Firemen who were summoned about 6:50 o'clock this morning said also that water damage occurred to the interior of the residence but that almost all contents were removed with minor damage.

The blaze started inside a partition from a wood-burning stove and terra cotta flue, the owner said. Fire extended to the attic and the roof which was covered with heavy tar paper and two shingles. It was necessary to remove all shingles from the part involved in the fire.

A brush fire on the Martin Heikamp property, 2929 South Pacific highway, resulted also from a trash fire. It occurred about 6:15 p.m. There was no damage except to fence posts.

Firemen went to the 2800 block on Lone Pine rd. when a blaze was reported at 5:05 a.m. The fire turned out to be in orchard heaters. Minor smoke damage resulted at the Ashley Powers residence, 225 Cottage st., from sawdust burning in a furnace hopper.

However, reliable sources said Stevenson said that any doubts of U. S. resolution to carry out its obligations to its European allies are entirely without foundation.
