Change in Boat Law Reported

A state marine board-sponsored bill has been passed by the state legislature which will simplify the registration of boats as well as save the state money in administrative costs.

The boating laws enacted by the legislature four years ago required owners of motorboats to obtain a certificate of number every three years and an annual boat license, which is in lieu of property taxes. The new law, which will become effective next January 1, combines the two requirements into one annual requirement, without any additional cost to the boat owners.

Those boaters who obtained their numbers this year or last year will have their fee adjusted next year so as to receive credit for the time remaining.

In asking for a change in the law the marine board pointed out that approximately \$5,000 would be saved annually in printing costs and postage, and would eliminate some confusion that prevails regarding the two requirements.

The marine board points out, however, that the new law does not become effective until the first of next year and boat owners will have to continue under the existing law, which requires two separate documents, until that time.

OSU-Alum Grid Game Saturday

Oregon State University, Corvallis - Famous names out of the past who helped bring glory to Oregon State football will re-unite again here Saturday at the fifth annual "spring game" between the Beaver varsity and the OSU alums.

Game time is 3:30 p.m. at Parker stadium, immediately following the finals of the state high school track meet at Bell field.

One of the "vintage" performers will be Tom DeSylvia, who earned four varsity letters at OSU in 1946-47-48-49 and later went on to great prep coaching success at Jefferson High school in Portland. DeSylvia also carries the distinction of having coached Heisman Award winner Terry Baker at Jeff, and played against him last year when the alums met the Beaver varsity. This time he'll again be on Baker's side, with the alums.

And there is John Witte, who made every all-America first team in 1956 as Oregon State won the PCC crown and a Rose Bowl berth. Witte was national lineman of the year

in '56 and played one season of pro ball in Canada before entering the teaching profession.

Fans will remember with pleasure Earnel Durden, the great wingback of that 1956 team. He, too, will return "home" Saturday to cast his lot with the alumni against Tommy Prothro's 1963 grid machine.

One of the latest to say he'll play is Neil Plumley, 6-6 and 240 pounds, (ex-Medford High).

Others set to play for the alums are Tim Ankersen, Sam Baker, Jim Brackins, Nub Beamer, Rich Brooks, Ken Brown, Denny Brundage, Ross Carriaga, Clarke Cabbage, Ralph Davis, Mike Dolby, Jerry Doman, Dwayne Fournier, Art Gilmore, George Gnos, Howard and Jack Hogan, John Horrolo, Cub Houck, Jack Hoxie, Fred Jones, Don Kasso, Norby Keolanui, Andy Knudsen, Amos Marsh, Bill Monk, Marne Palmater, Bill Peden, Denny Pieters, Bob Riggert, Hank Rivera, Larry Sanchez, Newt Schneider, Paul Seale, Jim Sinyard, Jim Stinnette, Don Thiel, Aaron Thomas, Roger Johnson and Mike Youngquist.

It's an imposing array of talent all assembled together once again, with Dick Twenge

and Bud Gibbs, two ex-Beaver stars and former members of Prothro's staff, to handle the coaching assignments.

Could be a big day at Parker stadium Saturday.

Portland Bonus Pitcher Has His Finest Evening

By RON SUPINSKI
 United Press International

Portland bonus pitcher Lew Krause apparently has cured the one Pacific Coast league record of which he was least proud—that of king of the gopher ballers.

Batters have belted 11 homers off the 28-year-old righthander thus far this year. But Krause, who was signed by the Kansas City Athletics for \$125,000 two years ago, proved Thursday that he now can zip the baseball just where he wants it around the corners of home plate.

He set down fence-busting San Diego 1-0 on two hits—a third-inning double by Jim Saul and an eighth-inning single by Rog Alvarez. Padre batters had crashed Portland pitching for eight home runs in two previous games.

ERA Dives
 Krause, who leads the PCL in home-runs-allowed, hurled his finest game of the young season. He struck out four and walked two to even his record at 3-3. His earned-run average of 7.05, one of the highest in the league, nose-dived as a result.

The 6-foot-1 Krause also scored the game's only run in the eighth after he singled and moved to third on Jay Hankins' double. A walk loaded the bases and Jim Hughes scored Krause with a perfect squeeze bunt.

