CHARLES PINTCHMAN claims that Cinema Star Henry Fonda had a difficult time in a Paris restaurant recently resisting a waiter who insisted that he drink a full glass of absinthe before tackling his dinner.

Vernon shuffled home from his first day in school and his mother couldn't wait to hear what happened. "Nuthin' much," reported Vernon. "Just some stupid woman got up and wanted to know how to spell 'cat'—and I told her."

Jacksonville Plans Calling for Bids

Jacksonville - City councilmen here hope to issue a call for bids on construction of the city's sewer system at their regular meeting scheduled June 4.

Councilmen had planned to call for bids at a meeting Tuesday night, but City Attorney Ervin B. Hogan informed them that several technicalities must be cleared up before bids can be sought.

The council called a special meeting Friday night, at which time additional study of assessments will be made and consulting engineers will be present.

The special meeting also is

Penicillin Doses Due Navy Recruits

San Diego—UPI - Penicillin will be given to the 8,500 recruits at the Naval Training Center in a renewed effort to eradicate a new strain of meningitis believed responsible for an epidemic of the disease.

A total of 24 recruits have been stricken at the center this year despite repeated mass doses of sulfadiazine, normally effective against meningitis. Three of the victims died.

Cmdr. Jack M. Millar, director of preventive medicine of the Navy's Bureau of Medicine and Surgery, concluded the epidemic was caused by a new strain of meningitis. Millar said recent experiments have shown that penicillin is much more effective against this strain than sulfadiazine.
