Chicken-Fried Steak Gets Menu Nod Today

Many fond memories going back to childhood include those of chicken-fried steak. Our recollections of some have to do with pounded round steak though a recent hostess "breaded" sirloin steak and received kudos from an appreciative dinner group. Shhhh! Don't let her know but we think we'll take our sirloin steaks medium rare and will cricken-fry goodly portions of fine flavored "pounded" round steak.

Crisping steak reminds us of the pleasures of crisp fried chicken; both so delicious, so handsome and so quickly achieved. Our corn-crisped cookery provides these elements. Here's how:

Dip, Roll, Bake

Both steak and chicken are cooked in exactly the same fashion—the dip, roll and bake technique. The meat is dipped in smooth evaporated milk to make the mellow cornflake crumb coating adhere. The crumbs are readily available in packages or you can, of course, roll your own. We season the crumbs with Ac'cent (monosodium glutamate) and we use the name because 93 per cent of all glutamate available to consumers is made by Ac'cent. It brings out the individual flavor of the ingredients and combines them harmoniously.

The pieces of meat then go onto a baking sheet lined of course with aluminum foil to eliminate clean-up chore. That's all there is to it. No need even to turn the meat. Steak or chicken will emerge from even crisp, golden, delectable.

The dip, roll and bake method has two important advantages over the fried variety. No fat is required in the cookery which makes it a boon to weight-watchers and those on special diets. No watching!

This method lends itself also to pork chops, shoulder lamb chops, veal, fish fillets and shrimp just as satisfactorily. Once you learn the simple basic technique you can devise your own corn-crisped creations.

Chicken-Fried Steak

For each six servings: Have 1 1/2 pounds sirloin steak (or

round steak pounded well with mallet or edge of heavy saucer) cut one-quarter inch thick. Cut into six portions. Combine one cup corn flake crumbs, 1 1/2 teaspoons Ac'cent, one teaspoon salt and one-quarter teaspoon pepper. Dip steak on both sides in evaporated milk, using one-half cup "evap", then into crumb mixture. Place on aluminum-foiled pan. Bake in moderate oven, 350 degrees, 20 minutes.

Corn-Crisped Chicken

This is so quickly done. We suggest a Cumberland Sauce* with it. Combine one cup corn flake crumbs with one teaspoon Ac'cent, one teaspoon salt, one-eighth teaspoon pepper and one-eighth teaspoon each of basil and thyme (or one-quarter teaspoon poultry seasoning). Dip chicken, (using one broiler-fryer, cut-up) pieces into evaporated milk, using one-half cup "evap", then roll in crumb mixture. Place chicken, skin side up, on aluminum-foiled baking pan or on cookie sheet.

Bake in moderate oven, 350 degrees, one hour or until tender.

*Cumberland Sauce. This, for passing with crisp chicken. Combine one cup currant jelly, one can (six ounces) frozen concentrated orange juice, undiluted, one teaspoon dry mustard and one-eighth teaspoon ginger; stir and heat until mixture is smooth.

Baked Fudge Pudding Has Surprise Saucing

So that you won't be too surprised we tell you now that this Baked Fudge Pudding produces a delicious rich chocolate sauce in the bottom of the pan. Spoon out while warm into serving dishes, sauce side up. Plu-perfect with whipped cream and grating of nutmeg.

- 1 cup sifted flour
- 2 teaspoons baking powder
- 2 teaspoon salt
- 1/4 cup sugar
- 2 teaspoons cocoa
- 1/4 teaspoon cloves
- 1 teaspoon pure vanilla
- 1/2 cup milk
- 2 tablespoons melted butter or margarine
- 1/2 cup coarsely chopped walnuts
- 1 1/4 cups light brown sugar
- 1/4 cup cocoa

DEAR TO MEMORIES—Chicken-fried steak is dear to memories of many old-timers. Others are equally nostalgic about crisp herb-fried chicken. Here we do both, using evaporated milk and packaged corn flake crumb coating that really clings, producing a crisp, golden finish.

Apple Crisp Uses Plentiful Apples

There are plenty of fine crisp winter apples for the making of many good desserts. This apple crisp is very good "as is", with cream poured from a pitcher, with a custard sauce or with a hard sauce as suggested below. Recipe makes six servings.

Place four cups sliced apples in buttered, shallow baking dish. Combine three-quarters cup sifted flour, one-third light brown sugar and one teaspoon apple pie spice. Cut in one-half cup (one stick) butter or margarine until well mixed. Sprinkle over apples. Bake in a moderate oven, 350 degrees, 30 to 40 minutes or until apples are tender and crumbs are browned.

Hard Sauce. No reason why

hard sauce should be enjoyed only during the holiday season. Cream one-half cup (one

Grand Ole Opry Singer Wounded

Nashville, Tenn. — (UPI) — Police said the wife of a country music singer on the Grand Ole Opry shot her husband six times Wednesday night and told them "if he ain't dead yet I'll shoot him again."

Faye Louvin, wife of Ira Louvin of the Louvin Brothers country music team, was charged with assault with intent to commit murder.

Louvin was in serious condition at a hospital here with 22 caliber bullet wounds in the chest and hand. Hospital authorities said one of the bullets lodged against his spine.

Mrs. Louvin told police she shot her husband after he beat her while his two sisters, Mrs. Leon Slater and Mrs. Lorene Phillips of Henagar, Ala., held her. The Louvins have two children, Larry, 12, and Kathi, 5.

One of the songs recorded by the Louvin Brothers is "The Family Who Prays." Others were "Cash on the Barrel-head" and "I Don't Believe You've Met My Baby."

The Louvin Brothers have been performing with the Grand Ole Opry for about 17 years. They have recorded 13 long-playing records and about 50 singles.

Eugene Woman Found Guilty of Kidnaping

Eugene — (UPI) — Shirley Mae Huckins, 22, Eugene, was found guilty of kidnaping by a Circuit Court jury here Wednesday.

She was accused in the abduction of Cottage Grove policeman James Cornell, his wife, Catherine, and Raymond Harris, a neighbor, last Dec. 29.

Edward Dean Riley, 29, Cottage Grove, earlier pleaded guilty to the same charge.

FOR SPORTSMEN — The "Husky Duck," revolutionary sportscar-boat designed especially for hunters and fishermen, dips into a lake in San Francisco's Golden Gate park during a demonstration of its abilities. At the controls is the vehicle's inventor, Warren Neumann, left, with his assistant, Frank Batchelor, both of Berkeley, Calif. The unusual craft is propelled by four Vinyl plastic tires, acting as paddle wheels, propelling the unit at four knots in water and 18 miles per hour on land. (UPI)

Glendale, Wis. — (UPI) — Joseph Braunreiter has asked city fathers to move a fire hydrant so he can park in front of his home — legally. Legal parking in front of his 40-foot plot is impossible because of two city ordinances — one requiring cars to park 10 feet from fire hydrants and another requiring them to park four feet from driveways.
