

Election Slated In Eagle Point on School Budget

Eagle Point—An election on the budget for School District 9 has been scheduled Wednesday, April 17. Polls will be open from 2 to 8 p.m. Voting will be at three different locations. Voters in precincts 14, 19, 20, 21, 22, 73 and 73B will cast ballots at the Eagle Point High school gym, precincts 25 and 26 at Shady Cove school and precincts 23, 24 and 74 at Elk Trail school.

The school budget calls for a tax levy of \$726,386.84. Of this amount \$89,597.63 is inside the 6 per cent limitation, \$542,799.37 is outside the 6 per cent limitation and \$93,989.84 is not subject to the 6 per cent limitation because it is for bond and interest retirement.

Increase Over 1962
This is an increase of \$74,327.61 over the amount that was voted this year.

The increase in the school budget is due to increased operational costs and the need for more certified and non-certified personnel to accommodate the rising school enrollment, school district officials said.

General fund expenditures include four new teachers; two for the lower grades, one for the intermediate grades, and one new high school science teacher. Two part-time clerical assistants will aid in cataloging and processing books for the grade school libraries.

An amount has been included as part payment of the speech therapist who will be employed by several school districts in the county. New furniture and equipment is needed to accommodate the increased enrollment, officials said.

SELECTED
Ashland - Dr. Elliott MacCracken, chairman of the science-mathematics division at Southern Oregon college, has been selected to participate in the National Science Foundation sponsored conference on Mathematics for College Teachers of Engineering and Associated Sciences at the University of Washington, Sept. 9-13.
