

Clothes To Wear This Summer

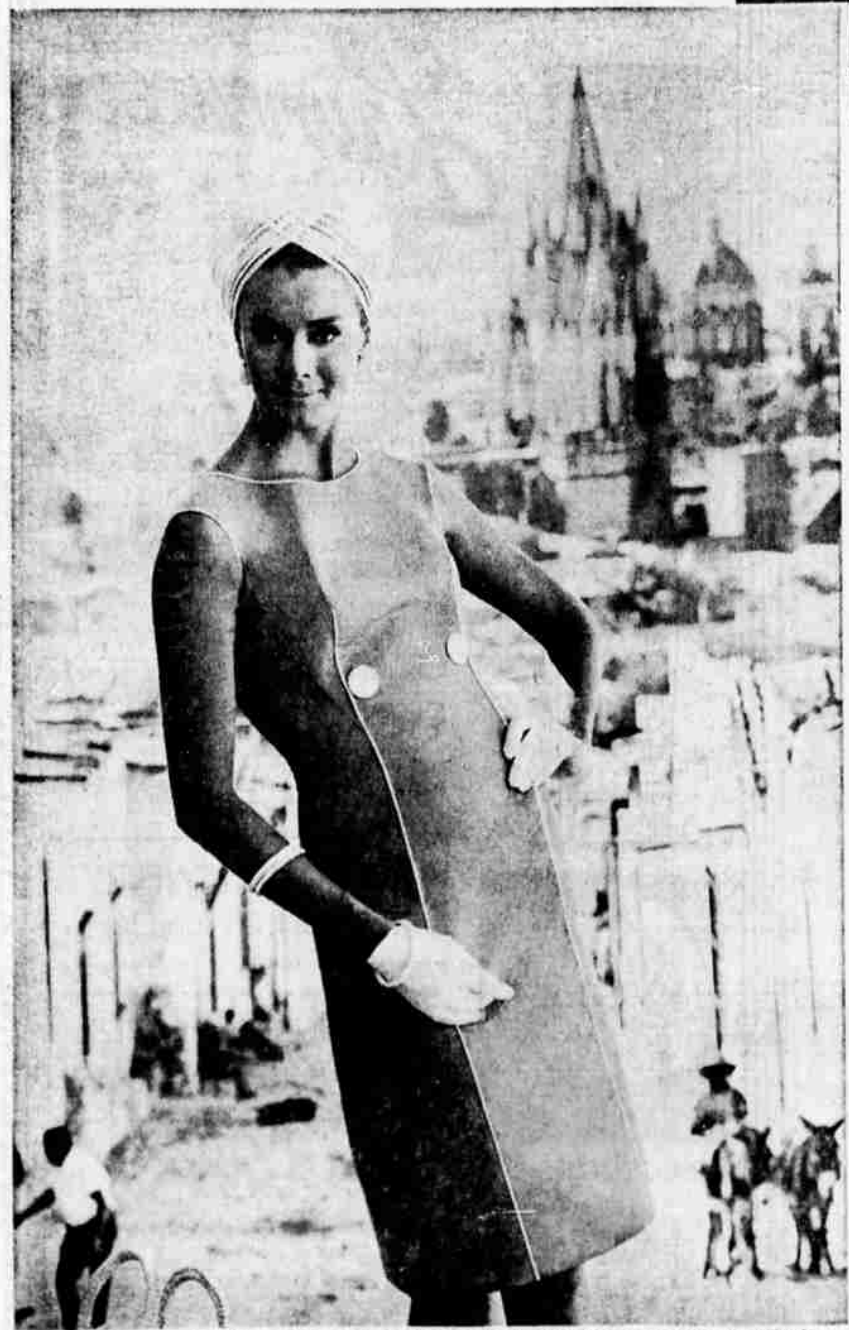

This feminine "swing shift" of Camay's Fortrel polyester voile and cotton is featherweight, looks deceptively delicate and will require little care. By Cabana, this shift is described as the best invention since the swim suit.

An acapulco shirt in unbleached muslin, subtly tucked for shape and stitched in red, will add both chic and comfort to a girl's summer. Designed by Anne Fogarty, it reflects the Mexican influence.

If summer wandering is in your scheme, this casual dress by Susan Thomas will be a blessing. Fashioned of Folker's washable linen-look fabric of Celanese Fortrel polyester and rayon, it will stay petal fresh in any warm climate.

Designed for travel in the grand manner, this washable day dress by Aywon is right for shopping, strolling, lunching or lolling. It is made of Wamsutta's crease-folding broadcloth of Fortrel polyester and Arvil rayon.

The perfect foil for the season's important pastel frocks is this De Lisa Deb pump made with a profusion of dainty eyelets for breeze-catching.

Bandanna prints and faded denim walkers fringed round the bottom have a "Country Look". These are from Bobbie Brooks' sportswear collection.
