

Newport to Bermuda Regatta To Be Held

The Bermuda Race committee of the Cruising club of America has announced that the 1964 Newport, R.I., to Bermuda race will start Saturday, June 26.

The race will be an invitational event, with a fleet of not more than 135 boats, the record number of starters established in 1960.

Boosters' Club Organized; Study Groups Formed

Jacksonville - "Whatever we need, we create," a director of the newly formed Jacksonville Boosters' club told about 30 people meeting in Jacksonville's city hall Tuesday.

"When Jacksonville needed additional water it created a water supply by contacting the city of Medford and buying from them. When it needed

of improvement in sanitary conditions it created a sewage system which is on the threshold of development. When people decided they needed education they created the schools. Churches were created for religious purposes.

"Through life the things we need, we have created. The principles used for creating

these things are work, thrift, responsibility and initiative. A free democratic society is but a myth unless the incentive that controls the ideals and direction come clear and uninterrupted from the people in their home communities.

"This study group will ferret out local strengths and weaknesses. The Jacksonville

library now has a complete record of the work done by the University of Washington's bureau of community development and the people of Cle Elum, Wash. This town of 3,000 compares quite favorably with Jacksonville," the director said.

A number of people were signed up to work on various study committees such as boundaries, population, community organizations and government. These committee meetings or study sessions

will start soon, it was announced.

Mrs. Lyte Harrell will make progress reports. Mrs. Herman Oliver will be corresponding secretary.

Membership meetings will be held the second Tuesday each month. The next meeting will be 7:30 p.m. July 9, in the Jacksonville library.

New York - Vinton Freedly has been reelected for his twenty-second year as president of the Episcopal Actors' Guild of America.

Hawaii Had First Telephone in 1878

Honolulu - EP - The telephone was introduced to Hawaii early in 1878—two years after its invention.

Charles H. Dickey of Haiku, Maui, ordered a pair of instruments from his brother, a telegrapher on the mainland. The line connected his home and store, a matter of a few hundred yards.

Seminar Planned on Credit Structure

Eugene - Changes in the entire business credit structure will take place when Oregon's uniform code goes into effect Sept. 1.

The Oregon Association of Credit Management has booked a seminar on the new code at the Eugene hotel in Eugene Saturday, June 22, starting at 9 a.m., according to Donald L. Hocking, seminar chairman.

Early registrations include several from Jackson county.

Six attorneys who specialize in practicing or teaching credit law will staff the panels, which will be open to business and credit men of southern Oregon.

Reservations may be made with the association, 937 Southwest 14th ave., Portland 5.

Wash crystal and cut glass in ammonia water. Rinse and dry with a cloth that doesn't contain lint.
