

### Mediators Seek Lumber Meeting

Portland - UPI - Federal mediators continued working today to try to arrange a meeting between unions and management in the wage dispute that has idled an estimated 19,000 lumber workers in Oregon, Washington and California.

Mediators Leroy Smith and George Walker were reported to have come to the Olympia-Tacoma area today.

The strike-lockout involves six big firms and the International Woodworkers of America and the Lumber and Sawmill Workers Union.
