HOUSE OF MUSIC

(Nu Tone Intercom Music System)

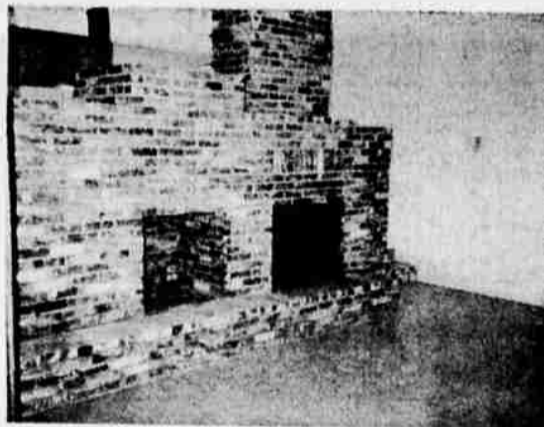

It will be love at first sight when you see this beautiful 3 bedroom, 2 bath, country home. The rich brown vertical siding and the thick hand split shake roof with over hanging eaves give it a warm welcome look. It's situated in a natural surrounding of large Oak trees overlooking Southern Oregon's famous Table Rocks. It's just a short drive from Medford, a drive you will enjoy. So load the family in the car and drive out today and see what we mean by true country living in the beautiful LAND O'MANY OAKS.

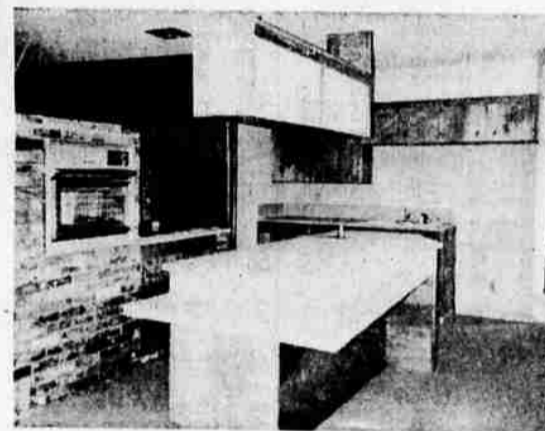

- 3 large bedrooms
- 2 tile baths
- Large covered porch
- Covered patio and double car port
- Lots of Oak trees.

This view shows the entrance and the wood paneled wall of the living room. There's a built in coat closet right by the stairs leading to the kitchen. The floors of this sunken living room are Armstrong MONTINA Vinyl Corlon installed by S & W FLOOR COVERING SHOP of Medford.

As you enter the front door the first thing to catch your eye will be the large used brick fireplace that divides the living room from the kitchen. It has a built in wood storage area and extends almost the full length of the living room.

You'll simply flip over the step saving kitchen. It has a built in work counter, Built in Oven and Range and lots of storage space. At one end of the kitchen is the family room with sliding glass doors to the covered patio. The floors and counter tops are all Armstrong MONTINA Vinyl Corlon for added beauty and long life. Off the kitchen is a separate laundry room with lots of built in storage space.

The intriguing flooring effect in the House Of Music is designed to give it that unusual touch of distinction. MONTINA Vinyl Corlon is a wonderful basis for decorating in the modern manner. The moment you see it you'll think of a dozen decorative combinations that can be built around it's natural styling. The floors, the counter tops, are all the work of the master craftsmen at S & W FLOOR COVER SHOP.

The House Of Music will be open for your inspection all day Sunday and every day for the rest of March. If you want more information about this beautiful home or about other building sites in LAND O' MANY OAKS, see or call Bill Duggan, 855-1138.
