

### Luncheon Is Given By Chapter

The annual Mother's Day luncheon given by the Beta Psi chapter, Beta Sigma Phi sorority, was held Saturday, May 11, in the Rogue Valley Country club.

Each year the chapter provides a scholarship to a young woman student at Southern Oregon college and another week-end activity of the chapter was to present the scholarship also on May 11 during the annual Mother's week end at the college. Mrs. Larry Rose, past president, and Mrs. Calvin McKibbin, presented the award.

Chapter officers recently were elected at a meeting in the home of Mrs. Clifford Curl, 47 Eastwood drive. Co-hostess was Mrs. Robert Damon.

New officers are Mrs. Ralph Kingman, president; Mrs. Douglas Plumley and Mrs. Richard Moody, first and second vice presidents; Mrs. Harold McGrath, secretary; Miss Rose Marie Steinhauer, corresponding secretary; Mrs. Floyd Hostetter, treasurer, and Mrs. Jack Reniz, city council representative.

Retiring officers also participated in the ceremony. They are Mrs. Larry Rose, president; Mrs. Arven Reynolds and Mrs. Plumley, first and second vice presidents; Mrs. Lloyd Carr, secretary; Mrs. Moody, corresponding secretary; Mrs. Kenneth Gobel, treasurer, and Mrs. Kingman, city council representative.

A program on travel was presented at the meeting by Mrs. Carr, who also displayed a book published in 1965.

A transferee from Alaska, Miss Sue Lisle, was a guest.

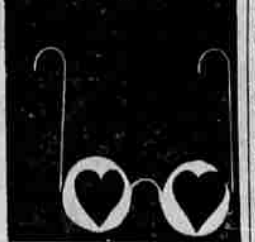

Recently a ritual of jewels was held in the home of Mrs. Moody, 1217 Murray street. Those who received the degree were Mrs. Laurence Ware, Mrs. Hostetter and Mrs. Damon. Co-hostess was Mrs. Reynolds.

The next and last meeting of the term will be held soon in the home of Mrs. Kenneth Gobel, 882 Hopkins road, Central Point.

**Use Flowers**

If you have dull strips of wall between windows and doors, too narrow for effective use of pictures, try placing flowers or small green plants in wall containers there. Such "ugly duckling" areas will hold "their own" in your decorative scheme, the Society of American Florists says.

### Heart specialists warn about our inactive youngsters

There's no doubt about it. We pamper our youngsters too much nowadays.

They ride when they should walk. They sit when they should be moving. They watch when they should be participating.

And all this inactivity is bad for them. Indeed, most leading heart specialists agree that today's inactive youngsters are likely to be candidates later on for diseases of the heart and blood vessels, overweight, and other disorders that feed on an easy-going existence.

What better reason is there for parents to urge school officials to strengthen physical education programs—for every boy and every girl?

Local school officials will be responsive to your interest. Get in touch with them.

The Medford Trail Riders, who met last Sunday in the Pioneer Village in Jacksonville for a breakfast ride and general get-together, their first of the season, have their "followers." Though not officially members of the group, numerous valley residents join with the riders for their events, enjoy the companionship and enter into the spirit of the occasions. Mr. and Mrs. William Totten, Medford, last Sunday arrived in oldtime attire for their visit to historic Jacksonville and the Pioneer village there. They are pictured above with "Steve," a village mascot. In the background is a building recently moved to the village from the Beall estate. R. V. Beall built it in 1900 as a photographic studio.

### Auxiliary Elects Officers

### Children of RAF Officers Attend U.S.-British School

By JOHN J. McDAVITT JR.

Elgin Air Force Base, Fla.—It looks like any other school in the United States until the youngsters begin to recite. Then it's apparent that the two dozen children are attending the only British school established in this country since 1775.

The youngsters, ranging in age between five and 11, are the children of Royal Air Force officers and men stationed at this sprawling USAF test center.

The curriculum is the same as the children would have back home. Even the "Janet and John" readers and the "B and A Arithmetic" are the same.

The school is located in Pawokti Village, a tree-lined trailer camp community set on the shores of Lake Postl on the Elgin military reservation. For most of the youngsters it's just a short walk from their new trailer home to the school.

One of the classrooms is used by the five and six year olds. Their teacher is Mrs. Glensy Lawson, the wife of an RAF officer.

Across the hall are the older children, under the supervision of Mrs. Joan Cox, formerly headmistress of the Long Crandon County school, Buckinghamshire, England and the wife of a squadron leader.

**Former Teacher**

Mrs. Lawson, also a former teacher, said the only difference between the Pawokti Village school and those in England are the hours. "Here we start school earlier," she said.

The big advantage of the special school, Mrs. Lawson said, is "here they get more attention than they would in a normal English school."

With just eight youngsters in her charge, she is able to give them individual attention during the reading lessons.

In Mrs. Cox' classroom, the children are divided by rows, according to grades. But each of the 18 gets the standard curriculum for his age-Eng-

### New Officers of Tiller-Drew PTA Are Installed

Tiller-Drew - New officers of the Tiller-Drew Parent-Teacher association were installed by Mrs. Jack Lenherr at the final meeting of the year. They are Mrs. Gershom Roy, president; Mrs. Glenn Hunter, vice-president; Mrs. Paul Brady, secretary; Mrs. John Wright, treasurer.

Mrs. Roy, Mrs. Hunter and Mrs. Wright reported on PTA workshops which they attended in Eugene.

Committee chairmen for the coming year are Mrs. Jim L. Jenks, skating; Mrs. Robert Clausen, pre-school; Mrs. John Wilson, publicity; Mrs. Roy Jackson, programs; Aryle Matthews, teacher representative; Mrs. Wooster, hospitality; Mrs. Wright, health and safety.

A list of PTA rules was read and accepted. May 22 will be pre-school day at the Tiller elementary school. Mrs. Ward, teacher of the first and second grades, will be assisted by Mrs. Robert Squires for the day.

The PTA agreed to pay \$30 to the Music Parents club to help defray the cost of recently made choir robes for the Days' Creek students and to pay for letters and bars for athletes. The unit will also buy material for curtains for the school cafeteria; Mrs. Robert Clausen will make the curtains.

Corsages were presented to mother of pupils in the eighth grade.

### Cherry-Sauced Peaches Make Quick Dessert

Canned fruits ready to use straight from the container simplify dessert - planning. Take Cherry-Sauced Peaches, for instance. Canned cherries heated in their syrup are served over canned cling peach halves on cake for a colorful, refreshing, made-in-minutes dessert. Don't throw away the canned cling syrup not used in this recipe. Refrigerate it for later use in molded gelatin salads.

**CHERRY-SAUCE PEACHES**

One cup canned sour red cherries with syrup; one-fourth cup sugar; one teaspoon cornstarch; six thin slices plain cake; one can (one pound, 13 ounces) cling peach halves.

Heat cherries with syrup. Blend sugar and cornstarch thoroughly, and stir into cherries. Simmer five minutes. Place a slice of cake on each of six serving dishes. Top with a well-drained peach half and cherry sauce. Serve at once. (Make six servings.)
