News About Servicemen

NAMED

Radioman Seaman Apprentice Terry Tarvin, son of Thayer Tarvin, Sterling Creek rd., Jacksonville, has been named the outstanding member of the year of the Triangle club of the San Diego Armed Services YMCA.

Tarvin, who is attending radioman school at the U.S. Naval Training center, was active in the Y Men's club of the Medford YMCA while attending Medford High school. The Triangle club is similar to the Y Men's club. He was chaplain of the Hi Y club here.

GRADUATED

Airman First Class Floyd D. Van Volkenburgh, Medford, was graduated recently from the Noncommissioned Officer Preparatory school at Beale Air Force base, Calif.

The airman is an aircraft structural repairman in the 456th Organizational Maintenance Squadron at Beale.

COMPLETES COURSE

Airman Apprentice Kenton L. Mathewson, son of the Rev. and Mrs. K. L. Mathewson, 302 South Grape st., was recently graduated from the Aviation Structural mechanic hydraulic course at the Naval Air Training center, Memphis, Tenn.

Prior to this school, he completed two weeks at the Aviation Familiarization school and four weeks in mechanical fundamentals.

AT MIDWAY ISLAND

Communications Technician Third Class Val H. Lake, 311 Haven st., Medford, is serving at the U.S. Naval station, Midway Island.

Lake is the son of Mr. and Mrs. R. T. Lake, 311 Haven st., Medford. Lake attended Medford High school before entering the Navy in February, 1960.

Portland Woman Declared Guilty

Portland – (UPI) – Mrs. Star Elaine Wallace, 32, Portland, has been found guilty of manslaughter by a Circuit Court jury. The vote was 10 to 2.

Circuit Judge Richard Burke earlier in the day revealed that the two jurors were threatened over the telephone that they would be "cut up" if they did not vote for acquittal. He said the calls were made late Sunday night.

The jury deliberated five hours. Mrs. Wallace had been charged with second degree murder for the fatal stabbing of her husband, Jack, at their houseboat last year.

Burke scheduled sentencing for Thursday.

Shell To Resume Coastal Drilling

Portland –(UPI)– Shell Oil Co. plans to resume test drilling off the Oregon coast May 1, according to vice president S. F. Bowlby.

Bowlby said Shell plans to step up its hunt for offshore oil deposits despite the fact that many companies have lost hope in Oregon after 180 dry holes.

Technological breakthrough and the failure of western oilfields to meet demands have spurred the search, he said.

He said layers of volcanic matter which covered the sediments in which oil normally appears may decrease further out to sea. His company plans to explore the continental shelf which extends from 20 to 150 miles off the Oregon coast.

Redwood Chosen For Warmth and Color

Natural warmth and vibrant color have helped make redwood one of America's favorite building and home fix-up materials.

It boasts a versatility for both indoor and outdoor applications.

Outdoors, redwood is the popular choice for siding, patio, shelters, fencing, and decking.

Redwood is used for handsome accent walls, enhancing the attractiveness of other walls and furnishings.

Redwood panels and cabinets help impart a rich, inviting look to kitchens and breakfast nooks.

TRANSPLANTING

The best time to transplant chrysanthemums is the early spring at which time they should be divided, the old woody center plant discarded and only the young outside shoots planted.

Do FALSE TEETH Rock, Slide or Slip?

FASTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, pasty taste or feeling. FASTEETH is alkaline (non-acid). Does not sour. Checks "plate odor breath." Get FASTEETH at drug counters everywhere.
