Club to Work On State Reports

State convention reports will be assembled at a meeting of the sewing club of Disabled American Veterans auxiliary this week. It will be held Thursday, May 9, at 11 a.m. at the home of Mrs. W. B. Hickman. A potluck luncheon will be served at noon.

In charge of the annual May Fellowship luncheon of the Medford Council of United Churchwomen were (left to right) Mrs. C. Weldon Kline, a vice-president; Mrs. Eugene Ray, luncheon chairman; Mrs. Arnold Bohnerl, program chairman, and Mrs. Everett Lasher, president of the council. The luncheon was held at First Presbyterian church.

'One Family Under God' Topic for Churchwomen

The 30th observance of the annual May Fellowship day of Medford Council of United Churchwomen, held in First Presbyterian church May 3, attracted about 250 council members and ministers' wives.

The day's theme, continued from last year's general theme, "One Family Under God" was the topic for a panel composed of Miss Ethel Shum-

way, Jackson county social worker, Lawrence Tweedy, of the county juvenile department, and the Rev. Robert Tull, pastor of First Congregational church.

Miss Shumway stressed the need for better understanding of the needs of the juvenile guidance program and generous co-operation in this work. She explained that much of the work of her department had to do with emotionally disturbed children who could be helped if placed in better environment and added that recovery would be more rapid with understanding help.

Mr. Tweedy stated that the important move in his work was to discover and correct defects in development of a child as early as possible. Teachers can be of great assistance in helping to detect these defects in children, Mr. Tweedy said. He also stated that parents should show sincere interest in a child's study periods at home. He strongly urged that churches as well as parents accept the challenge to assist in a program to improve work in this field of endeavor.

The Rev. Mr. Tull spoke of the drinking problem among women, which does much to undermine home life. He stated that all must do whatever is possible to help overcome this too prevalent evil. He admonished all to accept and help these unfortunate people - not to shun them when returned from institutions.

He asked for a ministry of concern for the children of the migrant workers, and said child care and well baby clinics should be operated for them. "Too often the migrant worker is accepted from the economic standpoint as a necessity but they are not accepted by those who bring their families into a community to live," he added.

The speakers stated that they were presented a challenge to the membership of the Council of United Church Women to become concerned enough to make a definite effort to help in the various situations presented.

Mrs. C. W. Kline, moderator for the panel, asked that some action be taken with the result that a meeting of the Council board and others of the council interested will attend a 10 a.m. meeting in the Presbyterian church fireplace room June 3.

Proceeds from the luncheon were presented to the board of Christian education to be used toward salaries of Bible history teachers in the schools. Major William Ricken of the Salvation Army gave the prayer of dedication and Dr. George Roseberry the benediction.

Mrs. Jack Sides led the devotions and solos were sung by Mrs. Arthur L. Clay with Mrs. Henry Niedermeyer as accompanist.

Tables were decorated with spring flowers and the speakers' table was arranged with pink tapers in silver holders. Mrs. Arnold Bohnerl and Mrs. Eugene Ray were chairmen.
