RADIO PROGRAMS—THURSDAY

Table of radio programs for Thursday, listing stations (KYJC, KMED, KWIN, KSFA, KBOY FM, KDOV, KRVC) and their respective schedules from 5:00 AM to 12:00 AM.

Lower Rates To Be Noted Here

Electric rate reductions approved by Oregon Utility Commissioner Jonel Hill for Pacific Power and Light company's service areas in southern Oregon will be reflected in customer accounts within a week following meter readings March 22 and thereafter, the company has reported.

"Customers should begin receiving bills based on the lower rates within a week following the March 22 effective date of the PUC approval," according to Frank Bash, Medford, vice president and Coppo division manager for PP&L.

In approving the rate revisions that will save electric consumers \$1 - million annually, the state utility commissioner noted the rate cut was the largest downward adjustment ever made in Oregon by an electric utility.

The reduction averaging 5.6 per cent represents annual savings of \$543,000 to the 59,000 residential customers and \$500,000 to 9,700 commercial and industrial customers in Douglas, Josephine, Jackson, Lake and Klamath counties.

MOO-O-OS and MUSINGS

If you collect unusual things, it's now possible to buy a pretty neat souvenir from Jimmy Dunlevy's barber.

Dr. Mazo Receives Sloan Study Grant

Eugene—Dr. Robert M. Mazo, associate professor of chemistry and research associate in the Institute of Theoretical Science at the University of Oregon, has been awarded a two-year Alfred P. Sloan Foundation fellowship, it was announced in New York this week.

The unsolicited fellowships are awarded to outstanding young scientists in a program which supports "people rather than projects." Under terms of the grants, the funds are uncommitted, and the scientists are given complete freedom of choice in fundamental research.

Dr. Mazo is one of 66 scientists in 36 institutions of higher learning in the U. S. and Canada to receive the 1963-65 grants which total \$1 million. He is presently working under a Sloan fellowship. The newly announced grant will become effective next September.

Dr. Mazo is a theoretical chemist, whose main area of interest is statistical mechanics, the study of the way in which the properties of individual molecules and their interactions give rise to the gross properties of matter.

Food Stamp Program Falls Below Goal

Portland—The food stamp program, launched in Multnomah county as a trial project three months ago, has fallen far short of its goal, a spokesman said Monday.

Only 26 per cent of nearly 8,000 general assistance recipients in the county were buying the stamps that give them 33 to 35 per cent additional values in buying food items.
