Medford Trackmen Beat GP; Deibele Runs 220 in 21.8

Medford's Mike Deibele ran the fastest high school 220-yard dash in Oregon this season here Friday night as the Black Tornado trimmed the Grants Pass Cavemen in a rain - swamped track meet which produced remarkable times despite adverse conditions.

A water-logged track was no obstacle for the diminutive Medford sprint man. He steamed and splashed the furlong in 21.8 to establish a new dual meet mark.

One other record tumbled and one was tied and their were some other standout fine performances as Medford outscored the Cavemen 55 to 49 in requital for a lopsided loss to GP last season.

It was an abbreviated meet. Just 12 of the regular 14 events were completed. The broad jump and pole vault were canceled because of the continual downpour. Shot putters completed their event under the new west side grandstand.

Brumback Runs 4:28.7

Dennis Brumback of the Tornado set the other meet record of 4:28.7 in the mile. Deibele knotted the meet's 100-yard dash standard with 10.0.

Other fine marks in the adverse weather included a 14.9 high hurdles time by Medford's Don Driskell, a 10.7 in the low hurdles by Grants Pass's Bob Shepard, 51.6 half-mile by the Twisters' Steve Toews.

Each team took six first places. Double victors along with Deibele were GP's Marty Bauer and Shepard. Bauer took the shot with 50 feet 9 inches and the discus with 131-5. Shepard shared a tie in the high jump at 5-6 with teammates Terry Crenshaw and Al Hutchins.

Jerry McCormack, Grants Pass baseball regular, displayed his throwing arm by winning the javelin at 170-10½ for the Cavemen. Medford's team of Deibele, Roy Shaw, Rick Larson and Jim Hill won the relay in 1:33.

Grants Pass swept the discus as well as the high jump.

Constant Rain

Rain came with thunderclaps as the meet got under way and it fell heavily and constantly through the twilight event. The track was soon a mess of pools and rivulets and the north turn inside lanes were under water.

A soaked runway, watery pit and loose jumping board brought cancellation of the broad jump and the wet runway and slippery poles resulted in the pole vault being eliminated. It was figured that the elimination of these events balanced out, anyway. Grants Pass was the favorite in the vault and Medford in the jump.

Medford clinched the win by taking the relay, next to last event to be recorded.

Greg Swenson of the Tornado ran a good 4:37 mile in taking second place in that event. And, Doug Eakin came close to giving the Medfords a mile sweep. He ran in 4:42 and was barely held off by GP's Tom Woods.

Brumback came back after winning the mile to run a strong second place in the half.

Deibele's 220 was just .1 second over the school record of 21.7 by Rich Riggs in 1949. It was also .1 faster than a 21.9 this season by Leon Lincoln, Jefferson.

Narcotic Overdose Presumed In Death of Gene Lipscomb

Baltimore, Md. – (UPI) – The mystery surrounding the death of professional football star Gene (Big Daddy) Lipscomb may be solved early next week upon completion of tests that will determine the presence or absence of narcotics in his vital organs.

Thus far, the cause of Lipscomb's death remains undetermined although doctors at Lutheran hospital said, "The presumption is that death was cause by an overdose of narcotics."

Despite the insistence of all those who knew the 6-foot, 6-inch, 290-pound Pittsburgh Steelers' tackle that he dreaded taking "needles" of any kind even for physical ailments. Dr. Rudiger Breitenacker, who conducted the preliminary autopsy on the 31-year-old Lipscomb, said, "No other cause of death was found."

"At this point the presumption is that death was caused by an overdose of narcotics," Dr. Breitenacker added. "No trace of disease or other factors were found."

The results of further tests will not be known until Monday or Tuesday, he said.

Lipscomb, who gained stardom with the Baltimore Colts before they traded him to the steelers in 1961, was found unconscious and breathing heavily while seated at a table in the kitchen of a friend's apartment early Friday morning.
