Deadline Saturday For Entering 1963 Princess Contest

The reign of Miss Connie McDonough, daughter of Mr. and Mrs. Wesley McDonough, route 2, box 497, Gold Hill, as 1962 Jackson County Dairy Princess, will end soon with the naming of a new princess for 1963.

The contest, sponsored by Coordinated Milk Sales, ends Saturday, and eligible young women in Jacskon and Josephine counties who wish to compete must contact the firm, 772-2876, or George Holt, 779-1311, prior to that time.

The applicants must be between 16 and 25 years old, single, must reside on a dairy farm, and be a high school senior or graduate.

One Princess Selected

Only one princess will be selected this year from the two counties, it was stated. Each entrant who qualifies as a contestant will receive a $25 gift certificate and the winner will be awarded a $150 wardrobe, the alternate, a $50 gift certificate.

Entries so far this year in the contest are Miss Kay Stephenson, Eagle Point; Miss Georgia Hubbard, Eagle Point; Miss Elizabeth Clark, Medford; Miss Carol Martin, Cave Junction; and Miss Alice Kuirtert, Miss Rita Lasater, Miss Carol Webb, Miss Margaret Lewman, and Miss Barbara Burnette, all Grants Pass.

Crowning will be held June 16 and the winner will compete in the state contest to be held in Portland June 23 through 25. State winner will attend the national event in September in Miami, Fla.

Last Tuesday, the candidates attended a luncheon and fashion show at the Colony Restaurant in Medford. Among those attending were Richard Westerberg, manager of Coordinated Milk Sales, and the chaperones, Mrs. Jack Boersma, Grants Pass; Mrs. Russell Johnson, Rogue River; Mrs. Harry Kimball, Applegate, and Holt, Medford.

To Model Suits

Saturday, the Misses Burnette, Lasater and Clark will model swim suits throughout the day at Mann's Department Store in Medford. All of the candidates and chaperones will appear on KMED-TV Focal Point program Wednesday from 9:30 to 10 a.m.

The candidates will attend the Farm Bureau potluck dinner Friday, May 24, at 7:15 p.m. at the Central Point Grange hall and appear in the Boatnik parade Saturday, June 1, in Grants Pass.

Miss Adrienne Ellison, 1962 Oregon Dairy Princess, will also be in the Boatnik parade.

Miss McDonough is a student at Oregon State university, Corvallis. Commenting recently on her year as Jackson County Dairy Princess, Miss McDonough feels the experience and confidence gained the past year are invaluable. She was selected from 24 entries in the county competition.

Miss McDonough is an art education major at the university, but she plans to prepare for a job as an airlines stewardess in Chicago this summer.

While at the university she was one of five finalists in the Oregon State University Forestry Fraulein contest.

Premier of Uganda Raps United States For Alabama Unrest

Addis Ababa, Ethiopia —(UPI)—An African leader charged today that the African summit conference had drawn an "iron Curtain" around discussing racial disturbances in Alabama. He issued a protest to President Kennedy over "inhuman treatment" of Negroes there.

Uganda Premier Milton Obote made the charges in an open letter released to newsmen as the 30 African heads of state and government began their second summit session.

He accused the President of "scratching an old wound with a new pen" by sending greetings to the conference Wednesday hailing African progress toward freedom and unity.

He said the summit conference here has condemned racial discrimination in Africa, but "one feels there is an Iron Curtain which has been drawn over the events that have been taking place in Birmingham, Ala."

"Nothing is more paradoxical than that these events should take place in the United States and at a time when that country is anxious to project its image before the world screen as the archetype of democracy and the champion of freedom," he added.

"The eyes of the world are on Alabama. It is the duty of the free world, and more so of the countries that hold themselves up as leaders of that free world, to see that all of their citizens, regardless of the color of their skin, are free."

Selassie Asks Unity

The conference delegates today took up the challenge by Emperor Haile Selassie to create a united Africa now, or be held guilty of having shirked their duty.

Selassie opened the conference Wednesday with an hour-long call for a unified continent that would give Africa a new, powerful voice in world affairs.

Informed observers said first reactions among the leaders were cautious as to whether they could adopt a charter along the lines he sketched. But it was believed that the conference would at least adopt the principles of the new organization.

Selassie's ideas call for the gradual development of unity and not a tight and binding political entity, as favored by Ghanaian President Kwame Nkrumah.

Illustrated Talk On Japan Presented

The next to last in the 1962-63 series of travel-talks sponsored by the American Red Cross as part of the library program at the Veterans Administration Domiciliary, White City, was given this week by Mrs. G. W. Brog of Medford in the Domiciliary theater.

Mrs. Brog's subject was "Japan," where she had lived from April, 1955, until April, 1956, when her husband was stationed there as an artillery officer with the Army. Her talk was illustrated with color slides, many of which were taken from airplanes and through train windows.

Other pictures were those of Japanese railroad stations, farms and shrines and of the main shopping area of the city of Sendai in the Eastern part of the country to which the Brogs made occasional trips.

Following the talk refreshments were served. Among those assisting in the serving were Mrs. Leatha Jones and Mrs. Lora Stewart. Miss Enid A. Holmes, chief librarian of the Domiciliary who introduced the speaker, announced that there would be one more program in the series to be given in June.
