

# Mahaffey's Curve Gets Phils Off Winging in National Loop

**By DICK JOYCE**  
UPI Sports Writer

All Art Mahaffey's got is a blazing fast ball and a nickel curve, according to baseball know-it-alls, but that big hummer was good enough to get the Philadelphia Phillies off winging in the National league pennant race.

"Just let him throw that fast ball," says Phillie Manager Gene Mauch. "He doesn't need those other pitches."

The Cincinnati Reds found that out for the second straight opening day when the big righthander pitched a four-hitter and struck out 10 in a 2-1 victory Tuesday night.

"It was just fast balls," Mahaffey said after the game.

"I threw only five breaking pitches all night," Mahaffey, a 19-game winner for the Phillies last year, suffered from a painful right shoulder during spring training but his opening night performance apparently has dispelled any of Mauch's worries.

**Defeat Joey Jay**

The Phils, long-time doormat of the senior circuit but the best team in the league for the second half of last season, defeated 21-game winner Joey Jay for the second straight year on opening day.

Don Demeter's single drove in the first Phillie run in the fourth inning and the clincher came in when Gordy Coleman muffed a double play ball in the sixth.

The Reds rallied in the ninth off Mahaffey when Frank Robinson singled and John Edwards doubled, him home with one out, Mahaffey then flied down, striking Gene Freese and Tommy Harper.

The National league champion San Francisco Giants and the Los Angeles Dodgers, rained with Cincinnati as the top contenders for the NL flag, won their opening day contests.

Four home runs — by Willie Mays, Orlando Cepeda, Willie McCovey and Felipe Alou — led the Giants to a 9-2 victory over the Houston Astros and 25-game winner Don Drysdale of the Dodgers beat the Chicago Cubs, 5-1.

In other games Ernie Broglio pitched a two-hit, 7-0 victory for the St. Louis Cardinals over the New Mets, and

Ted Savage's two-out pinch single paced the Pittsburgh Pirates to a 3-2 win over the Milwaukee Braves.

Jack Sanford, a 24-game winner for the Giants last season, pitched five-hit ball for five innings before giving way to Jack Fisher, who retired all 12 Coits in order. The 90-degree heat and Sanford's base-running — he hit a triple and a single, driving in three runs — caused the Giant righthander to tire.

The Giants raked four Houston hurlers for 17 hits, with starter Dick Farrell getting the loss.

Maury Wills of the Dodgers, the NL's most valuable player in 1962, suffered an injured ankle as he tried to score in the third and had to be replaced. Drysdale spaced 11 hits and was helped by three double plays. Rookie Ken McMullen drove home two runs for the Dodgers as Larry Jackson took the loss for Chicago.

Larry Burright of the Mets got the only hits off Broglio in the first and ninth innings. In between, the Card righthander set down 20 straight Mets. Bill White's homer and George Altman's four hits led the Cards' 14-hit attack — 12 of them coming off Roger Craig.

Bonus baby Bob Bailey and veteran Smoky Burgess honored for the Pirates, who beat lefty Bob Hendley. Relief ace Elroy Face picked up the victory.

# Giants Did Everything Just Right

Houston — (UPI) — Manager Alvin Dark, not given to over-enthusiasm, said Tuesday that the San Francisco Giants "did everything right" in their opening 9-2 win over Houston.

What else could the Giant pilot say after San Francisco had mauled four Colt pitchers for 17 hits while Jack Sanford and Jack Fisher joined in a 5-hitter?

"Man, that's got to be the hottest opening game ever," Sanford said after Tuesday's win. He said he sweated off eight pounds in five innings, 12 in Row.

Sanford allowed only two singles over five innings, but surrendered three hits and two runs before giving way to Fisher in the sixth. Fisher retired 12 men straight.

Dark said he was especially pleased with Fisher's showing. "I'm going to use Fisher every way I can," Dark said. "The more he pitches, the better he gets. I'm going to start him, pitch him in the middle innings and have him come in late."

