Deputies Investigate Burglary at Mine

Jackson county sheriff's deputies yesterday investigated Monday night's burglary of the Bristol Silica mine on Miller's gulch between Rogue River and Gold Hill.

Thieves cut a padlock off a tool shack at the mine and took 50 feet of cable, a cutting torch, gas and miscellaneous hand tools, deputies reported. This is one of a series of such thefts, deputies said.

NATIONAL FOREST TIMBER FOR SALE
Iron Mountain Timber Sale

Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, Post Office Building, Medford, Oregon beginning at 2:00 P.M., March 15, 1963, for all merchantable timber marked or designated for cutting on an area embracing 291 acres, more or less, within Sections 18 and 19, T. 40 S., R. 4 W., and Sections 13 and 24, T. 40 S., R. 5 W., W.M., surveyed, in the Rogue River National Forest, Jackson and Josephine Counties, Oregon. The estimated volumes are: 4,900 M board feet of Douglas-fir; 1,450 M board feet of ponderosa pine; 1,190 M board feet of sugar pine; 710 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir $22.60; ponderosa pine $17.70; sugar pine $16.60; white fir and other species $11.60. This includes the following rates, per M board feet for stumpage including deposit for sale area betterment: $3.00 base rate plus an additional $18.45 for Douglas-fir; $3.00 base rate plus an additional $13.35 for ponderosa pine; $3.00 base rate plus an additional $12.45 for sugar pine; $2.00 base rate plus an additional $8.45 for white fir and other species and $1.15 for slash disposal for all species. The stumpage rates payable for each species will be increased by the amortization rate in effect for that species when the unamortized estimated cost of the main haul roads has been amortized by timber scaled. The unamortized estimated cost is $51,477.00. Amortization rates are: Douglas-fir, $9.08 per M board feet; ponderosa pine, $8.68 per M board feet; sugar pine, $8.13 per M board feet; and white fir and other species, $4.15 per M board feet. Amortization of estimated main haul road costs is computed on 80 per cent of the estimated timber volume. The purchaser may request that the contract provide for more rapid amortization of the estimated cost of the roads which must be constructed before normal logging operations will be possible. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustments upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir Region Indices, as calculated by the Forest Service or the Western Pine Association Lumber Price Index for the three previous months, and the following base indices: Douglas-fir 99.06(B); ponderosa pine 82.75; sugar pine 105.43; white fir and other species 92.98 (A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rate above the base rate for all species develop an accumulated total dollar value in excess of the recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor, at 2:00 P.M., on March 15, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $6,200.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Star Ranger Station, Jacksonville, Oregon or the Forest Supervisor, Medford, Oregon, before bids are submitted.
