

New Record Set In Boatnik Race Sunday Afternoon

Grants Pass - Thousands lined the banks of the Rogue river between here and Galice yesterday to witness the annual 50-mile boatnik race - highlighted this year by a spectacular head-on collision between two boats at Dunne riffle.

One of the two boats was demolished in the accident, but both operators managed to escape injury. The other boat involved, piloted by Johnny Walker, Trinidad, Calif., last year's winner, even went on to finish third in the race, despite a hole in his craft caused by the collision.

Dick Freeman of Crescent City, Calif., won the race, setting a new record time of 56 minutes, 40.4 seconds. The old record for the course, which runs from Grants Pass to Galice and back, was 60 minutes 43.4 seconds.

Spectacular Collision - Byron Grant, Hoopa, Calif., was second; Walker, third; Gary Schmidt, Grants Pass, fourth, and Ron Hichens, Grants Pass, fifth.

The spectacular collision at Dunne riffle occurred as Walker was on his return lap and Ron Fox, Grants Pass, was heading toward Galice. Observers said both boats shot straight up into the air when they met head-on.

Two injuries were reported in other parts of the race. Grant Garcia, Grants Pass, was thrown from his boat when it hit a snag at the head of Hellsgate canyon. He was treated for bruises at Josephine General Hospital.

Vern Miguelena, Hoopa, Calif., suffered a sprained finger, but went on to finish seventh. He was later treated at the hospital.
