HERE ARE THE
SIMPLE INSTRUCTIONS

Pick up your free card—no purchase necessary. A free punch or punches will be given every week. When free punches are fully punched (numbers 1 through 13 on left hand side of card) the manager or assistant will be called to inspect your card to verify the proper punch was used and that the flap was not tampered with. You then choose 10 lucky numbers from the 80 numbers in boxes on reverse side. Those 10 numbers are immediately punched out. Under 15 of the 80 numbers are LUCKY HORSESHOES. You will be paid in cash the amount printed under the top multiplied by the number of LUCKY HORSESHOES that have been punched. There are no blanks. Every participant will win a cash prize.
