

# Stocks Make New Highs Despite Final Hour Selling

New York—(UPI)—Stocks backed from their highs in the final hour today but managed to make new 1963 highs.

Among the heavyweights, General Electric rose more than a point and American Telephone showed good fractional strength.

Chrysler showed the biggest gain in a firm motors section. Steels were held in check and U.S. Steel eased after reporting the lowest first quarter earnings in 15 years.

A majority of the leading chemicals, international oils and rails made fractional progress.

**DOW JONES AVERAGES**  
New York—(UPI)—Dow Jones final stock averages: 30 industrials 719.67, up 1.97; 20 railroads 164.28, up 0.50; 15 utilities 136.87, off 0.27, and 65 stocks 254.40, up 0.45. Sales Wednesday

were about 5.05 million shares compared with 4.68 million shares Tuesday.

## Play Scheduled by Talent Students

Talent—A three act mystery comedy, "Finders Creepers," will be presented by the Talent Junior High school student body at 7:30 p.m. Thursday, May 2, in the Talent Grade school gymnasium.

The story is woven about the experiences of two teenage boys, who are invited to a week end with an uncle, who is, unknown to them, an undertaker.

Included in the cast are Bob Clark, Mike Burrell, Sam James, Mary Johnson, Trudy Stone, Becky Bertrand, Robyn Goodrich, Bill Bagley, Liz Beebe, Mike Sweeney, Marcia McGeary, Richard Cole, Claude Campbell, and Laurel Unruh.

**FOR DEAR OLD MILLS**—Mills College student Suzanne Smith, 20, of Enumclaw, Wash., gets an unexpected foot rub from "Effie" while aboard the elephant at Knowland State Park in Oakland, Calif. Complete with sari and gari, Suzanne boarded the pachyderm to serve her apprenticeship as mahout (rider) for the second annual Elephant Racing Meet at Los Alamitos race track May 10. Miss Smith was chosen by fellow students as mahout because as a visitor to India last July she had a ride aboard the Maharaja of Mysore's prize bull elephant. (UPI)

# Bill to Permit Broadcast of Legal Notices Clears Senate

Salem—(UPI)—The Oregon broadcasting industry scored a major victory Tuesday with passage of a bill that would permit radio and television stations to broadcast legal notices.

The Senate bill—which deals with the formation of port districts—now goes to the House. The measure contains an amendment which makes it permissible to give public notice "on one or more radio or television stations serving the area."

The broadcast notice would be in addition to regular publication in a newspaper of general circulation.

## Medford Man Hurt In One-Car Mishap

Robert Alfred Wiegand, 45, of 1300 East Main st., Medford, was reported in critical condition at Rogue Valley hospital this morning following a one-car accident last night at the intersection of Roxy Ann and Hillcrest rds. Wiegand is being treated for arm injuries, fractured back and ribs and head lacerations, hospital attendants reported.

State police said the car failed to negotiate a curve, went over a bank, through a fence and stopped near a tree where the car tipped onto its side.

Sen. Glen Stadler (D-Eugene) a radio station executive, said it was the first Oregon legislation to enable broadcasting of public notices.

Historically, such notices are published in newspapers. He said he already has asked the Legislative Council committee to make an interim study and prepare a bill for the 1963 session to add the "permissive" clause to all state laws where public notice is required.

## Influence Peddling Measure Approved

Salem—(UPI)—A measure intended to discourage legislators from getting jobs for friends at the state's race tracks was approved Tuesday by the senate committee on state and federal affairs.

The measure is a policy statement against legislators giving endorsements for race track jobs. It says nothing about legislators themselves working at race tracks, a situation that sparked some heated words earlier in the session.

Washington Has Law  
Karl J. Nestvold, Eugene, manager of the Oregon Association of Broadcasters, said "Washington state has used broadcast notice for several years and has a provision that the state can use newspapers, radio or television to publicize constitutional amendments."

Neither Nestvold nor Stadler knew of any other state which authorized broadcasting of legal notices.

## Gas Tax Bill Dies In House Committee

Salem—(UPI)—A bill to increase the state gasoline tax from six to seven cents a gallon was killed Tuesday by the House Highways committee, 5-4.

Its supporters had urged its passage to help finance extra work on "have-not" highways. Opponents included some legislators who are unhappy over the way the State Highway commission spends its money.

## Local Firm Buys Timber from FS

Medford Timber company, Medford, was lone bidder this week for 7,150,000 board feet of national forest timber in the Cold Springs Blowdown area, Prospect Ranger district, Rogue River National forest.

Forest Supervisor C. E. Brown reported the bid totaled \$70,357.30, the forest service appraised price.

The timber in the unit consisted of 6,240,000 board feet of Shasta red fir bid at \$10.20 per thousand board feet and 910,000 board feet of white fir and other species bid at \$9.25 per thousand board feet.

In another sale, Medford Corporation was high bidder for 5,060,000 board feet of timber in the West South Fork area, Butte Falls Ranger district, Rogue River National forest.

Brown said the high bid totaled \$69,250.50, compared to the appraised price of \$64,736.50, an increase of 7 per cent.

Next high bidder in the oral auction for the timber was Steve O. Wilson of White City. Other bidder was Kogap Manufacturing company.

The timber in the unit consisted of 1,870,000 board feet of Douglas-fir bid at \$14.70 per thousand board feet; 1,480,000 board feet of ponderosa pine, western white pine, sugar pine, and Jeffrey pine bid at \$14.25 per thousand board feet; and 1,710,000 board feet of white fir and other species bid at \$7.50 per thousand.

## Foreign Briefs

**SEVEN KILLED IN PLANE CRASH**
