NATIONAL FOREST TIMBER FOR SALE
Rabbitears Blowdown

Oral auction bids will be received by the Forest Supervisor, or his authorized representative at the office of the Forest Supervisor, Post Office Building, Medford, Oregon, beginning at 2:00 P.M., P.D.T., June 17, 1963, for all merchantable timber marked or designated for cutting on an area embracing 1,115 acres, more or less, within Sections 25 and 36, T. 29 S., R. 3 E.; Sections 30 and 31, T. 29 S., R. 4 E.; Section 1, T. 30 S., R. 3 E., and Section 6, T. 30 S., R. 4 E., W.M. surveyed, in the Rogue River National Forest, Douglas and Jackson Counties, Oregon. The estimated volumes are: 2,300 M board feet of Douglas-fir; 300 M board feet of western white pine, sugar pine and ponderosa pine; 800 M board feet of white fir and other species. The minimum acceptable bid per M board feet is as follows: Douglas-fir $28.40; western white pine, sugar pine and ponderosa pine $10.80; white fir and other species $8.50. This includes the following rates, per M board feet for stumpage, including deposit for sale area betterment; $19.85 base rate plus an additional $8.75 for Douglas-fir; $3.00 base rate plus an additional $3.80 for western white pine, sugar pine and ponderosa pine; $2.00 base rate plus an additional $4.50 for white fir and other species; and $2.00 for slash disposal for all species. In addition there is within the sale area an unestimated volume of Douglas-fir, logs and peeler blocks, unmerchantable because of defect which the bidder may agree to remove at $0.50 per M board feet, gross scale. The prices bid for stumpage shall be considered as tentative rates subject to quarterly calendar adjustment upward or downward by 0.5 of the difference between the average of the monthly Douglas-fir Region Indices, as calculated by the Forest Service, or the Western Pine Association Lumber Price Index, for the three previous months, and the following base indices: Douglas-fir 103.02(C); western white pine, sugar pine and ponderosa pine 102.53; white fir and other species 91.68(A). Such adjustments in the price for stumpage shall be applicable to timber scaled during the three-months period following the quarter for which the adjustment is computed. In no event, however, shall the payment rates for each quarter be less than the base rates as stated above. When the adjusted rates by species are lower than the base rates, the difference between the total dollar value of the timber cut at adjusted rates and at base rates will be recorded for each species. The stumpage rate for any species will not be increased above the base rate until the subsequent adjusted rates above the base rate for all species develop an accumulated total dollar value in excess of the total recorded accumulated difference for all species. Sealed bids will be publicly opened and posted, at the office of the Forest Supervisor, Medford, Oregon, at 2:00 P.M., P.D.T., on June 17, 1963. All those who submitted a satisfactory sealed bid will be permitted immediately to continue auction bidding. A money order, bank draft, cashier's or certified check in the sum of $20,200.00 must accompany each bid, to be applied to the purchase price, refunded, or retained for application to any claim for damages, according to the conditions of sale. If requested by the purchaser, contract terms will permit felling of timber in advance of payment up to the value of the performance bond. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the oral bid by submitting it in writing on a Forest Service bid form. The right to reject any and all bids is reserved. Forest Service bid forms for use in submitting sealed bids and full information concerning the timber, the conditions of sale and the submission of bids should be obtained from the District Ranger, Union Creek Ranger Station, Prospect, Oregon, or the Forest Supervisor, Medford, Oregon, before bids are submitted.

Folks, Title Insurance, unless an exception, is expressly set out in the policy, insures not only as to the record title but also against such things as forgery of signature, false impersonation, incompetency of former owners by reason of their being minors or mentally ill, and the interest of missing heirs whose names do not appear in the probate of estates. You are about to enter a strange and unusual place. There's the sign post up ahead. Next stop, Phoenix! Why is this a strange and unusual place? For one big reason. Here you will find that good old fashioned hospitality that has seemed to disappear in this age of big business. The friendly smiling faces greet you with the desire to satisfy your needs. Not to simply sell you something, anything, to get your money. Some of these merchants aren't right in Phoenix, but they are close enough to offer you the same pleasant hospitality. Shop where your shopping is a pleasure and not a task. Here you will find twenty two merchants. Believe it or not, there are even more than this. Come out and see for yourself.
