# Minnesota Extends Victory String to Nine Games in AL

United Press International

Pitching and power – those are the ingredients that have helped the Minnesota Twins carve out a nine-game winning streak.

The Twins' pitchers have turned in complete games in six of their last seven outings. During this same period, manager Sam Mele's sluggers haven't been sitting on their hands. They've unloaded 15 homers in their last five games.

Dick Stigman contributed his second straight route-going job to the Twins' streak Wednesday night when he allowed only two hits in a 10-1 breeze over the Washington Senators. The fire-balling southpaw pitched no-hit ball after giving up a triple to Minnie Minoso in the first inning and a double to Ed Brinkman in the second. He struck out nine and walked three in raising his record to 4-5.

**Hits Grand Slam**

Vic Power provided the power with a grand-slam homer in the fifth inning and Earl Battey added a three-run blast in the eighth for good measure.

Another nine-game winning streak was snapped when the Kansas City Athletics halted the Baltimore Orioles 5-4 in 11 innings. In the American league's only other action, the Los Angeles Angels downed the Detroit Tigers 4-2. New York at Boston was rained out.

The Orioles finally bit the dust when Ed Charles singled with the bases loaded in the 11th inning to give relief ace Bill Fischer of the A's his seventh victory against a single defeat. Baltimore scored all of its runs in the sixth inning to barge ahead 4-3, but Norm Siebern knotted it with a solor homer in the bottom of the frame.

Rookie first baseman Charley Dees, who was recalled from Honolulu last Saturday when Bo Belinsky was shipped to the game club, led the Angels to victory with a three-run double in the sixth inning. Albie Pearson accounted for the Angels' other run with a homer off loser Bill Faul.

Dean Chance, making his first start since May 12 when he was relegated to the bullpen, picked up the victory although he was relieved by Julio Navarro in th eighth.

## Updegraff Has Under Par 71 In Practice

St. Andrews, Scotland –(UPI)– The betting is that an American will win the British Amateur golf championship again this year – and don't be too surprised if his name turns out to be Dr. Edgard Updegraff of Tucson, Ariz.

The 41-year-old doctor came up with the best practice round thus far Wednesday over the famed old St. Andrews course, a neat one-under-par 71. He played with 23-year-old Dick Sikes of Springdale, Ark., and they teamed to beat Labron Harris of Stillwater, Okla., and defending British champion Richard Davies of Pebble Beach, Calif., 2 up.

Last week, Updegraff was one of the top players in the United States' come-from-behind victory over Britain in the Walker Cup competition.

Updegraff, playing relaxed and superbly controlled golf in a slight wind and in brilliant sunshine over the famed 6,936-yard course, birdied the par 5, 567-yard fifth and the par 4, 377-yard sixth. His 71 included a five at the 453-yard, par 4 "roadhole" – the 17th – which cost Arnold Palmer the British Open in 1960 when he bogied it five times. Sikes birdied the eighth and ninth holes.

Players were spread out all over St. Andrews Wednesday, getting the feel of the course for next week's British Amateur.

**TOM AARON RECALLED**

Milwaukee–(UPI)– Utility man Tommie Aaron, who started the season with Milwaukee, has been recalled from Denver of the Pacific Coast league. The Braves also announced that they sent outfielder Len Gabrielson to Denver on 24-hour recall.

## Wills' Foot Responds To X-ray

Los Angeles –(UPI)– The Los Angeles Dodgers today looked forward to the return of star infielder Maury Wills, and breathed a collective sigh of relief that X-ray treatment corrected a foot injury that could have required surgery.

Dr. Robert Kerlan said Wednesday X-ray therapy had worked on Wills left foot, where acute calcification under his second toe made it almost impossible for him to walk let alone run. He expected Wills to join the Dodgers Monday at Houston, although Maury probably won't play for another week yet.

Had the therapy not worked, surgery would have been necessary to eliminate the calcium deposit, sidelining Wills at least three weeks.

The National League's most valuable player has had his troubles this year after playing the entire season in 1962. Wills stole 104 bases last year – breaking Ty Cobb's record– but has been limited in his theft attempts this year by injuries.

## Skinner, Lage Head SK Race

Two Medford men placed first and second in the SK class in the first annual Memorial Speedboat regatta held in the narrow water ways of the Oakland open airport channel last Sunday.

Lon Skinner, driving "Crazy Two," won out over a field of six other hydroplanes in a closed-circuit course. Howard Lage, on "Crazy," came in second followed by Larry Sharon, driving "Champ."

The speed event, sponsored by the California Speedboat association, featured seven racing events in which hydroplanes with high powered automobile engines competed.

Thrills were provided during the main event when seven SK class boats raced at speeds in excess of 80 miles and hour around marker buoys placed in the narrow channel.

The only mishap of the day occurred in the first heat of the main event when the hydroplane "Misty," driven by Carl Dethlemsen, flipped from the water, pitching the driver in front of "Crazy." Driver Lage turned out of the way of the thrown driver only to veer sharply again in order to miss the abandoned "Misty."

