

Cleveland Does Bit Of Reshuffling After 1962 Finish

Editor's Note: This is the fifth of 20 dispatches on the prospects of the major league baseball clubs.

By SCOTT BAILLIE
UPI Sports Writer
Tucson, Ariz. (UPI) — The Cleveland Indians went into last season's American League campaign intent on beating the Yankees and did just that while getting bounced around by other clubs.

As a result, the Tribe wound up in sixth place for its worst showing since 1957. This resulted in a lot of shuffling by President Gabe Paul who released Manager Mel McGaha and hired Birdie Tebbets, his old Cincinnati sidekick, away from Milwaukee as the new pilot.

There also was some action at the trading counter with first baseman Joe Adcock coming over from the Braves to join Tebbets. Bubba Phillips, traded to Detroit, and Fran Funk, sent to Milwaukee, were the biggest names to be dealt off.

Tebbetts talks of opening the season with three rookies. This trio would include shortstop Tony Martinez, third baseman Max Alvis and center fielder Vic Davallilo.

Martinez, who never has played in a regulation major league game, already has been named by Tebbets as the opening day shortstop. In 1962 the Cuban batted .287 to help Jacksonville win the International League pennant.

The slightly built Davallilo hit .348 with the same club while Alvis was a .319 batter at Salt Lake City. He hopes to fill the vacancy created by Phillips' departure.

Right in the middle is Woodie Held, who was one of the best shortstops in the league last year. He can handle anyone of those positions and in his own words finds the current situation "interesting."

While "new blood" gets a hard look at those three spots, some "old blood" is at first base in the person of Adcock. The right-handed cracker probably will be platooned this season with another acquisition, left-handed Fred Whitfield whom the Indians got from St. Louis.

Tebbetts looks to this pair to come up with 37 home runs between them.

Tito Francona has been dispatched back to left field from the first base job which he held last season, while Al Luplow is regarded as the number one right fielder, although he just got out of the service and will require a few weeks to get ready. Other outfielders on hand are Willie Tasby, Willie Kirkland, who changed his mind about retiring, Gene Green and Walter Bond.

The pitching and catching departments are substantially the same as last year. Tebbets says that he doesn't expect to have his hurlers in a pattern until after the season is on. But the key members, all back from last year, are Dick Donovan (20-10), Jim Perry (12-12), Pete Ramos (10-12), Jim Grant (7-10), Gary Bell (10-9) and lefty Sam McDowell (3-7).

Confidence in Nischwitz
Tebbetts thinks that he got a good left-handed relief hurler in Ron Nischwitz (4-5) who came from Detroit in the Phillips deal. Bell, starting his sixth season at Cleveland, did a good job in relief last season and might retain the assignment.

In a late swap, the Indians also obtained right-hander Jerry Walker (8-9) from Kansas City in exchange for Chuck Essegian. The latter had become a favorite with Cleveland fans in pinch-hitting roles but Paul said that a team always can use added mound insurance.

John Romano and Doc Edwards give Tebbets two good catchers. Romano is regarded as one of the league's best and Edwards is an "old pro" type although only in his second big league season.

Milwaukie Tourney Announced

Milwaukie — The bowling season in Oregon is now heading into the home stretch with thousands of teams throughout the state competing for top honors in their respective leagues.

Most of the successful keepers in this massive 10-pin competition will be participating this May in the fourth Annual Tournament of Champions at Milwaukie Bowl, the details of which were announced this week by co-promoters Bud and Champ Husted.

The Tournament of Champions is open to all first and second place sanctioned league teams in Oregon. Last year over 1,800 bowlers rolled at Milwaukie in what has become one of the top prestige bowling tournaments of the Pacific Northwest.

The 1963 chapter of this popular tournament will feature three major format additions. For the first time since the tournament's inception a mixed doubles division has been created, and a separate division for junior bowlers has been added. Also, separate squad times have been established for housewives during the week of May 20 to 24.

