

PERFORM AT CENTRAL POINT - The Cheney Courteers of Tacoma, Wash., pictured here, will perform at halftime of the Crater high-Klamath Falls basketball game on Saturday night at Central Point. Left to right, standing, are Wayne Hoff, Rob Norwood and Tim Runbeck, each 14. Don Wonders, 15, Denny Brand, 14, and Denny Karna, 13. In front are Tom (Hummingbird) Mack, 15, left, the Courteer clown, and Pete Wonders, 11. The boys, who

appeared at Central Point a year ago, do a takeoff on Harlem Globetrotter routines with precision passing and dribbling and various antics. This year they have displayed their talents at pro basketball games in San Francisco and Los Angeles and at high school and college games in Washington. Tonight they appear at the Oregon-WSU game at Eugene. They are financed by Ben Cheney of Cheney Forest Products.

# Eagles Play Cougars In Rogue Headliner; SM Opposes Henley

This year's Rogue league basketball diadem has eluded the Eagle Point High school Eagles, who were the champions of 1962. But there is yet their District 6 A-2 mantle that can be defended. And, the Eagles will be out this evening to clear what looms as the remaining big hurdle in their path to that titular defense. They play the Illinois Valley Cougars at Cave Junction. It won't be actually the last barrier in the Rogue race. Eagle Point and IV each have Sacred Heart games on their slates and the Cougars must go against St. Mary's. But, if the Eagles beat IV, they'll clinch second place and a spot in the district playoff and further games will have no bearing. IV, therefore, will fight hard to stay in the running. Tonight's EP-IV skirmish is one of six Rogue frays this week end. St. Mary's bids for prestige when it tackles the Henley Hornets tonight at Medford. Henley is the state's No. 1 ranked A-2 quint and already crowned league champ. Rogue River vies at Phoenix and Lakeview at Sacred Heart also this evening.

# Bill Savage Wins Coast Wrestling Championship

Wild Bill Savage of Oregon City reigns as Pacific coast junior heavyweight wrestling champion today. He won the title belt by dumping Nick Kozak of Vancouver, B. C., two out of three falls before a small but enthusiastic crowd at Medford armory last night. It was a fast and spectacular match with both men taking turns roughing each other. Kozak took the first fall when he surprised Savage coming off the ropes and caught him in a "botoms up" hold. The former all-Navy champion evened things up with a buck body drop and back breaker hold. Savage slammed Kozak to the mat so hard that a stringer under the ring was broken and the match was held up for several minutes while repairs were made. The deciding fall went to Savage with a body press after Kozak was dazed in a fall to the mat and was unable to move away from his opponent. Haru Sasaki, pinch-hitting for Kurt Von Poppenheim, lost on a foul to Billy White-wolf after each had taken a fall. Sasaki refused to break a choke hold and several times felled the referee before the match was stopped. Buck Davidson and Cowboy Bob Boyer went to a no-fall draw in the opening match.

# Kennedy Cub Skipper

Mesa, Ariz. (UPI)—Bob Kennedy, former Chicago White Sox outfielder-infielder, has been named manager of the Chicago Cubs for the coming season. Athletic director of the Cubs, Bob Whitlow, said that Kennedy's sole responsibility will be directing the parent club. He will have as assistants Lou Klein, Verlon Walker and Fred Martin. The Cubs will retain the 12-coach rotating system but it will apply only to minor league clubs at the moment.

