olympic committees that there had been agreement on an all-German team for the 1964 Olympics at Innsbruck, Austria, and Tokyo, Japan.

IOC President Avery Brundage of Chicago, Ill., announced Wednesday after a two-hour meeting of an IOC subcommittee with the presidents of the German national Olympic committees that there had been agreement on an all-German team for the 1964 Olympics at Innsbruck, Austria, and Tokyo, Japan.

Daume indicated that one major West German demand, elimination trials between athletes from both Germanys, on German soil, had been met, but the details of these eliminations would be worked out later.

**NINE TEAMS ENTERED**  
Reno, Nev. (UPI)—Nine teams from five states will compete this weekend in the University of Nevada's 22nd annual winter carnival, one of the West's major ski events. The teams will represent the Air Force academy, University of Oregon, Arizona State, University of California, Sierra college, Chico State, San Jose State, Stanford, and the host Nevada team. Denver University, which won last year's carnival, also may enter.

## MEDFORD MAIL TRIBUNE SPORTS

### Crater Goes Back To Klamath Falls

Central Point—Crater high jumper Comets go back again to Klamath Falls this Friday night. And, they are determined to succeed.

The Comets of Central Point take on the Southern Oregon conference pacers Klamath Falls Union high Pelicans. Game time is 8 p.m. "We plan on winning it," declared Crater Coach Lloyd Hoffine. If the Fireballs make good their vow, they'll share the circuit lead. For, they are just a game back of the Pelicans, tied with Grants Pass in second place.

Crater has just the one game this week end Klamath journeys to Ashland for Saturday night contention. **Something Different**  
Hoffine did not elaborate on the plans and tactics formulated by the Comets to achieve their week end objective. He did say that the Central Pointers must do something to keep the Pels from scoring and that the Fireballs are planning "something different."

The Comets, Hoffine pointed out, will have improved their rebounding over the 24 they pulled last week end when they lost on the Klamath floor. Much rests on the shoulders of "big men" Howard Tomlinson and Paul Branson and the Crater mentor is confident that they are going to do the job which enabled the Comets to tip Klamath in January on the Central Point floor.

There is another incentive for the Comets. Crater has yet to defeat Klamath on the Pelican floor. "It would be nice to do it the last time over there this season," said the Fireball coach.

Klamath Falls has improved as a team this season as it fought its way to the lead in the conference. But, Hoffine said that the Pels will have to play very good ball to beat his team this time.

"I think the kids have tightened the old belt and said let's go to work," he stated. Hoffine reported that the Comet starting crew will be chosen with Darryl Summerfield in one of the positions.

The tutor pointed out that Summerfield has earned the opportunity on the strength of his performances in Crater's last four games. Hoffine described Summerfield as a "100 percent" who gets the job done. But, then he said of his squad members, "They all give all they've got."

The other four starting slots will be assigned from among Branson, Tomlinson, Pat Pepper, Mike Glines and Lou Alvarez.

KF is 6-2 in the league and Crater 5-3. Jayvee teams of the schools will tangle at 6:30 p.m.

#### NAMED TO HALL

San Francisco (UPI)—Bob Mathias, two-time Olympic decathlon champion, is the fifth member named to the new Northern California Track and Field Hall of Fame. The former Stanford cinder star joins coaches Brutus Hamilton of California, the late Dink Templeton of Stanford and the Olympic Club, and Tom Moore, sprinter and meet director of the California Relays, and Dutch Wernerdam, pole vaulter and Fresno State coach.

### Jack Forde Leader in Conference

Jack Forde, Medford high, with 38 points in two games last Friday and Saturday is back on top in Southern Oregon conference basketball scoring.

He has a total of 209. That is four more than the 205 by Lou Alvarez, Crater, who garnered 29 in two conflicts.

Alvarez's teammates, Mike Glines and Howard Tomlinson, are right on his heels with 204 points each. Jim Pippin, Grants Pass, is fifth in the tabulations with 167.

Forde has a 14.9 per game average and Alvarez, Glines and Tomlinson are each 14.6. Grants Pass' Al Hutchins, with 133 points for 10 games, is fifth in average with 13.3.

