TO RELEASE PRISONERS

Tokyo-07-Communist China announced Monday it will release 439 more Indian soldiers captured during the border fighting last fall. It said they would be turned over at Bang Pass near the Tibetan border May 8.

Some Are Unaware Of Veterans Benefits

Portland - Almost three years after the law was passed, many widows and orphans of World War II and Korean Conflict veterans are unaware of their eligibility to pensions, according to R. J. Novotny, manager of the Portland Veterans Administration regional office.

Before July 1, 1960, widows and children of World War II or Korean servicemen were entitled to pensions only if the deceased veteran had a service-connected disability at the time of his death.

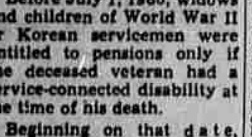

Beginning on that date, Congress provided pensions for the widows and orphans of the veterans on an equal basis with the pensions granted to World War I veterans' and orphans. It is no longer necessary for the veteran to have had a service-connected disability, Novotny said.
