**BOB TAYLOR:** We have decided to continue this special offer till the end of this week. At first this offer was only on the lower cost cars on our lot but now we have extended it to all the cars in stock. We do have to request a down payment on some cars but we will still pay the first six months interest. (If you want to finance the car longer than 6 months you can). Drive out to WIDE-TRACK TOWN and get all the details from one of the councilmen. It's your chance to really save yourself some money and drive out in one of the many top quality cars you'll find at DEAN & TAYLORS big 3½ acre automotive center.
