Tornadoes Defeat Crater 10-2; Tilts Slated on Saturday

SOUTHERN OREGON CONFERENCE STANDINGS: Medford 10-2, Crater 9-3, Ashland 8-4, Grants Pass 0-10.

Central Point — Medford high's Black Tornado applied the bulk of a 10-hit attack and took advantage of bases on balls and rival miscues here yesterday afternoon to hold fast to its undefeated status in Southern Oregon conference baseball.

The Twister downed Crater 10 to 2 with the major part of its run production in the second and fifth innings.

Dan Miles, Dick Deffley and Stu Young headed the hitting with two safe socks each. Young chucked three-hit, eight-strikeout, two-walk ball for Medford. He lost his shut-

MH Jayvee Tips Crater Nine 6-2

Medford high junior varsity baseballers broke a 2-all knot with four runs in the sixth inning here yesterday afternoon and beat their Crater counterparts 6 to 2.

The runs in the sixth were singles by Jack Mullen, Jerry Godley, Rick Hassman, Dick Breeden and Jim Cox, a sacrifice by Dick Botterger and a fielder's option.

Medford led the scoring in the third panel on a walk, a hit batter and a Cox two-bagger. Crater on the other hand had a run on a walk, two errors and Roger Neufeld's sacrifice fly.

Both Crater and Medford have rivalry on Saturday afternoon. Medford entertains Ashland and Crater goes to Klamath Falls for doubleheaders. The first game here will start at 1 p.m. Crater is trying to arrange for the same early start at Klamath.

Four In Second A Miles single and fielding and throwing misplays gave the Tornadoes a first inning marker. There were four runs in the second canto on safeties by Miles and Deffley, four bases on balls and two errors.

Singles by Mike Barnes and Deffley a double by Gary Miller and walk to Miles gained two tallies in the third inning to make it 7 to 0. Deffley was out trying to come home on Miller's blow and Miller was run down between second and third as the Comets recorded a twin-kill.

Hits by Young and Wayne Couch, two walks and an error accounted for three counters in the fifth inning. The Medford's were held scoreless over the last two stanzas as relief twister Wayne Clay turned in a one-hit two strike-out job and the Comets held firm in the field.

Alvarez Triples Medford got seven of its runs and seven of its hits off Larry Pepper who walked six and fanned one in the first three innings. First reliever Larry Mason permitted three runs on two hits, walking five over two innings.

Crater hits in addition to the one by Jones were a triple by Lou Alverb and a single by Don Kilbourn.

Medford Coach John Kovenz said that he was "real tickled and real pleased" with way the Tornadoes swung and hit and played heads up ball after the long layoff resulting from rain. He credited Young with an excellent job pitching control and mixing up his pitches.

Sanders, Collins Lead in Colonial Fort Worth, Tex. — (UPI)—Doug Sanders and Bill Collins, fortified with anti-pain pills and sharp chipping irons and putters, led the Colonial National Invitation Golf tournament field into the second round today.

Sanders, chipping so well he had 12 one-putt greens, fashioned a three-under-par 34-33-87 in Thursday's first round. Collins capitalized on a 45-foot chip shot for one of his four birdies en route to a 35-33-88.

DUCKLING'S WIN Eugene — (UPI)—Oregon's freshman track team swept to a 94-51 dual meet victory over Clark Junior college Thursday despite three victories by Clark's Willard Nettles. Nettles won the pole vault at 13-0, the triple jump at 43-5 1/2 and the broad jump at 21-8.

BROWN VERSUS LOPES Sacramento — (UPI)—Former world lightweight king Joe Brown will battle Joey Lopes in a scheduled 10-rounder here May 21. In two previous meetings, the two men fought to a draw and Brown made a successful title defense against Lopes.

NINE-RACE WINNER Columbus, Ohio — (UPI)—Jockey Larry Snyder treated his fans right Thursday, finishing in the money in all nine races at Beulah Park. The 20-year-old native of Toledo, Ohio, brought home five winners, finished second twice and third twice.

RAFER RESIGNS Sacramento — (UPI)—Former Olympic athlete Rafer Johnson has resigned from the state recreation commission because of the press of his duties with the International People - to - People Program. Gov. Edmund G. Brown said Thursday.

Woods, Water, Wildlife

Waterfowl gunners from this area had better be on their toes and keep a wary eye on a couple of congressional bills that may have quite an impact on the duck and goose hunting over the hill at the "firing line".

The present situation is such that the bills before Congress, S. 784 and S. 793, are means to stabilize the boundaries of the three refuges. Under the administration of the bureau of reclamation the refuges are continually open to the threat of drainage and homesteading.

DUCK AND GOOSE HAVEN These refuges are so situated in the Pacific Flyway that they are used by more than 80 per cent of the ducks during their spring and fall migrations. Many thousands of ducks, geese and other birds use the refuges for nesting and rearing of their young.

Because of the abundance of food and resting areas, much of the fall migrations is held in the refuges until after crop harvests in California. This saves them from being shot as pests by the farmers who see them only as threats to their economic well-being.

RECLAMATION The present situation is such that the bills before Congress, S. 784 and S. 793, are means to stabilize the boundaries of the three refuges. Under the administration of the bureau of reclamation the refuges are continually open to the threat of drainage and homesteading.

AN AMENDMENT One item that should concern us locally will be an attempt by agricultural interests to amend that bill most likely to pass with the proviso that the Klamath Straits unit be sold into private ownership.

PERPETUITY BALONEY The amendment is likely to have some language which would indicate that, despite the sale of the "firing line" into private ownership, the public would hold the hunting rights in perpetuity.

THE ANGLER'S LOG The latest reports indicate salmon fishing is picking up in the lower river, and the fishing is likely to be just as good here in the upper river. There is supposed to be one of the biggest runs in 17 years (why 17?) somewhere between Agness and Gold Hill, and there ought to be some lucky strikes for the ones who find it.

Marv Throneberry Sent To Buffalo New York — (UPI)—The flags should really be at half mast at the Polo Grounds today. "Marvelous Marv" Throneberry is gone.

He floundered around first base, he dropped throws and didn't terrorize enemy pitchers, but he always gave a bit more than 100 per cent and somehow managed to deliver several key blows last season. That is why the fans dubbed him "Marvelous Marv." Good or bad, they cheered him on and were responsible for his receiving a 25-foot cabin cruiser last summer as the most popular member of the Mets.

But it all came to an end Thursday on cut-down day when the 29-year-old first baseman was optioned to Buffalo of the International league.

INGO DENIES Geneva — (UPI)—Ingemar Johansson, insisting that he never felt better, today was busy denying reports that he is planning to retire from the ring. "All reports like this are a lie," said the former heavyweight champion. "They are quite untrue and have upset a lot of people in Sweden."

GOOD LUCK! The report of large numbers of salmon and their eagerness to bite is most probably in direct proportion with the large numbers of salmon fishermen and their eagerness to bite. Mathematically this would make one salmon and one fisherman worth more together than apart. That's right.
