Argentine Leader Appeals To People

Buenos Aires – (UPI) – President Jose M. Guido appealed to the Argentine people Wednesday night to support his government's "national unity" program in the campaign for the election scheduled June 23.

In a nationwide radio-telecast, Guido said it would be a "catastrophe" if the nation's splinterized political parties fail to unite behind a single slate of candidates for the principal offices at stake.

Interior Minister Rodolfo Martinez, principal architect of the government plan, resigned Wednesday under pressure from the army. An official spokesman said Guido also might quit if his appeal is not heeded.

The president defended his government's controversial efforts to enfranchise supporters of ousted ex - President Juan D. Peron, which is the reason for military opposition to the election program.

Talent-Phoenix Concert Tonight

The combined elementary school advanced bands of Talent and Phoenix will present a concert at 7:30 o'clock tonight in the Talent school gymnasium.

Directors will be Harry Kannasto, Talent, and Gary Bonical, Phoenix.

Prior to the concert reports will be given by the executive committee of the Music Boosters. Refreshments will be served following the program.

Cobalt is lacking in parts of Washington. Feeding trace mineralized salt will help correct this deficiency.

Local Kiwanians Note Education Day at Luncheon

Kiwanis Education Day was observed yesterday at the noon luncheon meeting of the Medford Kiwanis club at Rogue Valley Country club.

Dr. Merle Foland, division lieutenant-governor, paid his official visit to the club and nine men were formally inducted into membership.

Victor Milnes, chairman of the club's education, fellowship and interclub committee, was in charge of the program. Dr. Foland, Club President Curtis Nesheim and Dr. L. Paul Walker were speakers. Foland and Walker are Medford club members. Walker, Pacific Northwest district Kiwanis education committee chairman, conducted the induction.

Those inducted were Mark Taylor, Norm Henklemen, Dr. Otto Emig, Truman Nelson, George Witter, Harold Soballe, Dale Hearell, Dr. Scott Jennings and Jack Turton.

Clubs Make Kiwanis

"It's the clubs that make Kiwanis," Dr. Foland told Kiwanians. "It's up to you to do the job." He gave background information on the service organization and outlined training program from the international officers down to club level. He likened the training procedure to the passing of a baton, said its purpose was to stimulate activity of clubs and emphasized the need "to hold onto the baton."

Dr. Foland urged members to attend district and international conventions to get an insight into Kiwanis.

Dr. Walker told the inductees, "You are all hand-picked men." He declared that human and spiritual values are more important than the material things of life. He spoke of the aims of Kiwanis to emphasize spiritual values and practice of the Golden Rule in daily life. The education chairman said that the service club is organized for its members to do something for someone else besides themselves.

Walker described Kiwanis as "a way of life."

President Nesheim outlined club history and projects.

David Brown, assistant pastor of First Presbyterian church here, was introduced as a transfer Kiwanian from San Francisco and Robert Taylor, associated with the Dale Carneigie course, as a club member-to-be.

Book by Scientist A New Best Seller

New Rochelle, N.Y. – (UPI) – A new best seller goes in circles. It's a record album featuring Dr. Edward Teller discussing the size and nature of the universe and – honestly — The theory of relativity.

Spoken Arts, producer of the album, reports run-away sales since Teller has been given a Fermi award. The physicist makes the diffucult subjects understandable to the intelligent layman.
