## Fanfare

By DICK JEWETT  
Mail Tribune Sports Editor

Crater High Principal Arthur Straus, president of the Southern Oregon conference, said that the league minutes will be searched to determine whether there is anything in them concerning how a tie is to be resolved should teams be deadlocked for a berth in the state A-1 tournament.

He stated that nothing has been said among the schools so far as he's heard this season and that he does not recall the matter having come before a conference meeting in past seasons. Otherwise, he said, if a tie looms, it's a matter of conference officials getting together.

Of course, there is no problem if just two teams tie for first place. However, if more than that number tie at the top, or if two or more knot for second, some playoff arrangement will have to be made.

**THINKING ALIKE**  
Frank Roelandt, Medford basketball mentor, indicated to the Linebackers last Friday the reason why the Black Tornado has started to come on:

"We're all starting to think alike, which makes a winning combination."

Medford has won its last three in a row.  
Coach Lloyd Hoffine, of Crater high's Comets, has declared that it's "do or die" for his basketball fireballs this week end. The co-league leaders are hosts to Medford on Friday and Klamath Falls on Saturday.

In discussing preparations for games last week, Hoffine said, "We look for a tough week end." Then he added words to the effect that "next week end will be even tougher."

### CRATER BALCONY OPENED

The north balcony in the Crater high gym was opened to basketball fans last week and folding chairs were used by fans. Principal Straus said that present plans are to have bleachers on the balcony for the Medford and Klamath games this week. The Crater gym thereby would accommodate some 300 more people. The gym has almost burst at the seams because of the large crowds this season.

### CHENEY COURTNEYS RETURN

Remember the Cheney Tacoma Courtneys, the group of teenage boys who do a take-off on the Harlem Globetrotters. They performed at Central Point last year. They'll be back Saturday night to display their precision and antics at halftime of the Crater-Klamath basketball game.

The 13, 14 and 15-year-old boys are under sponsorship of the Cheney Studs (Cheney Forest Products), Tacoma Athletic association.

### San Francisco, St. Mary's Win in WCAC

By United Press International  
University of San Francisco is still unbeaten in the West Coast Athletic Conference, but as long as Steve Gray is around you can't count out those plucky St. Mary's Gaels.

USF piled up its seventh straight WCAC win without a setback Tuesday night when it bopped winless University of Pacific 63-50.

But the dramatic battle occurred at Oakland Auditorium where Santa Clara led 46-37 at the half over St. Mary's but then crumbled before the Gaels and Gray. The final score was 81-76.

Gray hit 18 points after the intermission and had 28 for the evening. Gene Shields had 26 for the Broncos, who towered over the shorter Gael quintet but just could not stop Gray who scores about eight points more a game than anybody else in the league.

St. Mary's is now 6-1 while Santa Clara poses on the brink of oblivion with a 4-2 record.

USF was led past Pacific by Ollie Johnson and Eddie Thomas, who had 13 points apiece.

Defending champion Pepperdine which lost its first five conference games, now have won their last three. Tuesday night it was Pepperdine 56 Loyola 49.

### BEST TIME

Daytona Beach, Fla. - (UPI) - North Carolina driver Buck Baker, fighting strong winds in his Pontiac, clocked 138.7 miles an hour Tuesday for the best qualifying run for Friday's 100-mile stock car race at the International Speedway.

of the schools this year at the Friday meeting of the Linebackers, brought out that Southern Oregon conference baseball games will be played on Saturday and Tuesday afternoons this spring. The Medford school physical education supervisor said that doubleheaders are slated on each conference date with both games counting in the standings. This was a recommendation of the coaches. Second games of doubleheaders have been non-counters.

Regadale also reported good fare for prep track fans here. Meets will include the Rogue relay and district meet and Medford duals with Roseburg and Grants Pass. The PE man commented that the high school boys tennis season is too short and said that efforts are being made to extend it.

### WOULD FIGHT DRAW?

Considering what happened in the first bout, would there be a good turnout here for theatre television of the Sonny Liston-Floyd Patterson boxing rematch on April 4?

Bob Corbin, manager here for Oregon-California Theatres, has been offered the opportunity to present the bout on the Craterian theatre screen. And he'll be willing if enough fans indicate to him that they are interested. Let him know. Or, tell us and we'll pass the word along.

### GIFT OF BOOKLET

Have you seen the 10 page booklet, "All-Time Oregon Prep Track Records," published by Paul Harvey of the Eugene Register-Guard and Bill Mullfur of the Oregon Journal. We did not get around to ordering one but thanks to Tom Smith, Central Point fan, we have a copy. He ordered two copies and passed the extra one on to us.

### McLoughlin Wins 53-48

Central Point-McLoughlin ninth of Medford defeated the Crater high freshmen basketball team 53 to 48 here last night.

The Bulldogs from Medford ran up a 25 to 13 margin in the second quarter but the Comets bounced back to make a good game of it and took the lead at 34 to 33 in the third canto.

Mac had 15 to 8, 27 to 22 and 35 to 34 quarter spans. The Medford club led just 48 to 46 with one minute to go but a bucket by Curt Smith and two free tosses by Ken Curtis pulled the Bulldogs to good padding.

McLoughlin hit 400 from the floor to 288 by Crater and dominated the rebounding with Ron Hale getting 14 retrieves.

Dave White had 17 points for Crater and Gerold Branch 15. Hom Dallas scored 11 and Dennis Byrne 11 for Mac.