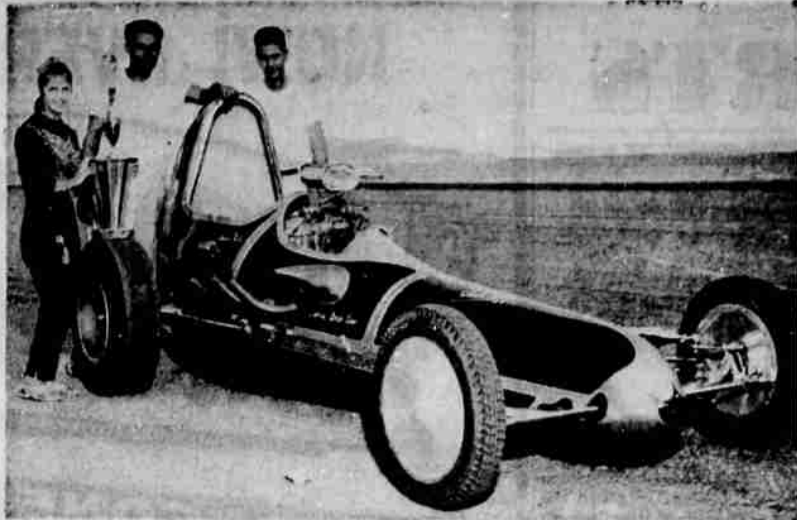

**Glines Has 87 Goals**  
Glines maintained the field bucket lead with 87, three more than Alvarez and five more than Forde. Tomlinson is free toss leader with 86 and Pippin is closest to him with 59.

Team scoring comparisons are more easily possible now that each has played 14 games, full season, and eight games, in conference. Medford tops the offense in conference by just a slim point over Crater. The Black Tornado has 498 total counters to Crater's 497. However, the Comets of Central Point are well in front in full season tallying with 925. Medford is next with 862.

Defensively, Klamath Falls has permitted 406 points in league frays and Grants Pass 439. Over the full route KF has held rivals to 685 counters and GP has allowed 748 for second low.

**GLASS SLIPPER HERE**—Entered in the Medford Roadster Show's exhibition of custom-built autos this week end at the Medford Armory is the "Glass Slipper" dragster from Sacramento, Calif. Owners Ed Cortapassi and Doug Butler are shown here with their acceleration machine following a drag meet in Reno, Nev. The unidentified girl was Queen of the Reno drag fest. The race-car, featuring an all-fiberglass body, is

powered by a supercharged Chevrolet engine and has sped to more than 170 miles per hour in competition. This nationally famous entry is appearing for the first time in a Medford show. Some 30 other selected customs, rods, and dragsters are in the exhibition. Doors open to the public at noon both days and show officials are expecting a crowd of near 5,000 to turn out for the show of style, imagination, and craftsmanship.

Tom Metz, 168, Larry Simmonds, 130, and Tom Owens, 136, have been sidelined by sickness this week. Rod Smith, 106, has been wrestling although he feels under the weather.

On the good side is the return of Linn Casciato, 98. He was out of action because of a hernia operation but has been working out lightly this week. He'll go Saturday if he feels ready, according to Coach Ralph Monroe. Medford has not had a man at 98 for several matches.

If Simmonds is not able to go Saturday, Steve Hall may wrestle at 130. If Owens is still ailing, George McNair will get the 136 call and Denny Schmall will go in McNair's 141 spot. Tim Brown is

### Tornado Faces KF Wrestlers Saturday

Sickness is a bugaboo for the Black Tornado wrestlers as they prep this week for a match with Klamath Union High school.

The bouts are set for 1:30 p.m. Saturday at Medford high boys' gym. It will be the second meeting of the two schools this season. Klamath won the previous tussle.

Saturday's engagement was moved up after being originally set for evening.

Tom Metz, 168, Larry Simmonds, 130, and Tom Owens, 136, have been sidelined by sickness this week. Rod Smith, 106, has been wrestling although he feels under the weather.

Meet Here Third Time  
Medford has been awarded the Oregon Junior Olympic Short Course Swimming meet for the third year in a row. Robert Haworth, city park and recreation director, announced this morning.

The meet will be conducted on Aug. 2 and 3 at Jackson pool.

