NATIONAL FOREST TIMBER FOR SALE—Sealed bids will be received by the Forest Supervisor or his authorized representative in the office of the Forest Supervisor, U.S. Forest Service, Yreka, California, up to and including 2:00 P.M., Pacific Daylight Time, June 11, 1963, for timber offered for sale in the Schneider Hill Unit, Klamath National Forest, a certified or cashier's check, bank draft or money order in the amount of $2,000.00 must accompany each bid to be applied on the purchase price, refunded or retained in whole or in part for actual or liquidated damages in accordance with the provisions of the bid. The offering is for all of the live and recently dead (sound sapwood) timber, marked or designated for cutting and removal prior to December 1, 1963, estimated to be approximately 700 feet b.m. of ponderosa and Jeffrey pine on an area embracing about 200 acres within Section 12, T. 40 N., R. 8 W., M.D.M. In addition, there is an unestimated volume of older dead (unsound sapwood) timber on the area, the cutting and removal of which will be required. The minimum acceptable bid per M board feet for live and recently dead timber is: For ponderosa and Jeffrey pine $14.35. This includes, per M board feet, $13.90 for stumpage (including deposit for sale area betterment) composed of a base rate of $3.00 for stumpage plus an additional $10.90 for stumpage and required deposit of $0.45 for slash disposal. The prices bid for stumpage for live and recently dead timber shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the Western Pine Association lumber price indices as calculated by the Forest Service at the end of each calendar quarter, and the base indices which are for ponderose and Jeffrey pine 82.75. Such adjustments in the price for stumpage shall be applicable to timber scaled during the calendar quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates the difference between the total dollar value of timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rates above base rates for all species develop an accumulated total dollar value in excess of the total recorded accumulated difference for all species. The merchantable volume of older dead (unsound sapwood) timber will be paid for at the following rates for stumpage which will not be subject to quarterly calendar adjustment or required deposits. For ponderosa and Jeffrey pine $3.00 per M feet b.m. for stumpage (including deposit for sale area betterment). The right to reject any and all bids reserved. Before bids are submitted full information concerning the timber, conditions of sale and the submission of bids should be obtained from the Forest Supervisor, Klamath National Forest, Yreka, California, or the District Ranger, Callahan, California.

ORDINANCE NO. 693

AN ORDINANCE declaring the assessment on property benefited for the cost of construction of curbs on both sides and paving Grand Avenue from Fourth Street to Freeman Road in the City of Central Point, Oregon, and directing the Recorder to enter a statement thereof in the Docket of City Liens and to publish a notice thereof.