### Bill Odell's Salary Same as Old Bonus

United Press International  
Billy O'Dell, the Clemson College comet of a decade ago, has made a complete money cycle since his major league signing as a bonus baby.

O'Dell agreed to terms Tuesday with the San Francisco Giants for a \$25,000 figure, a sum the southern southpaw received from the Baltimore Orioles when they enticed him from the Clemson campus in 1954.

The Giants boosted O'Dell about \$7,000 over his 1962 salary for achieving his top big league record of 19 victories and 195 strikeouts and as a reward for helping hoist the National league pennant over Candlestick Park.

## Good Supporting Card Set for Championship Mat Program Thursday

Promoter Elton Owen has lined up what promises to be a crowd-pleasing supporting card for tomorrow night's championship wrestling match at Medford armory. The first match gets under way at 8:15 p.m. and doors will open an hour earlier.

The semi-windup will mark the return to Medford of Billy Whitewolf, clever Oklahoma Indian who recently received his master's degree in physical education at Portland State College. Whitewolf, who will meet veteran Kurt Von Poppenheim, has been in Hawaii for the past four months, where his aggressive style won him a wide following. He was much in demand for main events in Honolulu and Hilo during his island stay.

Whitewolf engaged in several fall-raising matches here last fall and fans will welcome his return.

The main event will see Nick Kozak and Wild Bill Savage collide for the Pacific Coast junior heavyweight championship. The weight division, long inactive, is being revived with the local match.

Harold (Buck) Davidson, long a local favorite, will continue along the comeback trail when he goes against a newcomer to the area, Cowboy Bob Boyer, in the opening scrap. Boyer is an aggressive campaigner who will make Davidson go all out if he expects to win.

Ringside reserved seat tickets are on sale at Lamport's Sporting Goods store in Medford.

### SO District Bow Shoot At Ashland

### Nicklaus Inks \$50,000 Pact

Tucson, Ariz. - (UPI) - Some golfers struggle through the year-long professional tour hoping just to make more money than they spend - and then there's Jack Nicklaus who won't even have to swing a club to pick up \$50,000.

Though he's only 23 years old, the 1962 National Open champion already is as familiar with the folding green as the golf course guru.

The chunky young golfer won more than \$61,000 last year during his rookie season as a pro, and Tuesday he confirmed a United Press International report that he had negotiated a new four-year contract to represent the Tucson National Golf club on the tour for \$50,000.

It is believed to be one of the highest-paid pacts ever given a touring pro to represent a golf club.

## Two Teams Threaten Leaders In Holiday Handicap Tourney

Position of the leaders in the holiday golf handicap at Rogue Valley Country club grew shakier last week as the teams of Russ Acheson and Bob Phillips and of Justin Smith Jr. and Dick Brown closed the gap.

Acheson and Phillips collected seven points in two matches last week to pull within five points of front-runners Carl Schmidt and E. A. Pearson. Smith and Brown were just eight points back after winning 10 counters in two contests.

Schmidt and Pearson have 48 points for 22 tussles. They won a point from John Nuich and Jim Vargo but also lost one to Dr. N. J. Wilson and George Lewis.

Acheson and Phillips brought their total to 43 by nabbing four markers from Bud Judy and Charles Mickelson and three from Dom Casciato and Bill Cox. Smith and Brown have a 40 aggregate. They won by six holes from Dick House and Dick Travis and by four from Sam Battistone and Ron Brennerman.

Fourth place is held this week by Herb Leonnig and Don Hale. They have a total of 35 after breaking even with Dr. John Owens and Chuck Shepherd and whipping Howard Cusic and Dick Kluge by three holes.

Dr. Wilson took low prize with a 75 in last week end's ball sweepstakes and Dick Brown was second with 78. Low net prize went to Casciato for a 68. Other net prizes were taken by Bob Fasel with a 72 and Acheson with a 73.

The holiday handicap will conclude on March 1. Qualifying for the next men's tourney at RVCC, the spring handicap, will begin on Feb. 23 and run through March 19. The tourney will run through May 5. Alan Holmes was the 1962 champ.

### Ring Title Retained By Moyer

Honolulu - (UPI) - Denny Moyer, 153 1/2, used superior boxing skill and an effective left jab Tuesday night to punch out a unanimous decision over home town hero Stan Harrington, 151 1/2, and retained his world junior middleweight championship.

There were no knockdowns in the 15-round bout watched by a near capacity crowd of 5,085 at Pacific Auditorium. But Moyer, of Portland, Ore., earned the nod by coming back strongly in the late rounds after a slow start.

Harrington, a veteran of 59 fights and considered the islands' greatest fighter since Bobo Olson, started out as though he might topple the defending champ.

The 29-year-old Hawaiian used a sharp left uppercut to dominate the action and pile up the points in the early stanzas. But the tide slowly turned after the seventh round when Harrington tired visibly and Moyer's steady jabbing found its mark.

Referee Louis Freitas scored the fight 72-69 for the champion, Judge Walter Cho called it 74-68, and referee John Medeiros saw it 71-69. UPI had it 70-68.

The crowd greeted the decision with a chorus of boos. It was the fifth successful title defense by the busy Moyer since winning the title from Joey Giambra last October. His over-all record stands at 39-8.

Harrington has a 48-11 record. He weighed 151 1/2.

### BOWLER WINS HONOR

New York - (UPI) - Dick Weber, winner of the All-Star bowling tournament for the second straight year, Tuesday was voted the professional athlete of the month in January.