Dark also lauded Sanford's performance and said he pulled him only because he believed that was as long as the big guy could go in the heat.

# Death Penalty Bill Before Assembly

Sacramento — (UPI) — A bill to grant a limited 4-year moratorium on the death penalty in California, as an experiment in homicide rate, was before the assembly today with committee sanction.

The measure, strongly backed by Gov. Edmund G. Brown, cleared the assembly Criminal Procedure committee Tuesday night on a close 6-4 vote.

But it faces an uphill fight from now on.

Introduced by Assemblyman Lester A. McMillan (D-Los Angeles), the measure is given a more than 50-50 chance of passing the lower chamber. But the senate is another matter.

In the 19 times California's legislature has considered the repeal of the death penalty since 1933, the senate has never let a bill out of the crucial judiciary committee.

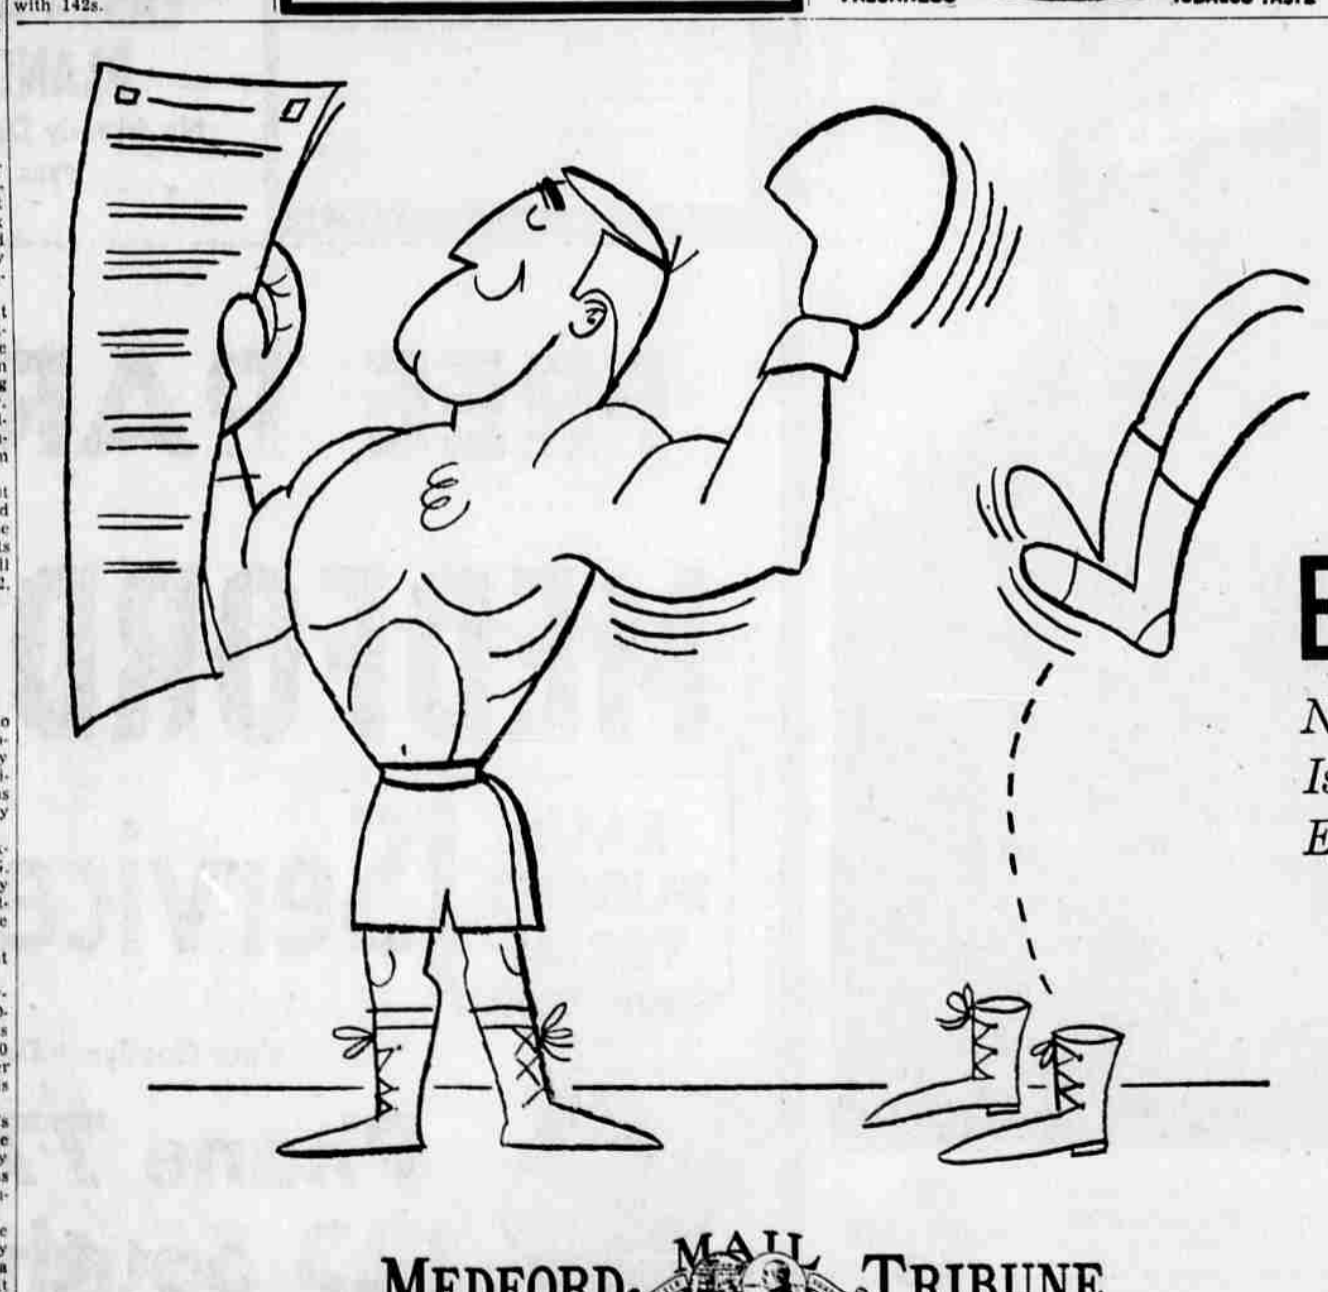

The bill is expected to come up for assembly action early next week but it will be a month after that before it faces the Senate Judiciary committee.

# McBride Satisfied He Passed Big Test

Los Angeles — (UPI) — PITCHER Ken McBride was satisfied today he had passed his big test since last season's hard luck setback and hoped he would be allowed to work every fourth day for the Los Angeles Angels.

The smooth-throwing right hander demonstrated his fitness Tuesday night when he set the Boston Red Sox down on four hits while pitching the Angels to a 4-1 victory. Only Carl Yastrzemski's lead-off homer in the seventh inning kept McBride from achieving a shutout.

The win was McBride's first since he suffered a cracked rib last July 21 although he made two late-season starts and lost them both. He still had an 11-5 record for 1962.

Newspaper Advertising Is a Powerful Factor in Effective Retailing

In local advertising there's just one Champ—the daily newspaper. It's the retailer's own ad medium, and local advertisers back up their belief in this power-packed medium with a \$2.7-billion-a-year investment — more than in all other media combined. The flexibility of newspapers makes it easy for retailers to tie-in with national advertising, adding to their own local selling effectiveness. Put more power in your advertising punch. Use the hard-hitting daily newspaper.
