Butte Falls Edges Prospect 3-2 To Win County B Title

Ashland - Butte Falls won the Jackson County Class B baseball championship here yesterday with a 3 to 2 victory over Prospect in the rubber game of their best three out of five series. It was a pitching duel with Neal Ellis hurling a one-hitter to win. Sid Hemphill of Prospect gave up only two hits. Ellis gave up six bases on balls, Hemphill five. Butte Falls, by virtue of its win, will play Merrill, the

Seals Rally To Top Seattle, 4-3, For WHL Championship

San Francisco—(UPI)—Shortly after the San Francisco Seals defeated the Seattle Totems 4-3 in overtime Monday night for the Western Hockey league's playoff crown, a booster club member shouted in the winners' dressing room: "Remember the victory parade begins Tuesday at 11 a.m."

"Can't we watch it on television?" asked one of the skaters. Which just about summed up how both sextets felt at the end of a hockey season that finally ended three days short of seven months.

One of the Tiredest Seals was center Orland Kurtenbach who banged the winning goal through netminder Al Millar at 4:09 of the first sudden-death period to galvanize a crowd of 12,404.

"I think it was only my fourth goal in 17 games and I was afraid I had run out of them," Kurtenbach said. "Believe me, this has been the most exhausting season of my life."

San Francisco kept the pressure on the Totems most of the night, forcing Millar to come up with 43 stops while Seal netminder Jim McLeod made 27.

Coach Keith Allen of the toppled Totems sat quietly in his own team's dressing room at the cow palace and murmured, "We have no alibi. But I wonder how we would have made out if we didn't have to play the entire series away from home."

The Seals share for winning the Lester Patrick Trophy came to about \$1,400 per man in a best-of-seven series that saw them trailing Seattle three games to one before they caught fire.

Klamath county B champion, at 2 p.m. Friday at Gems stadium in Klamath Falls.

Butte Falls got off to a 2 to 0 lead in the second inning with two runs. Ellis was safe on an error and then stole second. Ron Smith walked.

Ellis stole third with Smith going to second on the play. Dan Edmondson's sacrifice fly scored one run, with Smith going to third after the catch.

Smith then bluffed a steal home, drawing a throw. When the third baseman committed an error on the play, Smith came in to score.

Prospect tied the score in its half of the second, when Dick Bean was hit by a pitch and then stole second, Scott walked, both men advanced on a passed ball, and both scored on a single by Larry Bean.

The winning run was scored by Butte Falls in the top of the third when Jim Lytle was hit by a pitch, stole second and scored on Ron Sizemore's single.

Eagles Victors In Mail Meet
Eagle Point - Eagle Point High was victor in a mailographic track meet with Bandon. Score was 67 to 55 and was based on times, heights and distances in separate meets recently at Eagle Point and Bandon.

The Eagles kept tab on their performances in a dual test with Phoenix. Against Bandon, EP claimed nine of the 14 firsts. Bandon swept the high hurdles and Eagle Point the shot put.

A meet scheduled at Eagle Point today between the Eagles and Rogue River has been called off because of a wet track and field. Coaches Vern Steward of EP and Frank Morris of Rogue River agreed to cancel the event to concentrate on the Rogue league meet this week end.

Steward said that there are several spots on the Eagle team not decided and there is considerable competition for them.

DOING OKAY
New York—(UPI)—To the critics who say the United States should model its schools after those in Europe, the Catholic Digest offers these figures: Thirty-four per cent of Americans go on to college, compared to nine per cent of French, six per cent of the German, and seven per cent of the Russian.

BIGGEST REACH

99 Million Consumers Read a Daily Newspaper Each Weekday

These readers make up the largest audience available to any advertiser in any medium. A recent study* of this national newspaper audience shows that it includes 80 per cent of all men and women over 21 . . . and 72 per cent of all teenagers, age 15 and over. This huge and consistent readership can be depended upon by advertisers because the daily newspaper is a habit with most people . . . an established part of their everyday lives. For the national advertiser, this amounts to almost the total market for any product. For the local advertiser, this massive readership symbolizes the local reach of his own local newspaper - into almost 9 out of 10 homes every day. No matter what the product or service an advertiser wants to sell, more people can read about it in the pages of the daily newspaper.
