

HOFFA, ASSOCIATES INDICTED BY JURY

Bias Charged As Sales Tax Move Beaten

Salem - (UPI) - Sharp charges of a "biased legislature" were made in the House today as never-say-die sales tax champions made another unsuccessful attempt to revive a sales tax bill.

Rep. Joe Rogers (R-Independence) move to bring the sales tax bill out. Canceled by Barton. Rogers' remarks were punctuated by sharp raps of the gavel by Speaker Clarence Barton. Barton called Rogers' motion "useless" since the House twice has killed sales tax moves.

When Rogers spoke of a "biased legislature," Barton silenced him for being "in bad taste."

Rogers said the House and Senate are "miles apart in a solution to the state's fiscal problems."

The Senate Tax committee is working over the House-

passed income tax program, but a number of senators have said they would like to see a sales tax bill, at least as an alternative that could be offered to the voters.

The Senate, however, cannot originate revenue-raising measures. The only way the Senate might get around the House refusal to send over a sales tax bill would be to amend drastically another House tax bill to incorporate a sales tax.

Should Have Chance. Rogers said since the House Tax committee refused to work on a sales tax bill, the Senate committee should be given a chance.

"It now appears we will be in session long enough to prepare such a bill," he said. "The submission of a sales tax proposal is the only way to bring this session to a successful end."

"We will support the Democratic juggling of the income tax law if you will let the voters decide the road we will follow in the future in the field of taxation."

Rep. Don McKinnis (D-Summersville) was the only Democrat to vote for the sales tax. The four Republicans voting against it were Reps. Victor Atiyeh of Beaverton, and Robber Chappel, William Gallagher and Ken Mauer, all of Portland.

Representatives of the Jackson county parks and recreation commission and the city of Medford met with the Willow Creek lake concessionaire yesterday noon, but reached no definite agreement.

County Parks Commission Chairman Laurance V. Espey said this morning there would be no gate fee at Willow Creek. An overnight camper fee, the same as at Howard Prairie lake developed recreation area, will be charged.

A fee may be charged later for use of such facilities as picnic facilities, Espey added. Espey said the commission hopes to meet with the county court soon to work out a concession contract. This will be somewhat different than the one covering Howard Prairie, since Morris has constructed his own building. The percentage of gross receipts to be given the county will be less than returned from Howard Prairie. Howard Prairie operates on a graduated scale and returned 10 per cent last year, Espey said.

Those attending the meeting at North's Chuck Wagon restaurant were Espey, J. F. Eberhardt, Mrs. Hanley Hefernan, Mrs. Marcel LePinec and Gerald Wollam, all of the county parks commission, Neil Ledward, county parks director and Medford Water Department Manager Robert Lee.

Lucerne Hilton Morris Jr., recently from Topeka, Kan., yesterday was indicted by a Jackson county grand jury on charges of assault and robbery while armed with a dangerous weapon.

He is charged with pointing a pistol at Andrew Darrell Mitchell and taking \$1,800 from Groceria supermarket cash registers April 5.

Morris is now being held in Topeka, Kan., on a charge of bank robbery. He was arrested April 25. The district attorney's office was making out a warrant on the local charges today.

Last week three other men, also charged in connection with the theft were apprehended in Josephine county, William D. Bryson, Claude Bryson Jr., and James Thomas Cobb have been returned to Siskiyou county.

A power saw was recovered in Central Point at the time of the arrest, deputies said.

Jewell David Kirkin, 63, 1/2 Oak st., Central Point was arrested last night by sheriff's deputies, Siskiyou county deputies and Central Point police on a Siskiyou county warrant charging grand theft. Kirkin is being held in the Jackson county jail pending signing a waiver of extradition.
