Officer Assigned To Detective Post

Medford police Patrolman Richard Hurner, 24, has been temporarily assigned to detective division to replace an officer injured in a traffic accident last Friday...

Hurner, who resides at 1233 Stevens st., joined the city police department in January, 1960. His assignment with the detective division is expected to last the remainder of this week.

He is filling in for Detective Milton Hanson, who is hospitalized with a whiplash, which he sustained when the patrol car in which he was riding was struck from the rear Friday night by another vehicle.

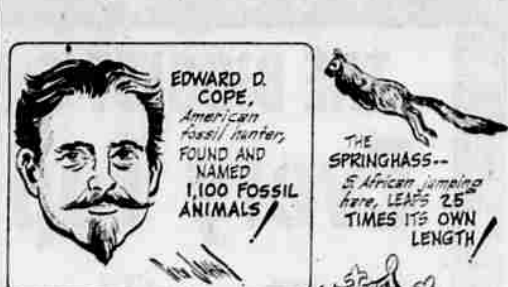

The detective division is temporarily being headed by Keith M. Gildesgard in the absence of Lt. Lyle C. Perkins, who is attending the FBI training school in Washington, D.C.

Due to paltry poultry conditions, Easter eggs are expected to be extremely scarce this year. If you want any, you'd better make a direct deal with some chicken right now to get them on the layaway plan.