The next western regatta will be held, June 9, on Hatzig lake in British Columbia. On the same day, there will be boat drag racing in Portland, in which high powered boats will run a measured quarter mile.

## Canadian Clubs Granted Leave

Seattle –(UPI)– Edmonton and Calgary today were out of the Western Hockey league for at least a year.

The leave was granted Thursday by Western Hockey league president Al Leader after a telephone poll of officials of the leagues six other teams.

Al Anderson, general manager of the Edmonton club, said the decision to ask for a leave of absence was made Monday a few hours before the deadline set by Leader for their decision on whether to continue in the loop.

Officials of both clubs said they definitely planned to return to the league in 1964-65.

## Suspension, Fine Levied On Clemente

Pittsburgh –(UPI)– The jostling of umpire Bill Jackowski has cost Pittsburgh Pirate outfielder Roberto Clemente a five-day suspension and a $250 fine.

In a telegram to the fleet outfielder Wednesday, National League President Warren Giles said Clemente's actions "were the most serious reported to our office in several years." The suspension runs through Sunday.

The rhubarb started in the fifth inning of a game Tuesday night with the Philadelphia Phillies here after Clemente was ruled out at first by Jackowski after hitting into a double play.

New York – (UPI) – Former baseball scout Ameen Turk Karam died of a heart attack Wednesday while at work in the offices of a chewing gum manufacturer. Karam, 54, had scouted for the Brooklyn Dodgers, New York Yankees and Chicago Cubs.

# Bailey's Three-Run Homer Earns Triumph for Giants

United Press International

Rival players like to kid Ed Bailey about his hometown of Strawberry Plains, Tenn. (pop. 400), but the San Francisco Giants' catcher is having the last laugh these days.

Bailey unloaded another important home run with two mates aboard Wednesday night to earn the Giants a 5-4 victory over the Cincinnati Reds.

It was the rugged catcher's 11th homer of the season and fifth in his last six games. It also enabled the Giants to increase their National league lead to 1½ games over the Los Angeles Dodgers, who had to settle for a 3-3 standoff against the Braves at Milwaukee when their game was called in the seventh because of a heavy fog.

**Cards Win 3-2**

Bill White's 10th inning homer gave the St. Louis Cardinals a 3-2 victory over the Houston Colts in the only other NL action.

Bailey's latest homer off reliever John Tsitouris gave the Giants a 5-1 lead. The Reds made it close when they picked up a single run in the seventh and Marty Keough hit a two-run homer off Juan Marichal in the eighth. Billy Pierce then took over and preserved Marichal's seventh victory.

The fog rolled in at Milwaukee after the Braves had chased Johnny Podres with a three-run barrage in the sixth to tie the score at 3-all. When the fog remained after a 52-minute wait, the game was called and immediately rescheduled as part of a doubleheader July 21.

White's blow off Houston reliever Don McMahon gave the Cardinals their second straight 10th-inning victory over the Colts. Houston had tied the score at 2-2 on eighth inning doubles by Brock Davis and Al Spangler.

## Footballers Asked To Get Authorization For Mouthpieces

All boys eighth through 11th grades in Jackson county who plan to play football next fall are asked by the Southern Oregon District Dental society to contact their coaches for authorization slips to have mouth guards made.

The mouthpieces became mandatory for gridders last fall.

Dr. Jack Lust, mouth guard chairman for the society, said that the boys should see their coaches on the matter before school is dismissed for the summer.

The dentists, working independently in their own offices,, will fabricate the mouthpieces from material bought by the schools.

HEY DAD!
SPONSOR YOUR BOY IN THE DODGE "KING OF SWAT" COMPETITION
(FOR GRADE SCHOOL BOYS 6 THROUGH 11 YEARS OF AGE)

HERE'S WHERE A BOY GETS A TASTE OF SOME HONEST COMPETITION! Come on, dad. Let's see that keen eye and batting power of your boy in action. He'll show you he's got what it takes in the Dodge "King of Swat" competition. It's fun. It's fair to all. There's nothing for you to buy or try.
Here's how it works. You bring your boy in to our showroom. He takes five practice swings and then ten official swings at a baseball that's attached to an ingenious stand. Every hit sends the baseball round and round while a meter records the distance.
If a boy is in good form, he's going for long distance—because this baseball looks, feels and hits like a regulation baseball. And, as it is with the real thing, it's not how hard the ball is hit that counts—it's how squarely. A cool head and a sharp eye can do wonders toward winning! Boys only compete in their age group: The Senior Circuit (boys age 10 and 11) or the Junior Circuit (boys age 8 and 9) or the Rookie Circuit (boys age 6 and 7). Winners receive "King of Swat" championship trophies and the honor of being "King of Swat for 1963".
Each boy must be accompanied by a parent or guardian. So come on in. The 1963 "King of Swat" could be your boy!
