

# Cheney Studs Trim GP Mock Ford 8-6

Memorial Field, White City - Central Point Cheney Studs overcame a three-run first inning deficit and outlasted a Grants Pass bid at the finish here last night to edge the Mock Ford nine 8 to 6 in an American Legion junior baseball game.

## Chateaugay Acting Up

New York - (UPI) - Chateaugay, the one horse given a fair shot at upsetting Candy Spots in the \$125,000 Belmont Stakes on Saturday, gets another important workout today and this time he'll have some company.

The Kentucky Derby winner, who has proven something of a problem child in recent days, surprised trainer Jim Conway and other observers Wednesday when he refused to finish a scheduled six-furlong workout at Aqueduct, the site of the Belmont.

After covering three furlongs in :36 3/5 under regular jockey Braulio Baeza, Chateaugay slowed down almost to a trot and resisted all attempts to get him moving again.

"Baeza said the horse didn't seem to want to work by himself," Conway said. "He ran all right for three-eighths and then pinned his ears back. Maybe it's the strange track."

Conway said that there was nothing physically wrong with his star 3-year-old and added "We're going to try again Thursday."

## BUICK TOURNEY STARTS

Grand Blanc, Mich. - (UPI) - It was bet your money and take your pick when a field of 149 golfers lined up today for the opening round of the \$52,000 Buick Open championship. The absence of the "big three" of golf - Arnold Palmer, Jack Nicklaus and Gary Player - turned this 72-hole tournament at the 7,280-yard Warwick Hills Country club into a wide-open affair.

# Mantle Out Of Action For Month

Baltimore - (UPI) - Mickey Mantle accepted his latest injury with a shrug of his broad shoulders today while his New York Yankee teammates resigned themselves to playing without their biggest star for at least a month.

The \$100,000-a-year slugger suffered a broken bone in his left foot Wednesday night when his spikes caught in the center field fence at Memorial Stadium while he was attempting to flag down a home run drive by Brooks Robinson of the Baltimore Orioles.

Mantle was carried from the field on a stretcher and removed to Union Memorial hospital, where x-rays disclosed a fracture of the third metatarsal bone of Mickey's left foot.

Although the Yankees are hopeful that Mantle will be able to rejoin them in a month, the recuperative period could be longer inasmuch as the blond-haired center fielder is a slow healer. His foot will remain in a cast for between two and three weeks, then he may need at least two more weeks to regain mobility.

The Yankees had lost three straight games and five of their last eight before pulling out of their spin with a 4-3 victory over the Orioles Wednesday night that enabled them to regain first place. With Mantle again out of action, they could be in serious trouble but manager Ralph Houk doesn't think so.

**COUNTS MARSHAL**  
St. Helens - Mel Counts, Oregon State university's seven-foot basketball star, will be grand marshal of the Columbia Festival of Progress grand parade Saturday afternoon, July 13, in St. Helens.

This fourth annual festival has been dedicated to the youth of the community, and follows a "Salute to Youth" theme. A full week of events has been scheduled for July 9 through 14, including a host of sports activities. On the slate thus far are an invitational swim meet, a state Babe Ruth baseball series, a golf tournament, bowling tournaments and marine shows. An evening track meet is also in the planning stages.

Sikes met Fraser Urquhart of Scotland in the afternoon round; Davies played John Behrrell of England; Updegraff was pitted against Ronnie Shade of Scotland, and Luceti against Martin Christmans of England.

Davies, 32-year-old real estate dealer from Pebble Beach, Calif., eliminated John Wilson of Scotland, 1 up, on the 19th hole of their morning fourth-round match. Sikes beat Dr. Harry MacAnespie of Scotland, 4 and 3; Updegraff edged Geoff Dixon of England, 2 and 1; and Luceti defeated Brian Anderson of Scotland, 3 and 2.

Blocker, 23-year-old Army missile specialist from Jal, N.M., was eliminated from the fourth round by Michael Lunt, British Walker Cupper, 1 up, and O'Donnell lost to Ronnie Shade of Scotland, another Walker Cup star, 2 and 1.

The six American survivors from an original field of 39 started play today in sunny but windy weather on the 6,936-yard, par-72 St. Andrews old course by the Scottish seaside.

Blocker was defeated on the 18th hole after he had battled back from a 3-down deficit to pull even with Lunt.

People really want newspaper advertising and have said so. Surveys usually show well over 80% in favor of newspaper advertising; less than 70% for magazines; and under 40% in favor of advertising on radio and TV.

Your advertising's first job is to win a friendly feeling for your product. It stands to reason you will win more friends by running your advertising where most people want it.

If you want to sell more people you have to reach them when they are receptive. Newspapers reach more of the most receptive people.
