

City Council Defers Action On Request for Change of Zone

Action on a zone change request for property located on the south side of Grandview ave., east of Crater Lake ave., was deferred Thursday night by the Medford city council after opposition developed at the public hearing.

The applicant, J. L. Griffith, 2848 Rosemont st., had sought a zone change from single family to multiple family to permit him to construct a two-story, 22-unit apartment building on the site.

The city planning commission had unanimously recommended approval of the request at its May meeting.

Petition Presented

But at the council meeting Thursday night, a resident of the neighborhood, Jack Pool, 2408 Bishop dr., presented the council with a petition which he said contained signatures of 36 property owners in the vicinity of the proposed development who opposed the zone change.

On the motion of Councilman Robert Baccus, the matter was continued until the next regular meeting to permit the group to study the matter. Two councilmen voted against the motion to defer action.

In other action the council voted to:

- Approve a change of zone from single and two family to multiple family for property located at 1215 West Main st.
- Approve a change of zone from single family to single and two family for property located on the southeast corner of Crater Lake ave. and East Jackson st.
- Approve an administration request to seek funds through the Housing and Home Finance agency to develop a storm drainage plan for areas in northeast, northwest and southeast Medford.

Total estimated cost of the preliminary plan is \$6,370. The loan from the government is interest free and would be repaid at the time any construction was started.

Appropriate \$1,340 to provide for an aerial survey of the city. Contract for the project was awarded to Clair A. Hill and Associates, Redding, Calif.

Building Code Amended

- Amend the building code to permit downtown property owners to improve the backs of their buildings by redecorating and by installing display windows on the alleys.
- Authorize leases with William Hansen and Harvey J. Field for property located at Sixth and Bartlett sts. to permit the city to remove the building and develop off-street parking facilities.
- Defer action on several lease requests for service operations and hangar space at the municipal airport until a standard lease form can be devised.

Set June 20 as the date for public hearings on projects to install a six-inch water main on Crestbrook rd. from Modoc ave. to Barnett rd. and an eight-inch water main on Bessie st., Jackson st. and Lindley ave. from Sailing ave. to Reddy ave.

Contract Awarded

- Award a contract to Concrete Steel gravel project on Whittle ave. from Crater Lake highway to Patrick st. Establishment of a fund for the project also was voted.
- Approve a request by Shell Oil company for installation of driveways at North Riverside ave. and Fourth st., with the stipulation that the driveways be 40 feet wide.
- Accept the 1963 Revised Thru-Street program as compiled by the city administration.

Reports Are Accepted

- Accept reports on a gas engine for the sewage treatment plant, and on a proposed central garage for city vehicles.
- Accept and file petitions from property owners calling for installation of a sanitary sewer in a recently annexed area from Stewart ave. to Chestnut st. and on 10th st.

All councilmen were present at the meeting, which was presided over by Mayor James Dunlevy. The next regularly scheduled council meeting is June 30.

Generating much enthusiasm for the summer TV offerings becomes increasingly difficult. And maybe that's a good thing. The fall programs should be more stimulating after a summer of staying off the stuff.

Tucked away among the endless rebroadcasts today is the one new drama of the week—Art Carney in a political-fiction story, "The Triumph of Gerald Q. West," at 10 p.m. on KMED-TV.

Carney portrays the last comedian on earth in a world ruled by one totalitarian government which outlaws laughter as "a malignant infection of public morals and a revolutionary activity."

Carney, the subject of a nationwide police search, has found sanctuary in a small American community, living by day in the hills and at night giving "underground" performances of his comedy routines in dimly-lit cellars.

The one rebroadcast worth a second look offered Wednesday by CBS is "Julie and Carol at Carnegie Hall," the award-winning romp of Julie Andrews and Carol Burnett. However, KBES-TV has a conflict of times to resolve and won't know until the first of the week whether they will be able to carry the show.

GOLF TOURNAMENT, 1:30 p.m. Sunday KMED-TV. Play at the final four holes of the sixth annual Buick Open Golf Tournament at Warwick Hills Golf and Country club in Grand Blanc, Mich.

ALL AMERICA WANTS TO KNOW, 3 p.m. Sunday KBOY-AM and FM. "A City Says No" highlights the major steps taken by the independent leadership of Indianapolis to develop a massive urban redevelopment plan totally without the use of federal funds.

MEET THE PRESS, 6 p.m. Sunday KMED-TV. U. S. Commissioner of Education Francis Keppel, former dean of the Graduate School of Education at Harvard university, will be interviewed.

GE TRUE, 9:30 p.m. Sunday, KBES-TV. The true account of how a young West German accountant smuggled his fiancée from East Germany to freedom in West Germany by carrying her in a suitcase past strict security checkpoints is dramatized.

RED SKELTON, 8:30 p.m. Tuesday KBES-TV. Singer Rosemary Clooney is Red's guest.

DICK POWELL THEATER.

9:30 p.m. Tuesday KMED-TV. Dick Powell, June Allyson, Edgar Bergen and his wife Francis, Jackie Cooper, Lloyd Nolan, Mickey Rooney and Barbara Stanwyck appear in a drama about a dying millionaire who learns that all of his money has not purchased a single friend.

CHET HUNTLEY REPORTING, 10:30 a.m. Tuesday KMED-TV. Mobilization for youth, a demonstration project to help the underprivileged residents of a New York City slum area cope with the enormous problems of their environment, is studied.

ALFRED HITCHCOCK, 9:30 p.m. Friday KBES-TV. Hugh O'Brian and Gena Rowlands appear as a panic-stricken couple running from the past when an escaped convict threatens their way of life in "Ride the Nightmare."

JACK PAAR, 10 p.m. Friday KMED-TV. Ten of the 11 survivors of President Kennedy's wartime PT-109 crew and two men who aided them will be seen. Singer Robert Goulet also appears.
