LEGAL NOTICES

NATIONAL FOREST TIMBER FOR SALE
Sealed bids will be received by the District Ranger or his authorized representative at the Butte Falls Ranger Station, Butte Falls, Oregon up to and not later than 9:30 a.m. March 12, 1963, for all merchantable timber marked or designated for cutting on an area embracing 80 acres, more or less within sections 27 & 34, T.4S., R.12E., W.M. 12, 1963, in the Rogue River National Forest, Jackson County, Oregon. The estimated volume is 24,000 board feet of Douglas-fir and pines, 180 M board feet of White fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir & pine species \$28.00; White fir & other species \$12.80. This includes the following rates, per M board feet for including deposit for sale area betterment: \$18.00 base rate plus an additional \$6.00 for Douglas-fir and pine species; \$12.80 base rate plus an additional \$6.70 for White fir and other species; and \$2.40 for slash disposal for all species. The prices bid for tentative rates subject to quarterly calendar adjustments upward or downward by 0.5 percent of the average of the monthly Douglas-fir Region indices, as calculated by the Forest Service for the three previous months, and the following base indices: Douglas-fir and pine species 103.12; White fir and other species 92.98 (A). Such adjustments in the price for stumpage shall be applicable to timber sealed during the three-month period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rates above base rates for all species develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the District Ranger at 9:30 a.m. on March 12, 1963. A money order, bank draft, cashier's or certified check in the sum of \$150.00 must accompany each bid, which will be held in escrow until the purchase price, refunded or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, if bond is required, contract terms will permit selling of timber in advance of payment up to the value of the performance bond. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the conditions of sale and the submission of bids should be obtained from the District Ranger, Butte Falls, Oregon before bids are submitted.

Sealed bids will be received by the District Ranger or his authorized representative at the Butte Falls Ranger Station, Butte Falls, Oregon beginning at 11:00 a.m. March 12, 1963, for merchantable timber marked or designated for cutting on an area embracing 24 acres, more or less within section 29, T.4S., R.14E., W.M. 12, 1963, in the Rogue River National Forest, Jackson County, Oregon. The estimated volume is 110 M board feet of Douglas-fir and pines, 110 M board feet of White fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir & pine species \$29.58; ponderosa pine, Jeffrey pine, sugar pine & western white pine species \$15.50. This includes the following rates, per M board feet for including deposit for sale area betterment: \$21.70 base rate plus an additional \$7.88 for Douglas-fir; \$20.80 base rate plus an additional \$8.70 for ponderosa pine, Jeffrey pine, sugar pine & western white pine species; and \$2.00 for slash disposal for all species. The prices bid for tentative rates subject to quarterly calendar adjustments upward or downward by 0.5 percent of the average of the monthly Douglas-fir Region indices, as calculated by the Forest Service for the three previous months, and the following base indices: Douglas-fir and pine species 103.12; White fir and other species 92.98 (A). Such adjustments in the price for stumpage shall be applicable to timber sealed during the three-month period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rates above base rates for all species develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the District Ranger at 11:00 a.m. on March 12, 1963. A money order, bank draft, cashier's or certified check in the sum of \$300.00 must accompany each bid to be applied to the purchase price, refunded or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, if bond is required, contract terms will permit selling of timber in advance of payment up to the value of the performance bond. The right to reject any and all bids is reserved.
