Sports Festival Under Way at SOC

Ashland - Oregon Collegiate conference spring festival of track, tennis and golf will conclude here Saturday.

Field event finals will open at 1:30 p.m. and first race, the mile, is set for 2:15 p.m. at Southern Oregon college's Fuller field. Portland State, Oregon college, Eastern Oregon, Oregon Tech and host Southern Oregon all are entered.

Tennis competition is slated to continue at 9 a.m. today.

Opening rounds of tennis were conducted today and track prelims got underway at 8 p.m.

Southern Oregon's defending track champion Red Raiders face a serious challenge from a fast-improving Portland State Viking team.

Coach Dan Bulkley's SOC cinder team snapped a string of three consecutive PSC championships last spring on the strength of victory in the final mile relay event. The string Red Raiders dropped the Vikings 76-55 in their dual meeting this spring, but Coach Ralph Davis' Green and White team has shown spectacular improvement in the late season.

Southern Oregon's bid will hinge on Bulkley's over-all team depth to back up sprinter Doyle Branson, pole vaulter Gordon and Mike Hanby, both 14-footers, and hurdler Bill White in addition to versatile Fred Thomas, broad and triple jumper as well as a 9.9 sprinter.

This year's championship meet consists of 16 events with the addition of the triple jump.

REGATTA SATURDAY

Redwood City, Calif. - Twenty-six collegiate regatta teams in the Western Spring regatta here on Saturday, with Washington and California slated to duel for supremacy.

Medford Host on Saturday For District 6 A-1 Track

At least six records will be threatened Saturday when the District 6 A-1 track and field meet is conducted on Medford high athletic fields.

Marks in that many events have been bettered this season. In addition southern Oregon A-1 thinclads have come close to district standards in four other events.

Medford will be host to Grants Pass, Crater, Ashland and Klamath Falls. Grants Pass is defending champion. The five schools make up the Southern Oregon conference.

The meet will open at 10 a.m. Afternoon activity is slated to begin at 2:30 p.m. Preliminaries and finals in all field events but the high jump are billed for morning. Heats in the high and low hurdles and 100 and 220-yard sprints are set for morning. The high jump will begin at 2:30 p.m. and the race finals at 3:30 p.m.

Javelin, shot put and discus are billed for the baseball field area. The pole vault will be the only one of the events not conducted locally. It will be contested at Southern Oregon college at Ashland to enable vaulters to use the rubber-asphalt runway.

Grants Pass and Medford are expected to battle it out for the team title. However, how Medford does may depend on the health of sprinter Jim Hill. The 100 and 220-yard dash man, broad jumper and relay runner pulled a hamstring muscle Tuesday. A question mark hangs over his participation.

While the team title will be an important objective, the big aim of the schools will be to qualify as many as possible for the state meet on the following week end at Corvallis. First and second placers and those who meet certain standards get to make the trip. A check by Jerry Ackler of the Grants Pass Courier with the Oregon School Activities association yesterday confirmed that only two performers from a school may enter the state meet in any one event.

Deibele Goes 21.8
The district records which have been beaten this spring are those in the 220, half-mile, mile, high jump, pole vault and javelin. There have been close to record marks in the low hurdles, 100, relay and broad jump.

Medford's Mike Deibele has exceeded the 22.2 district 220 standard with a 21.8 time and has run the 100 in 9.9 compared to the 9.8 record. His chief furlong challengers will be Hill (if able) and Arle DeGroot, Klamath Falls, each 22.8, and Gary Wald, Crater, 22.8. In the 100 times of 10.0 have been recorded by Hill, Bob Shepard and Rich Ireland, Grants Pass, Wald and DeGroot.

In the half Steve Toews, Medford, has bettered his own 2:00.3 district mark with 1:57.3. Challengers in this race include Jim Snodgrass, Medford, 1:58.9; Rod Waterman, Grants Pass, 2:00.8, and Dennis Brumback, Medford, 2:00.9.

Brumback Under Record
Brumback has run the mile in 4:27.9 just under the 4:28 record. Best times of other contenders are Greg Swanson, Medford, 4:37; Gerald Brown, Ashland, 4:37.3, and Cliff Lyons and Tom Woods, Grants Pass, and Jim Askwith, Crater, each 4:38.

