

Bardahl's Takes Over No. 2 Spot

Buffalo, N.Y. — (UPI) — Bardahl's of Buffalo, N.Y., moved into second place in the classic team division of the American Bowling Congress tournament Tuesday.

Led by Jerry Back, who fired 622, the team racked up 2,988 to give them a six-game total of 6,052. Bardahl's got off to the best three-game start so far in the classic division by piling up 3,064 Monday.

Still holding first in the classic division is Helin Tackle of Detroit with 6,157, compiled Feb. 28.

Another Buffalo team, the Courier-Express All-Stars, moved into fourth place in the classic division after compiling 5,908 Tuesday.

Regular division action was slow as the Di Orto's Circle Cafe team of Somers Point, N.J., tied for ninth with 2,980. Sharing their berth is V. Loria and Sons of New York.

In minor action, Andy Hudoba, one of five men running for mayor of Struthers, Ohio, found that politics and bowling mix when he shot into first place in the regular singles and all-events categories.

The 43-year-old owner of a vending machine company fired 725 in the singles and totaled 1,954 in the all-events to oust Ron Hatem of Lawrence, Mass., and Ken Barber of Rego Park, N.Y. Hatem slipped to second in the singles with 707 and Barber fell to second in the all-events with 1,940.

Hudoba's double partner, Jack Baum of Youngstown, Ohio, advanced to fourth place in the regular all-events with 1,931.

In the classic division, Chet Mazur of Buffalo moved into fourth place in the all-events after compiling 1,899. Still leading that category is Joe Joseph of Detroit with 1925.

In the classic singles, Tony Politi of Buffalo slipped into sixth place with 651.

Paul Pender Court Support

Bedford, Mass. — (UPI) — Paul Pender, the "reinstated" world middleweight co-champion, wants a title-clarifying fight with co-champion Dick Tiger, attorney John J. Cronin, Pender's advisor, announced today.

Pender of Brookline, Mass., was practically reinstated Tuesday by five judges in the appellate division of the New York state supreme court, when they unanimously annulled the New York state athletic commission's November title-stripping action.

On Nov. 8, the New York commission vacated Pender's share of the title for failure to defend his crown within the required six months and shifted its title recognition to Tiger of Nigeria, who already was recognized as world champion by the World Boxing association.

Tuesday the five judges ruled that the New York commission had failed to comply with its own rule requiring that a champion be given 20 days notice that a challenge had been filed with the commission.

Only the Massachusetts Boxing commission continued to recognize Pender as co-champion because New York's November stripping decision was followed by similar actions in California, the British Commonwealth and Europe.

Warriors, Pistons Have Brawl Again

Baltimore — (UPI) — The San Francisco Warriors and Detroit Pistons engaged in their third brawl of the campaign Tuesday night at New York. San Francisco won the fight but lost the game.

The Warriors pulled their patented third quarter fade to drop a 111-109 decision to the Pistons in the battle for third place in the Western division. The game was the opener of a Madison Square Garden twin bill.

The fight also occurred in the third stanza.

It started when Bob Ferry, who has been a target in all three brawls, held onto Wilt Chamberlain's arms. This infuriated Al Attles, who tackled Ferry and began pummeling him. Chamberlain stood over the pair and tossed Detroiters around like tennis balls as they tried to rush to Ferry's aid. Bailey Howell wound up on the floor and Walter Dukes in a group of fans who were on the sidelines, watching the action.

Ferry received a bloody nose and Attles was ejected from the game.

BALTIMORE BIDS

Chicago — (UPI) — The Chicago Zephyrs had under consideration today an "attractive rental offer" from the Baltimore Civic auditorium to induce the club to move its NBA franchise next year. However, General Manager Frank C. Lane said he doubted the bid would be accepted.

DAY GOES TO NORWAY—John Day, 54, Jackson county rancher and sportsman, who left last night to train in Norway for cross-country skiing, is pictured here with Japanese Olympic skiers at Crested Butte, Colo. Pre-Olympics tryouts were held there last week. Day received permission of the United States Olympic committee to make the trip to Norway. He will be there about one month. He will be asked to participate in the October Olympic team tryouts. At Crested Butte, Day pulled out of the 30-kilometer run because of a badly bruised shoulder. Three days later he went a 10-kilometer leg in the 40-kilometer relay and recorded a time comparable to others. From left in the picture are Hideo Kaichi, Shohet Sasaki, Day and Coach Kenichi Yamamoto.

Giants, Cepeda Little Closer

Phoenix, Ariz. — (UPI) — The San Francisco Giants and holdouts Orlando Cepeda and Juan Marichal are about as far apart financially as they are geographically, according to vice president Chub Keeney.

"I have talked with Cepeda for the second time in the last 16 hours and he again refused to agree to terms," Keeney said Tuesday. "We are, however, a little closer than we were."

The case of Marichal was more disturbing. The Giants thought he was on the way to camp with the second contract sent to him in his pocket. Instead, the second contract turned up in the mail Tuesday—very much unsigned.

Keeney said he will talk to Marichal by phone and try to at least get him here to negotiate in person. In addition, the big right hander from the Dominican Republic must pay a \$250 fine for playing in unauthorized exhibition games this winter before he can begin his workouts.

Dave Charnley Receives Honor

New York — (UPI) — Southpaw Dave Charnley, lightweight champion of the British Isles, was named "Fighter of the Month" today by the Ring Magazine because of his avenging knockout victory over former world champion Joe Brown.

England's Charnley, who had lost two world title bouts to Brown on a kayo in 1959 and on a decision in 1961, knocked out ex-champion Brown in the sixth round at Manchester, England, on Feb. 25.

Southpaw Dave's impressive victory over "Old Bones" boosted him from seventh to fourth in the world ratings and dropped Brown from third to sixth.

Compacts will race on each of the nine championship race dates scheduled this year by ICNSCC member clubs in Washington, Oregon and British Columbia, and championship points will be awarded. Compacts will also be permitted to run in non-point "feature" races with top-placing sports cars of mixed classifications.

New York — (UPI) — Britain's Royal Ballet will make its seventh U.S. tour this spring, starting with a 33-day stand at New York's Metropolitan Opera House, impresario Sol Hurok announced Tuesday.

The ballet will be at the Met April 17 through May 19, and later will visit Baltimore, Philadelphia, Boston, Detroit, Toronto, Chicago, Seattle, Portland and Los Angeles. It will be the company's first U.S. visit since the 1960-61 season.

Prima ballerina Dame Margot Fonteyn will join the company for the tour, as will Russian refugee Rudolf Nureyev.

FLEXIBILITY!

The Daily Newspaper
Is the Flexible Medium
for Pinning Down Sales

Newspapers don't tie up the advertiser with rigid time schedules or space limitations that weaken the impact and effectiveness of his message. Newspapers offer creative and physical flexibility. An advertiser can use a two-page spread to tell a detailed story or he can use a smaller space to say what he wants in fewer words, depending on his budget and his strategy. The physical flexibility of newspapers means ads can be scheduled quickly to take care of sudden selling opportunities. The daily newspaper is flexible enough to fit any advertising strategy.
