Burglar With Sweet Tooth Enters Shop

A hungry burglar, apparently with a taste for sweets, broke into the L.I. Donut Maker, 703 East Main St., early Sunday, according to Medford city police.

The burglar consumed six cinnamon rolls, with an estimated value of 72 cents. Nothing else was disturbed. Officers said he gained entrance through a sliding glass door on the east side of the building.

You can make a good dinner out of a galvanized garbage pail if it's given a couple of coats of enamel inside.

Foreign Aid Said Sound Investment

Washington—(AP)—Defense Secretary Robert S. McNamara said Monday that the nation is getting its money's worth from the \$4.5 billion foreign aid program.

Testifying before the House Foreign Affairs Committee, McNamara said foreign aid was a sound investment that "yields excellent dividends to the security, foreign policy and general welfare of the United States."

There is no easing of cold war tensions that would justify cutting the military assistance phase of the aid program, McNamara said.

Pointing to the Chinese attack in India, the war in Viet Nam, and Communist infiltration in the Congo, McNamara said the incidents point up communism's "continuing drives" to dominate the world.