Goat To Hero By Bob Reaves

United Press International

Salem shortstop Bob Reaves Thursday night displayed the ease with which a baseball player can go from goat to hero.

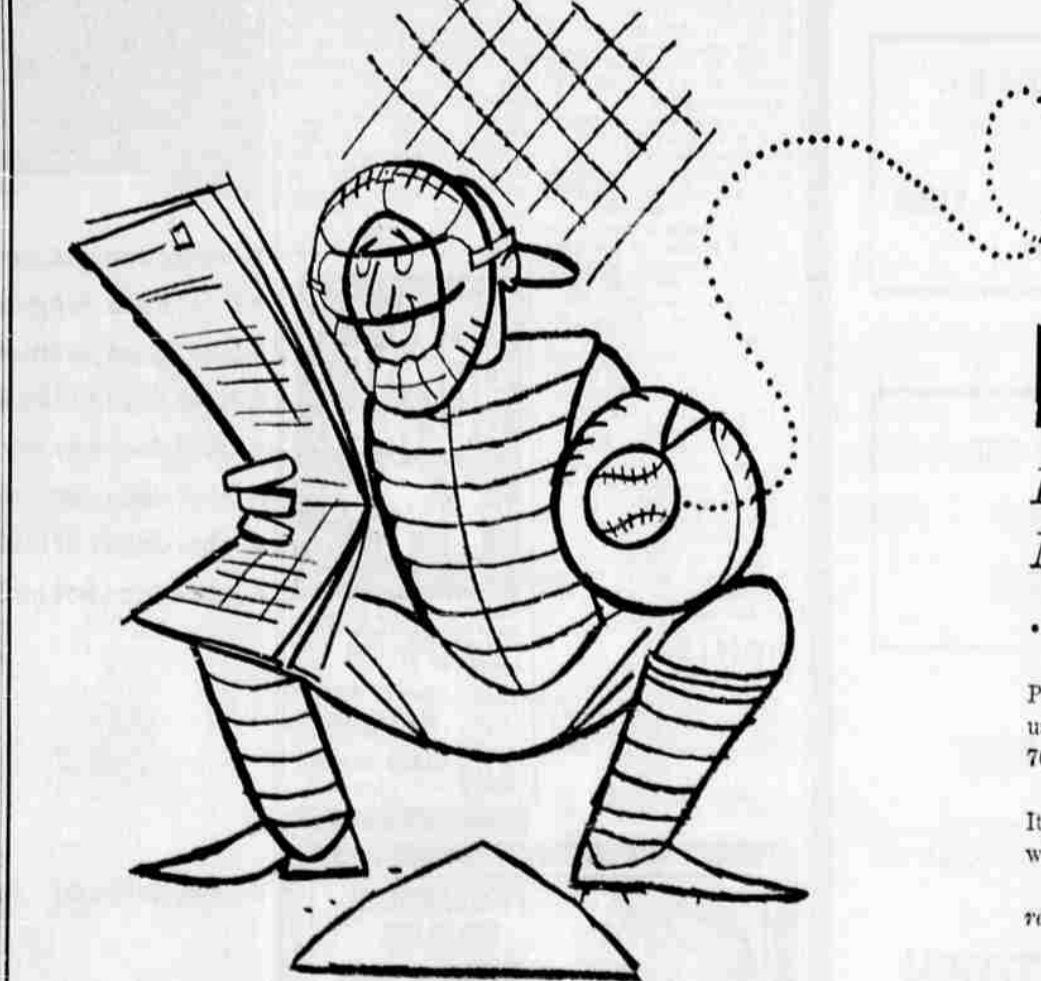

With his team tied 3-3 with Eugene in the bottom of the 10th, Reaves came to bat with the bases loaded and one out.

He tried a suicide squeeze, missed the ball, and Roy Gleason was tagged out trying to score from third.

On the next pitch Reaves singled to left, scoring Bill Kelso to give Salem a 4-3 victory over the hapless Emeralds, who now have lost 22 of 24 games played this season.

If the Emeralds should lose tonight they will set a league record of consecutive losses. They tied the record of 11 straight with Thursday night's loss.

If you want to sell more people you have to reach them when they are receptive. Newspapers reach more of the most receptive people.
