Gold Hill Librarian Honored on Retirement

Gold Hill—Tribute was paid Mrs. Jewel Routh, retiring librarian, by more than 60 friends who attended an open house and silver tea at Gold Hill branch Library during National Library week. Mrs. Ferd Jones, a Jackson county library trustee, had charge of arrangements for the open house held April 25 from 2 to 5 p.m.

Mrs. Routh retired April 30 after 20 years as librarian here. She has served since May 1, 1932 in that position. Prior to that date she had been a substitute librarian. It was announced during the open house that Mrs. Frances Brown has been appointed librarian. She will take up her duties today. A gift in the form of a unique money tree was presented Mrs. Routh for the faithful way she had performed her librarian duties throughout the years. The tree was made for the occasion by Girl Scouts of Troop 55. Scouts also made gay book covers that contained small envelopes which were used by friends who wished to write a message and to contribute to the silver tea gift fund. These books were hung on the tree.

Eight large pictures which hung in the former library room for several years and were moved to the present location two years ago will remain as a gift to the Gold Hill Branch library. Mrs. Routh stated. These pictures were presented to the library by her son, Bob Routh. He took the pictures, enlarged, framed and hung them. Three oil paintings are Crater Lake National park and TouVelle park scenes. Others are in black and white.

Also included in the gift to the library are three smaller pictures of a white cat that was a steady visitor at the library until his death. Bob Routh had made a study of the cat as he browsed about the library on his many, many visits, and the result was three pictures that have been favorites of those visiting the library for several years. Mrs. Routh said she has no immediate plans for the future other than to rest, and help her son in his photography shop. She is a member of Concord Spiritualist chapel, Gold Hill and is on the board of directors.

Mrs. Jones was assisted by Mrs. Ogden Kellogg, Mrs. Paul Holderness, and Mrs. Brown, new librarian. Members of Amethyst Rebekah lodge, Gold Hill Grange, Gold Hill Garden club and Parent-teacher association helped with decorations, refreshments and serving. Mrs. Ray Kallista, 1963-64 P.T.A. president, and Mrs. Brown poured. Serving cookies were Mrs. Jones, Mrs. R. M. Gray, Mrs. Kenneth Fluck, and Mrs. Kellogg. Arrangements of spring flowers decorated the room. The library will be open 20 hours a week. Hours will be 2 to 5 p.m. on Monday through Friday of each week.
