Value of Permits In City Decreases

Valuation of building permits issued by Medford last month dropped by \$159,889 from the same month in 1962, according to the monthly report of municipal activities. Total for last month was \$390,689.

Permits were issued for 21 single family residences with a valuation of \$238,900 which accounted for the major portion of the month's permit valuation.

Of the permits issued for commercial construction or remodeling was one to Edison and Pappas to convert the old Jackson County Federal Savings and Loan association building into an arcade. Cost is estimated at \$40,000.

A total of 3,232 planes landed or left from the municipal airport, the report shows. A total of 1,697 passengers left from the airport during the month and 1,620 arrived.

During the month the fire department responded to 46 alarms and the rural fire district department to 10.

Neal Named Head Of Oregon FFA

Patrick Neal, president of the Crater FFA chapter at Crater High school in Central Point, was elected president of the Oregon Future Farmers of America at its annual state convention last week in The Dalles.

Alan Bray, another chapter member, was named winner of the state speech contest. He will go to the national FFA convention in Kansas City in October to compete in the western sectional contest.

Ron Stith, also of Crater FFA, was one of five winners in the co-op test. He will go to Omaha, Neb., for a week's sightseeing and educational tour with Neal July 29 through Aug. 6.

Neal also won a \$500 scholarship, but must postpone college a year to fulfill his duties as state president. In the next three weeks he will attend state FFA conventions in California, Washington and Idaho.

Bob Ryan, Alan Bray and Neal also were named state farmers. Chapter advisors and instructors are Darrell Shepherd and Bill Jeskey.

Flammable Liquids Subject of Course

Central Point - The Central Point volunteer fire department is taking part in a fire fighting course on flammable liquids and liquid petroleum fires. Mitchell Milich, engineer with the Medford fire department, is instructor.

On April 7 the firemen will put the methods they are learning into practice by putting out spilled gasoline and propane tank fires. The drill school will be held near Crater High school.

Capt. Vern Ritchie, Medford fire department, is coordinator for all fire training for the department of vocational education, fire services division, for southern Oregon.

Committee Appointments Made by Medford Council

Several committee appointments were made by Mayor James Dunlevy and approved by the Medford city council Thursday night.

Appointed to the boxing and wrestling commission was Dr. Eugene Meyerding, and to the permanent airport committee were Robert Larson, Robert Baxter, and Councilman Robert Cunningham.

In other action, the council approved a call for bids on the Jackson park diving pool, which it is hoped, will be opened in July.

The council also approved a resolution adopted by the planning commission which calls for combined planning of the land south of Barnett rd. and east of Riverside ave. by city and county.

Continue Airport Lease - Heard a progress report from the freeway sign committee. It was stated that an ordinance will be presented to the council for action at its April 4 meeting.

Two SOC Faculty Members Selected

Ashland - Dr. Franklin W. Sturges, assistant professor of science, and Duval J. Prey, instructor in science at Southern Oregon college, have been selected to participate in the Institute in Radiation Biology at Cornell university this summer.

Sponsored by the National Science Foundation and the U.S. Atomic Energy Commission for college biology teachers, the 10 participants were selected on the basis of professional competence and capacity for further development through participation in the Institute.

Purpose of the program is to provide a core program of study that will give to college teachers of biology a broad understanding of physical concepts in application to modern aspects of biology with emphasis on radiation biology.
