### Civic Music Returns Said Good

Renewal returns for Jackson County Civic Music association memberships have been exceptionally good, according to Mrs. Darell Huson, president.

The renewal forms were mailed last week to 1962-63 members who have the privilege of renewing their memberships previous to the annual membership drive which this year will be held in early April.

At the present time officers of the local association are negotiating with national civic music headquarters for the well-known Paris Chamber orchestra. This group consists of approximately 16 to 20 musicians.

Already booked is the Vienna Boys choir, which appeared here in the mid-fifties. That season the association oversold members as a result of the booking and from present indications the same will occur again, officers stated.

Mrs. John Lusk, Medford, and Mrs. Herbert Cecil, drive chairmen, are anxious to contact volunteer workers for the membership drive which opens April 1. Interested persons may contact them by calling telephone 772-8835.

Membership reservations may be made by calling Mrs. Kenneth Brown, telephone 773-5992, association secretary. Civic music memberships may be used in the Eugene series and this fall the London Philharmonic symphony is to appear in Eugene.
