Simon Koppes Honored On Ninetieth Birthday

Montague—Almost 200 persons gathered in the club room of the Montague auditorium recently for a birthday party given in honor of Simon "Si" Koppes, who was celebrating his 90th birthday.

"Si" has been a familiar figure in Montague for more than 50 years, having arrived in the area in 1912 to take over the management of Montague Creamery, which at that

time was in the planning stages.

He was born in Holland in 1873, came to America when he was 20 years old, and worked with dairies along the Mississippi river. His first employment in California was at Fresno, milking cows. Later he was employed at the Oakland Cream depot as a butter maker's assistant.

Upon the completion of the construction of the Montague Creamery its doors were opened for business on February 1, 1913, with Mr. Koppes as its manager and chief butter maker. Through the years, the butter produced by "Si" and his helpers has won many prizes and awards at state fairs as well as at the 1915 World's Fair in San Francisco.

In February, 1961, Mr. Koppes was selected as an honorary life member of the Montague Parent-Teacher association in recognition of his outstanding service and aid to local people during depression days and after; for substantial contribution to free enterprise in Siskiyou county; and for exemplary citizenship during his life in Montague.

"Si" often donated dairy products to worthy causes, and during the hard times of the depression, he loaned and gave away milk cows to farmers with too small herds and to families who needed them.

For Mr. Koppes' 90th birthday celebration, the club room where the festivities were held, was decorated with many arrangements of tulips, daffodils and other spring flowers.

At a table covered with a lace cloth coffee and punch were served with four decorated birthday cakes, as well as others brought by friends attending the party. One of the special cakes was decorated by Miss Effie Tonini, who has been his employee for 35 years.

Sharing host duties for the occasion were Mr. and Mrs. Walter Simon, Mr. and Mrs. Ernest Lilly, Mr. and Mrs. Wallace Turre, Mr. and Mrs. Aage Peterson, Mr. and Mrs. Leonard Silva, Miss Tonini and Mrs. Josephine Silva.

Mrs. Sam Cairns assisted with the serving and Miss Judy Silva registered the guests. "Si" received many cards, gifts and the well wishes of his many friends.

Decorations included a wishing well entwined with Hawthorne blossoms and caricatures of famous persons drawn by Mrs. Del Wright. Table decorations depicted the "Wishing on a Star" theme.

Mrs. Templeton was chairman of arrangements and assisting her were Mrs. Charles McCuen, Mrs. Chester Hubbard and Mrs. Dale Hearell.

Parents and friends attended the event. A piano and organ were furnished by the Lusk Music company.

Week end visitors at the home of Mr. and Mrs. Loyd Rasmussen, 184 Clover lane, were Mr. and Mrs. John Babu and children, Mt. Shasta, Calif. The Babus are former Medford residents.

Fluid skim milk is milk with the cream removed. Fortified skim milk has additional nonfat dry milk, vitamins and minerals added.

Miss Joan Elizabeth Callaghan, Eagle Point, is pictured above May 18 as she was crowned Miss Rogue Valley 1963 by Miss Marsha Louise Wyatt, Jacksonville, Miss Oregon for 1962. Miss Callaghan was chosen from five finalists in the contest sponsored by the Medford Jaycees and the Pepsi-Cola Bottling company. Miss Wyatt was winner of the contest last year and subsequently became Miss Oregon and was one of 10 finalists in the Miss America contest in Atlantic City, N.J. Miss Callaghan is a daughter of Mr. and Mrs. S. W. Callaghan, and is a graduate of Eagle Point High school. She now is a student at Southern Oregon college. Later she will compete for the title of Miss Oregon 1963. (McCorkle photo)

DRAPERY CLEANING!

We'll Take Down Your Drapes Clean Them Beautifully

Finish them with a decorator pleat fold... and then rehang them in your home!

No extra charge for removing or rehangng your drapes.

MODERN CLEANERS

211 W. Main • Ph. 772-4590

if it's NEW... if it's ADAPTABLE...

it's ELECTRIC HEAT!

Building or remodeling? Remember — ELECTRIC HEAT, utilizing pure, clean energy rather than messy burning fuels, is the only truly new and modern way of heating under the sun! And it's the most adaptable. There are electric heating devices — simple, inexpensive and worry-free — to fit homes of all sizes, shapes, and decor — and to fit every living area, every need, within the home. A few to choose from:

RADIANT CEILING CABLE: Provides exceptionally even heat. Completely concealed in your ceiling. Very inexpensive to install.

ELECTRIC BASEBOARD: Installed around outside walls, take up no valuable wall space. Created to blend with any decor. Especially adaptable to new rooms and wings.

ELECTRIC WALL PANELS: Especially adaptable to small rooms. Installed in or on walls, with decorative grills or flat, heat-radiating surfaces.

HEAT PUMP: Heats and air-conditions, according to your needs! Thermostatically-controlled heat pump means complete and automatic climate control in your home! Very economical to operate. Initial cost compares favorably with traditional (and out-moded) central heating and cooling systems.

AND THERE ARE MORE! Investigate thoroughly before you decide.