**PROBABLE LINEUPS:**  
98—Linn Casciato; 106—Rod Smith; 115—Mike Orr; 123—Mike Orr; 130—Steve Hall or Larry Simmonds; 136—Tom Owens or George McNair; 141—McNair or Denny Schmall; 137—Fred Graten; 137—Ray Lauritzen; 168—Tim Brown or Tom Metz; 178—Terry Winetrou; 191—Mike Mayfield; unlimited—Jeff Hardrath.

**HORN FIGHTS**  
Portland (UPI)—Unbeaten Springfield middleweight Bobby Horn meets Ramon Buffalo Hernandez of Mexico in a 10-round fight at the Portland Armory tonight.

### Coaches Warn American Olympic Chances Hurt by Latest AAU-NCAA Trouble

San Francisco (UPI)—Two of the nation's top college track and field coaches warn that the latest flareup between the AAU and NCAA is hurting America's Olympic hopes.

San Jose State coach Bud Winter said Wednesday that "this ruckus is making a big hit only in . . . Europe and Russia where they delight in reading about the United States officials fighting among themselves."

"While we're tearing ourselves apart, the other nations are in the middle of a four-year plan to put on their best showing in Tokyo in 1964."

The AAU-NCAA feud apparently was settled by the so-called MacArthur plan Jan. 19. But then the United States Track and Field federation, an arm of the NCAA, announced that college athletes would have to be sanctioned by the USTFF in order to compete in AAU open meets.

This led to more bickering and fears that collegians could not enter this Saturday's Los Angeles Times meet and the Golden Gate indoor meet in San Francisco Feb. 15 without drawing suspensions.

But the Times meet got the okay of the USTFF after which Tom Hamilton, executive director of the Big Six, cleared all of this conference thinclads for participation. Payton Jordan, Stanford

### Giants Ink Tom Haller

San Francisco (UPI)—Long Tom Haller, who took over the San Francisco Giants first string catching job last season, was signed today for the 1963 campaign for what a club spokesman described as "a good raise."

After hitting only 145 in scattered action during the 1961 season, Haller raised his average to 261 last year for 98 contests, hitting 18 home runs and driving in 56 tallies.

He also crashed a homer off Whitey Ford in the fourth game of the World Series.

### St. Mary's Victor Over Pepperdine

**United Press International**  
Those feudin' fussin' and fightin' neighbors—Santa Clara, USF, and St. Mary's—seem destined to fight it out for the West Coast Athletic conference basketball title this year.

St. Mary's disposed of defending champion Pepperdine in an 84-69 decision Wednesday night that left the Gaels 3-0 in league play. USF is also 3-0 and Santa Clara is 4-0.

The three Bay area Catholic schools do not play big-time football, which means their students take basketball just that much harder. It should be quite a three-ring circus before a champion emerges.

St. Mary's was led past Pepperdine by its shooting star, Steve Gray. The lithe forward had 28 points and hauled down 13 rebounds. His 26.7 points per game average in conference play puts him more than 10 points ahead of his nearest competitor.

Mary Dinnel hit 19 points for the Waves, who are now 0-3 in league play even though practically their whole lineup from last year's champs returned this season.