Shepard has exceeded the 6-2 high jump mark with 6-4 1/2. Al Hutchins, Grants Pass has gone, 6-1 1/2, Jim Lamb, Ashland, 6-1, and Dick Scott and Terry Eccles, Klamath Falls, each six feet. In the pole vault Gary Van Koten, Tom Sparlin and Bill Coe, all of Grants Pass, each have cleared 13 feet. Record is 12-11 1/4. Medford has 12-9 vaulters in Lloyd Hammons and DeWayne Turpin.

Walt Smith, Klamath Falls, has thrown the javelin 214-4 1/2 compared to the standard of 208-8. Tom Huff, Ashland, has a 203-foot throw. Gary Berentson, Crater, has a 188-10 distance.

Shepard has run the low hurdles in 19.7, which is .1 second over the record. Times of 20.3 and 20.4 have been shown for Dennis O'Leary and Randy Clark, Grants Pass, and of 20.7 and 20.8 for Don Driskell and Roy Shaw, Medford. In the relay Medford has had a clocking of 1:30.7 this spring. District record is 1:30.5. Bests of 1:33 are indicated for Grants Pass and Crater.

Hill has broad jumped 22-8 1/4, just one inch less than the record. Medford's Jim Cain has gone 21-9 and Crater's Paul Branson 21-8. Hammons has a 21-4 leap for Medford. Ireland has gone 20-8 and Dennis Ekwall, Ashland, 20.7.

In the 440 Ireland has the best time of the season with 51.5. Scott Hampson, Medford, who has an ailing leg, and Larry Lindquist, Grants Pass, each have run the quarter in 51.7.

Driskell has the best high hurdle time with 14.9. Shaw and Clark have 15.1 bests and O'Leary 15.2. Don Graham, Klamath Falls, has been clocked in 15.4 and Dave Durant, Medford, in 15.5.

Bill Mills, Klamath, has the

6 A-2 Track Meet At Myrtle Creek

Myrtle Creek - Strictly on the basis of subdistrict performances, southern division athletes will be favored in most of the events Saturday when the District 6 A-2 track meet is conducted here.

Twelve schools are to have contestants in the meet in which field event competition is to get under way at 1 p.m. Running events will open at 1:45 p.m. with the high hurdles.

All running events are finals. Participants in the meet qualified last week end in the Rogue and Umpqua Valley league meets at Ashland and Myrtle Creek respectively. Entries this Saturday are the first three placers in each event or those two meets.

Schools represented from the Rogue League are Rogue River, St. Mary's, Lakeview, Henley, Phoenix and Eagle Point. From the Umpqua are host Myrtle Creek, Douglas, Glide, Sutherlin, Riddle and Glendale. Rogue River and Myrtle Creek won their respective league (subdistrict) meets.

Wins in 11 Events
Winners in the Rogue meet had the best times, heights and distances in 11 events last weekend while the Umpqua had three top performers in three. Rogue best marks were in the broad jump, shot put, pole vault, javelin, high and low hurdles and the 100, 20, 440 and 880-yard and relay races.

North athletes had better performances in the high jump, discus and mile.

District meet efforts, however, could be misleading for judging who'll gain the first and second places this week which qualify for state competition. For instance Don Goertzen, Sutherlin, is the record holder in the pole vault at 12 feet, 6 1/2 inches last year. However, he went just 12 feet in this years Umpqua test while Don Salyer, Rogue River, cleared 12-2 at Ashland.

Three Marks Threatened
On the strength of division marks, three records could fall and two could be tied.

The 52-5 1/2 shot put of Jon Granby, Phoenix, the 20-15 low hurdle time of Salyer and the 4:35.8 mile of Ed Cadman, Myrtle Creek, last week end beat the former district standards of 52-2, 20.8 and 4:36.3, respectively. District records were tied last week end when Jim

Webb, St. Mary's, and Chris Jones, Rogue River, tied at 10-15 in the 100-yard dash and Salyer ran the high hurdles in 15.1.

From the Rogue league, Rogue River has 12 berths in the district meet, St. Mary's 11, Phoenix eight, Lakeview five, Eagle Point four and Henley three, Myrtle Creek qualified for 13 spots and Sutherlin for 12 from the north.