**Fullmer To Be in Finest Condition for Ring Tiff**  
Las Vegas, Nev. (UPI)—Gene Fullmer will be in the finest condition of his life, both physically and mentally, for his return bout with world middleweight champion Dick Tiger Saturday night. Fullmer said today that this bout rates as the most important of his career. He lost his crown to Tiger, the bruising Nigerian, in a San Francisco bout last October. "I've repeatedly said that I'll retire if I fail to regain the title," said Fullmer. "And I have no intention of retiring. So that means I've just got to win." It was disclosed Thursday that Fullmer was suffering seriously from dysentery at the time of his defeat—a bout in which he was rocked and socked all over the ring and rarely hit back. Odds dropped slightly to 3-1 favoring Tiger after manager Marv Jensen confirmed the story that Fullmer had had the dysentery before the bout, still had stomach cramps just before he went into the ring and that he was weak as a kitten during the battle. In the other camp, Tiger's handlers are just a little concerned about their charge. He has worked 95 rounds of conditioning. But after his final workout, trainer Jimmy August opined the battler "didn't look quite as sharp" as he had hoped.

# Stanford, UCLA In Showdown

United Press International  
Stanford and UCLA meet in a showdown Big Six battle tonight that won't settle the title, but could be a turning point for either club. The Cards have a 5-3 mark and the Bruins 3-3, but their records are deceptive. Stanford must finish out the year with three on the road, while the Bruins are at California tomorrow and then play their last four at home. Stanford shot 51 per cent from the floor two weeks ago in whipping the Bruins 86-78. Guard Darrell Sutherland hit 16 points and then was injured. He had a cast removed from his arm Wednesday and will play tonight. Washington, 6-4, is also very much in the race but must play its last two games in Los Angeles.

# Beavers Play Trojans; Ducks Face Washington

United Press International  
Oregon State's Beavers—already assured of a spot in the NCAA basketball playoffs—play host to Southern California at Corvallis tonight. The teams play again Saturday night. The Beavers will be seeking to improve their 14-6 season's record against the Trojans of the Big Six conference. It is the teams' first meetings this season. Portland's Pilots play host to Idaho State at Vancouver, Wash., Saturday night. The Pilots, who have a 7-16 record, scored a narrow win over the Bengals earlier this season at Pocatello, Idaho.

# Cincinnati Clinches

United Press International  
It's official—Cincinnati will be returning to the NCAA tournament in a bid to retain the crown it wears so well. The top-ranked Bearcats massaged North Texas State, 91-61, Thursday night to clinch first place in the Missouri Valley conference and earn an automatic berth in the NCAA basketball classic. Cincinnati will be a heavy favorite to sweep to an unprecedented third straight championship. In another game matching two NCAA-bound squads, New York University extended its winning streak to 10 with an 80-79 squeaker over Notre Dame at Madison Square Garden.

# Seventh Grade Reds Take Contest 29-26

Hedrick Reds edged Ashland 29 to 26 yesterday in a seventh grade basketball scrap. The Reds completed their slate with a 6-4 record had 5 to 3 and 11 to 10 quarter and half leads. Ashland led 17 to 15 at the third rest halt. Marty Browne had 11 points for Hedrick and Chris Cotton nine for Ashland.

See the new Merc 1000, 100 hp, and Merc 850, 85 hp... world's most powerful outboard motors. These 6-cylinder Mercs can show a rooster-tail to any other outboard... push big cruisers with ease.

See Merc's new 4-cylinder motors... the Merc 650, 65 hp, and the Merc 500, 50 hp. The all-new Merc 650 is a 4-cylinder in-line engine and many of its parts are interchangeable with the well-proved Merc 1000. The new Merc 500 will operate on up to 50% less fuel than other outboards in its power range. Both have Merc's new weedless water intake that's virtually immune to clogging.

There are four Mercury twins... 35, 20, 9.8 and 6 horsepower. The new Merc 350, 35 hp, has Power Dome combustion chambers like its more powerful brothers and is available with either manual or electric starting. The new Merc 200, 20 hp, is husky enough for big jobs... small enough to fit in the trunk of your car. Merc 110 is the world's lightest 9.8 hp fishing motor. It weighs only 55 pounds... as little as competitors' 5 1/2 hp outboards. The new Merc 60, 6 hp, is the lightest, liveliest little motor that ever sat on a transom.

All the new 1963 Mercs have full gearshift... forward, neutral and reverse. All are available with single-lever remote controls.
