Cal Dean, Ken Jensen Will Start

University of Oregon, Eugene — The University of Oregon opens its 1983 baseball season next week with a six-game swing into northern California.

The Ducks inaugurate diamond activity Monday and Tuesday against the University of California at Berkeley and battle Santa Clara, Stanford, San Jose State and the University of San Francisco before heading for home.

Robbie Snow, lanky junior right-hander, has been nominated by Coach Don Kirsch to hurl the season opener with either junior left-hander Arba Ager or junior right-hander Dale Jensen to handle mound duties in the second meeting with Golden Bears.

A break in the weather the past ten days has given the Ducks an opportunity to work outdoors and Kirsch feels his squad is better prepared for the start of the season than in past years.

The Duck mentor is particularly pleased with the physical condition of his front-line pitchers, stating "They're all ready to pitch nine innings if necessary."

Probable starters for the opener with California, in addition to Snow, are sophomore Jim Householder at first, senior Eric Hardin at second, sophomore Terry Leininger at shortstop, all-league selection Cal Dean at third, Ken Jensen behind the plate and Don Banders, John Livingston and either Rich Depew or Ed Vetter in the outfield.

Kirsch and his 20-man travel squad leave Sunday for their six-game southern junket. The travel roster includes pitchers Snow, Ager, Jensen, Don Doerr, Lloyd Gallaher, and Thatch McLeod; catchers Jensen and Alan Zupo; infielders Householder, Hardin, Leininger, Dean, Sandy Nosler, Doug Porter, Jeff Allen and Doug Werschkul and outfielders Banders, Livingston, Vetter and Depew.

Crater's Mike Glines Among Loop Scorers with 300 Points or More

Central Point — Put Crater high's all-conference player, Mike Glines, among the "300" club members in Southern Oregon conference basketball scoring for the 1982-1983 campaign.

Crater figures tabulated by Coach Lloyd Hoffine show Glines with 301 points. That is two more than shown for the Comet guard in league scoring figures compiled by Jerry Acklen of the Grants Pass Courier.

It just goes to show that scores can differ. Hoffine's totals were from the Comet book. Some of Acklen's tabulations were from books of Crater's rival schools. Totals disagreed by a point or two for all of the Fireball regulars.

Glines was one of three 300 scorers for the Comets this season. Crater tabulation shows Howard Tomlinson, the loop's top point man with 380 and Lou Alvarez, third high in the circuit with 319. .449 Average

Tomlinson headed the Comets in field goal average with .449 and in free shot average with .731. Glines was second high in field goal accuracy with .410 and Pat Pepper in free shot firing with .709. Darryl Summerfield hit .800 at the gift stripe but on far less appearances than Tomlinson or Pepper.

Paul Branson was rebound leader with 287 and Tomlinson next with 271. Branson had 149 offensive boards to 138 by Tomlinson and defensive retrieving Tomlinson had the edge on his teammate 172 to 99.

Glines had the most assists among the Comets, 100. Alvarez was next with 71. Alvarez had the most gains and losses, 66 and 64. Branson was involved in 42 jump balls and Tomlinson in 38.

Crater, as a team shot .388 from the field and .636 from the free line. The Central Point club averaged 65.32 points per game.
