

Barnard-Brown Wedding Of Interest in Valley

News of interest in the valley is the marriage of Miss Marly Ann Brown and Daymon Barnard which was an event of May 5 in Easterbea Presbyterian church in Fresno, Calif.

The bride is a daughter of Mrs. Mary H. Brown and the granddaughter of Mr. and Mrs. L. M. Hamilton, Bellinger road, Route 4, Box 298, Medford. The bridegroom's parents are Mr. and Mrs. O. R. Barnard, 828 Maple street, Central Point.

The ceremony was read at two-thirty o'clock in the afternoon by Dr. John Anderson.

Miss Roberta Barnard, Central Point, a sister of the bridegroom, was maid of honor, and the bride's twin brother, Gary E. Brown, also of Fresno, served as best man.

Given in marriage by her grandfather, the bride wore a white streetlength wedding gown of silk organza over lace, styled with a basque bodice and bell-shaped skirt. She also wore a full short veil and carried a colonial nosegay of small pink rosebuds and white carnations.

Her attendant wore a matching gown in aquamarine blue, also of organza over lace, and her corsage was of small pink rosebuds.

Bouquets of roses decorated the altar and other decorations were baskets of roses and mock orange blossoms.

The reception, given by the bride's mother, was held in the garden of the church manse, and was directed by the women's auxiliary of the church. College classmates of the bride served cake and punch and had charge of the guest book. About 35 guests attended the wedding and reception.

The wedding cake had been baked and decorated by Mrs. Ralph Burkhardt of Central Point, and sent to Fresno as a wedding gift.

The bride's mother was dressed in a powder blue and white suit with white accessories, and the bridegroom's mother wore a black and white sheath dress with white accessories. For her granddaughter's wedding, Mrs. Hamilton was dressed in a rose beige suit with bone accessories. All had white carnation corsages.

Others from here at the ceremony were the bridegroom's father, and his sisters, Brenda and Teresa Barnard, and his brother, Robert Barnard.

The bride attended Jacksonville schools and is a graduate of Medford High school. For the past two years she has been attending Fresno State college. The bridegroom, a graduate of Crater High school, also attended Long Beach City college before attending the City college at Fresno.

Both the bride and bridegroom were active in the Jackson County Junior posse. The bride was born in Medford and the bridegroom has been a Central Point resident for the past 14 years.

The couple made their wedding trip to the Hacienda hotel near Fresno. For traveling the bride wore an ice blue crepe suit with white accessories and white carnation corsage.

When the school term closes the bridegroom will return to his employment with the North American Missile firm at Downey, Calif. The couple will live at 933 North Millbrook street, Fresno.

Announce Final Concert For Civic Music Series

The final concert of the 1962-63 Jackson County Civic Music association series is announced for Thursday, May 16 in the Medford High school auditorium. To appear is Tipton's Chamber orchestra, an ensemble of 14 musicians, described "as a melding of the finest instrumentalists from top orchestras." Curtain time is at 8 p.m.

Albert Tipton the founder and conductor of the orchestra is a musician of diverse virtuoso talents. As flute soloist with such orchestras as those of St. Louis, Washington, Philadelphia and Detroit,

he has become internationally known as an instrumentalist of rare gifts.

As a conductor he has impressed audiences and critics alike, not only on the podium in front of his own orchestra but with the St. Louis symphony and other leading symphonies. He is an accomplished pianist and violinist as well.

As a scholarship student at the Curtis institute, Mr. Tipton made his initial appearances as first flutist with Leopold Stokowski's Youth Orchestra during its tours of this country and South America.

Mary Norris, piano soloist, and Mrs. Tipton in private life, made her musical debut with the Philadelphia orchestra which won her instantaneous acclaim from conductor Pierre Monteux and from critics as a virtuoso pianist. As favorite soloist with the St. Louis symphony she was singled out for praise with that orchestra in their television debut under Vladimir Golschmann. After winning a national piano competition, Miss Norris was awarded a scholarship to Curtis institute. There she met Mr. Tipton.

Concert Will Feature Faure 'Requiem Mass'

One of the features of the annual spring concert to be held Tuesday evening at Medford High school will be a performance of the "Requiem Mass" by Gabriel Faure.

This work will be performed by the Medford High school choir. The "Messe de Requiem" follows the usual form for such works, but combines some sections.

Faure, French composer of the late 19th century, was noted not only as a fine composer but also as a teacher and organist who did much to influence the modern day composers of his country. His music is marked by purity, grace and lyricism, and at the same time introduces some of the harmonies that were considered rather progressive and unusual for this period in music history.

The "Requiem Mass" will be accompanied by organ and piano and includes two baritone solos and a soprano solo as well as the chorus parts. The soloists are Jarl Dyrud, Jean Allen and Roland Gangstee.

This is the first time that a work of this length has been performed by the cappella choir and the school hopes that many will avail themselves of the opportunity to hear this composition.

Also included on Tuesday's program will be selections by the sophomore choir that recently completed the musical "Down in the Valley"; the Advanced Girls' chorus that recently received a top rating at the Southern Oregon District contest; and the Mixed chorus that will perform some of the selections from the musical "Fiorello."

The concert will be the final performance in concert for many of the seniors in the choir. The program will start at 8 p.m. in the auditorium and is free to the public.

Couple Returns From Trip To Athens, Greece

Patras, where Mr. Davis was 315 Mary street, arrived home last week after a six-week trip to Greece. They spent their time mainly in Athens with sisters and brothers of Mr. Davis, and their families. They also visited the town of Patras, where Mr. Davis was born, and made a tour of the country.

Their last visit to Greece was eight years ago, and within that time they stated that the country has advanced rapidly in the way of new factories, roads and agricultural methods.

Mr. Davis, who speaks the Greek language, interviewed persons of all classes and he stated that all had expressed appreciation to this country for aid which they had received. He also explained that English-speaking persons have no difficulty in traveling in Greece as many of the Greeks also speak English.

He added that the Hilton hotel chain is erecting a lavish hotel in Athens.

Mr. and Mrs. Davis left here by way of Seattle, Wash., flying to London, England. From there they traveled to Paris, France, where they were guests of a niece of Mr. Davis. On the return trip they came by way of London to New York City.
