

Italian South Loses Workers To The North
Scheduled in State No Execution Dates
The gift of sportswear to your Dad or Granddad this Father's day can accomplish a two-fold purpose.

Spotlight on Sportswear for Father's Day Gifts
The gift of sportswear to your Dad or Granddad this Father's day can accomplish a two-fold purpose. First, it will provide him with comfortable and colorful garb in which to better enjoy his leisure hours.

Spotlight on Sportswear for Father's Day Gifts (continued)
Other colors that a fellow may have in his sportswear wardrobe. Taken as a touch of colorful trim or decoration, the bananas have a faculty of peeping up otherwise drab garments.

Sport Shirts
All of the favorite models are again popular in sport shirts. Every style from the traditional button-down collar models to the contemporary styles and Italian types has its place in the vast array of ideas available to Father's Day shoppers.

Summertime Styles May Solve Problem
Give your Dad or Granddad a lift with the gift of practical fashion this Father's day. There are few Dads who won't face the oncoming hot weather more comfortably and more presentably when garbed in gifts of clothing and furnishings.

Summertime Styles May Solve Problem (continued)
The most popular of the new lighter shades is a clean, crisp silver gray. However, lighter tones of blue, blue-gray, olive mixtures and both tans and browns are also in the trend.

Make It a Model Gift for Father
If your Dad is a member of the growing legion of model builders, this interest may well cue your gifting. The tyro may start with molded plastic kits to assemble, and work his way up to the creation of exact scale models, starting from raw wood or metals.

German Town To Plan Monument Or WW II Hero
Luechtringen, Germany - 400 - The 2,700 inhabitants of Luechtringen are making plans to erect a monument to an unknown U.S. pilot who they think died in saving their village from destruction in World War II.

Italian South Loses Workers To The North (continued)
Plans for new housing, schools and hospitals were laid accordingly. But the flow of southerners attracted by the Milan industrial boom has suddenly jumped by half as much again.

Ski-Look
The ski-look that skyrocketed last winter due to the tremendous growing interest in that sport, has been interpreted in beachwear and parka-hooded jackets slated for summer sunning.

Spotlight on Sportswear for Father's Day Gifts (continued)
TRANSISTOR RADIO - Practically any point on the globe Dad can bring in crystal-clear on his gift of a transistor radio for shortwave or standard reception. By G. E.

Spotlight on Sportswear for Father's Day Gifts (continued)
The long, lean, trim look of the real working cowboy plus lighter-weight interpretations of his tough denim and chambrays have also been worked into the current style scene in both work-a-day versions and colorfully patterned t-shirt types.

Summertime Styles May Solve Problem (continued)
Improved tailoring techniques and manufacturing methods have also made possible the featherlight washable suits. The judicious use of findings, linings and returns to lighter colors. This long overdue development will brighten many a drab wardrobe and break up the monotonous all-dark look that has pervaded men's clothing for the past five years.

Summertime Styles May Solve Problem (continued)
The newer shirts for summer will be all light. What is indicated, however, is a rational return to a well diversified look - one which varies light colors with medium and dark.

Make It a Model Gift for Father (continued)
Model fans may specialize in ships, motor cars, airplanes or machines. One of the most popular is model railroading. Some acquire their miniature engines and cars already assembled - others buy the components and assemble them.

German Town To Plan Monument Or WW II Hero (continued)
Hubert Fromme, a blind German war veteran, proposed the construction of a memorial at a recent citizens' meeting. He immediately offered to donate the monument and a local youth organization volunteered to prepare the ground.

German Town To Plan Monument Or WW II Hero (continued)
According to witnesses, a formation of Flying Fortress planes passed over Luechtringen one day in March, 1945, heading for the industrial center of Braunschweig, when a crippled bomber suddenly lost altitude and headed straight for the church tower of Luechtringen.

Italian South Loses Workers To The North (continued)
All plans will have to be redrafted, and even so the city faces the prospect of not being able to provide shelter and schooling for many of the new arrivals.

Spotlight on Sportswear for Father's Day Gifts (continued)
The call for new installations is so urgent that there is no longer enough time to build with bricks and mortar. Practically, this means that new schools required for the swelling population. Prefabricated schools are now being rushed into the breach.

Spotlight on Sportswear for Father's Day Gifts (continued)
The problem of hospitals cannot be solved with the same system of prefabrication and this is the biggest headache for the city authorities. Milan will need an estimated 9,000 extra hospital beds by 1965.

Summertime Styles May Solve Problem (continued)
The plane, with its full bomb load would have smashed straight into our church and caused untold devastation," a 76-year-old villager recalled. "But suddenly the bomber veered up, barrels passed over the church steeple and crashed outside the village in a forest!"