The Juniors will open the Tournament on April 20 and will bowl on three consecutive Saturday afternoons. The adult action will swing into play on Saturday, May 11, and will run on weekends through June 2.

Adult entries will close on May 9 but earlier reservations are suggested for prime squad times.

Southern Oregon Track Team To Vie In Four College Meets Saturday

Track prospects for the coming season for the Southern Oregon College track team will be unveiled this Saturday when the Red Raiders travel south to meet Sacramento State College, the Santa Clara Youth Village, and San Jose State College in a quadrangle meet in Sacramento.

This will be the season's opener for the Raiders, who are the O.C.C. and N.A.I.A. defending champions.

Defeated in only one dual meet last year (and that by only one point—by Humboldt State), the Red Raiders are looking forward to another good season. Coach Dan Bulkeley pointed out that only three lettermen are missing from last season's championship team—Kern Bennett in the sprints, Howard Hartman in the hurdles, and Charles Swingle in the 440.

Returning lettermen include: Doyle Branson, O.C.C. and NAIA champ in the 100, 220, and broad jump; Fred Thomas, sprints, broad jump and high jump, and NAIA champ in the hop-step-jump; Dave Graham in the 220 and 440; Ken Coffman in the 440.

Castle Lake Becoming Popular With Anglers

Yreka — In 1962 there were 70 per cent more anglers fishing at Castle lake over the previous year, hence more fish caught.

The Department of Fish and Game advised the Shasta-Cascade Wonderland association of the 1961-62 creel census when association officials sought tangible evidence of the effect of a promotional story that appeared in the June issue of Sunset on the

"52 Lakes of Trinity Divide." The association's query resulted from 1,500 inquiries received in the office following publication of the story.

Castle lake has the only forest service campground in the Trinity Divide region which covers portions of Siskiyou, Shasta and Trinity counties.

The number of anglers jumped from 852 to 1,213 in 1962 and the total fish netted increased from the 1961 figure of 2,250 to 3,040. A check shows that of the total fish caught in 1962, 69 per cent were rainbows and 31 per cent were brook trout. During 1961, 1,751 or 78 per cent were rainbows and 22 per cent were brookies.

Also contributing to increased visitations was the paving of the road to the lake. The forest service advised the association that it plans to construct a 50 unit campground in 1965, provided funds will be allocated.

Yreka — Steelhead are running in the Klamath river in record numbers.

Fishermen reported this week limit catches every time they hit the water with their lures between Happy Camp to Hornbrook, a distance of 75 miles.

"It's a record run," reported John Regimato of the Shasta-Cascade Wonderland association. "Everybody gets a limit of three fish weighing an average of five pounds each. They use lures for the best results."

Steelhead were first noticed making a spring run on the Klamath river last spring, and they returned in big schools this time.

Committee To Hear Burnett's Testimony
Atlanta (UPI) — A state investigating committee early next week will listen to an Atlanta insurance man's story of a telephone call in which the 1962 Georgia-Alabama football game allegedly was rigged.

George P. Burnett will tell his story to assistant State Atty. Gen. George Therrell, named by Atty. Gen. Eugene Cook to investigate Burnett's account of the alleged fix.

The Santa Clara Youth Village is an athletic club featuring primarily ex-college stars, including Bobby Poynter, ex-Santa Jose sprint star, Fran Washington—a former national champ in the hurdles, and many other stars. San Jose State will be entering its athletes in some special events and mixing up its athletes in the other events to try to even up the competition.

Special Olympic events to be run include a 6 mile run, a 3 mile walk, the Sleepchase, a 440 relay, and hop-step-jump, and 330 in hurdles instead of 220 low hurdles. While the Raiders will not be at full strength for this meet, Bulkeley hopes to have entries in every event except the 3 mile walk.

Although the Red Raiders will be competing over their heads as far as the Youth Village and San Jose are concerned, Bulkeley hopes to compete on even terms with Sacramento State, and hopes the stiff competition will be good for his team. The team will be leaving Friday afternoon and returning Sunday.