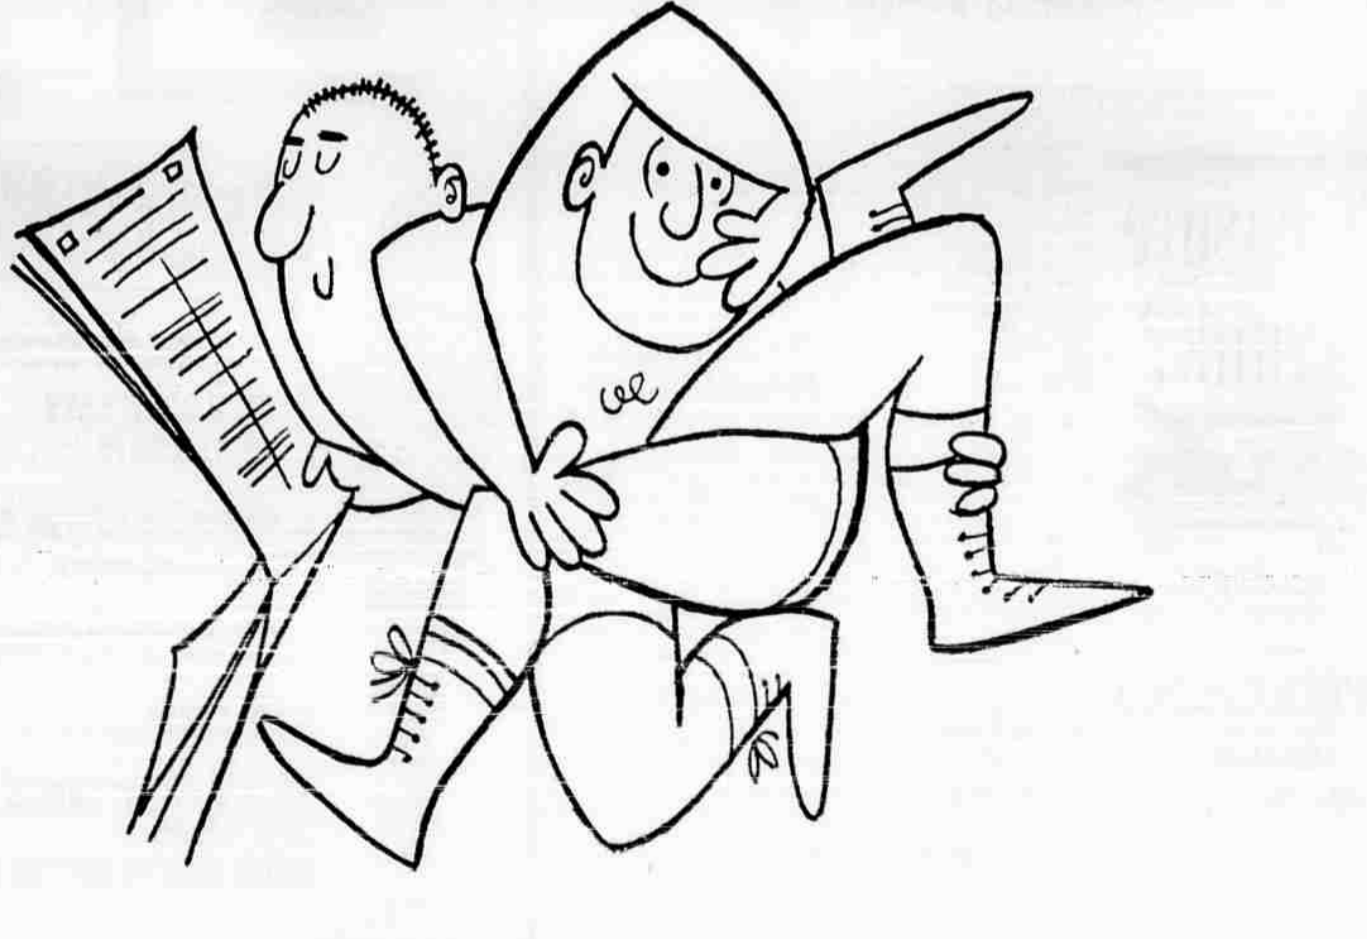

Two winless WCAC squads met at Stockton and Loyola dumped University of Pacific 72-61. Brian Quinn had 19 for the Lions while Jack Schiow tossed in 15 for the losers.

### Mickey Wright Links Favorite

St. Petersburg, Fla. (UPI)—Mickey Wright of Dallas, Tex. was an odds on favorite today as a field of 35 women propped off in the \$15,500 St. Petersburg Women's Open, the richest event ever on the Ladies Professional Golf association tour.

The long-ball hitting Texan ignored cold and rain Wednesday, along with Clifford Ann Creed of Alexandria, La., to fire a par 71 over the 6,116 yard Sunset Golf and Country Club course in a pro-patrons tuneup event.

Miss Wright rates the favorite role on the basis of her showing Wednesday under the adverse conditions and on her victory last week in the Sea Island, Ga., Ladies Open.

## FLEXIBILITY!

The Daily Newspaper Is the Flexible Medium for Pinning Down Sales

Newspapers don't tie up the advertiser with rigid time schedules or space limitations that weaken the impact and effectiveness of his message. Newspapers offer creative and physical flexibility. An advertiser can use a two-page spread to tell a detailed story or he can use a smaller space to say what he wants in fewer words, depending on his budget and his strategy. The physical flexibility of newspapers means ads can be scheduled quickly to take care of sudden selling opportunities. The daily newspaper is flexible enough to fit any advertising strategy.
