**Shady Cove Grange**  
The Shady Cove Grange met recently with Master Johnie Minor, presiding.

Committee reports were made by Mr. and Mrs. Ed Houston, who told of the Shady Cove school beautification project which is coming along fine with new landscaping under way at the school. Thomas Terry was obligated in the third and fourth degree.

Mrs. Ernest Seggesenman was reported to be home from the hospital, and members, Mr. and Mrs. Reed McKay, who have been ill this winter, were said to be better.

Nat Etzel, Eagle Point High school, showed colored pictures taken during his recent visit to Czechoslovakia and Austria. At the close of the meeting refreshments were served by hostesses Mrs. Mary Cassal and Mrs. Chet Calloway.

Two new members who have recently moved to Shady Cove, Mr. and Mrs. Owen Austin, were welcomed by the Grange members.

The Home Economics club of the Shady Cove Grange met at the home of Mrs. C. A. Posey, Crater Lake highway, on Tuesday, April 9. Chairman, Mrs. Lewis Dusenberry, called off committee reports. Mrs. Travis Littlefield reported on her table decorations at the Shady Cove School cafeteria.

The Shady Cove Grange will be hosts to the Pomona Grange on April 24 so the club members made plans for the dinner and program for that event. Further plans were also made for the rummage and plant sale to be held at the Shady Cove Fire house on May 24.

The May meeting of the club will be held at the home of Mrs. Mary Cassal on Lewis creek, Trail, Tuesday, May 14.

## Enforcement of Marine Laws Noted

The Jackson county sheriff's office will aim for strict enforcement of the state marine law this year, according to Sheriff De Armond Leigh.

"My primary concern is for better and safer boating and we will be available for any assistance needed as well as for enforcement," the sheriff said.

He recommended the following safety precautions: Carry at least one Coast Guard approved life preserver for each person, have proper lighting equipment for after dark operations, display the proper boat identifying number on the bow if eight horsepower or more is used plus an annual boat license if the boat is 12 feet or longer.

Also, the boat should not be overloaded. The operator must have a valid certificate of the boat's identifying number on his person, Leigh said. All boats will be checked at launching sites.

## Building Permits Compared for March

Building permits decreased in Medford, but increased in Grants Pass in March, 1963, compared to March, 1962, the University of Oregon bureau of business research has reported.

In March, 1963, the Medford total of \$742,285, compared to \$1,053,961 in the same month last year. In Grants Pass the recent total is \$142,600 compared to \$124,200 in March, 1962.

Medford had a total of 28 units in new dwellings started during the month for a valuation of \$349,900, which indicated an increase in motels or apartments. In Grants Pass seven new dwellings were started with a valuation of \$90,500, showing an increase in new homes.

## Armed Forces Day Activities Listed

Klamath Falls - Kingsley Field has announced plans for Armed Forces day to be held Saturday, May 18.

A downtown Klamath Falls parade will be held that day followed by an open house on the Kingsley Field flight line. Approximately 13 aircraft from all services will be displayed, according to the planning committee. Emphasis will be on a display of Century Series aircraft, the most modern fighter planes in the nation's Air Force inventory.

Further details on the day's events will be announced as completed.
