Southern Oregon Dry Kiln nipped Keith Schulz Garage 5 to 4 on Friday night in a Jackson County Softball association fifth and sixth place playoff game.

Games scheduled for this afternoon and Monday will wrap up the regular first half schedule for the association. Play is to open Tuesday in Major and Minor leagues for the second half.

Tru-Mix Concrete will oppose Medford Corporation at 1:30 p.m. today at Butte Falls in makeup of a postponed tussle. Monday's 6:30 p.m. matches Comm. Workers and United Grocers at Hoover school. This is a replay of tie game halted by darkness last week.

United seeks unshared second place in the first half standings. CWA is still in the running for fifth place. If it beats the Grocers, it will be eligible to meet Dry Kiln to determine which will be in the Major loop and which will be in the Minor.

Wheeler Versus CP John Wheeler Logging is to meet Central Point at 8:30 p.m. Tuesday at Hawthorne park in the Major circuit. A Minor league mix between the No. 6 and 9 finishers in the first half is set for Tuesday also but participants depend on the outcomes of games both today and Monday.

League President Harry Chipman said that drawings could be agreed to determine these participants.

Southern Oregon Dry Kiln scored two runs in the first inning on Friday on a single, walk and triple by Dick Kuschel, who hit three for three. The other three tallies were in the third frame on a walk, single, triple by John Augard and an error. Augard had two hits for Dry Kiln.

Schulz scored twice each in the second and sixth inning and Dave Henry had two hits.

Augard tossed five-hit ball with six walks and two strikeouts. Norm Lankford chucked a seven-hitter for the Garage with four bases on balls and three fans.

Any person who had an antelope tag in 1961 or 1962 is not eligible to apply for a tag for the 1963 season. Hunters who are successful in drawing tags this year will not be eligible to apply again until 1969 since the regulations now stipulate that a hunter may have a tag once every five years.

The public drawing for the 1963 tags will be held at 10 a.m. July 30, at the Portland office of the game commission at Southwest 17th and Alder.

Rye, N. Y. — Arnold Palmer, once again the tiger of the tees, slashed his way to a two under par 35-33-65 for a three round total of 205 Saturday and a two shot lead in the \$100,000 Thunderbird golf classic.

Proving how much he had been refreshed by a month away from the grind of the pro tour the Pennsylvania strong man gave it one of his famous la te charges as he blasted out three back-nine birdies in search of the \$25,000 top prize over the rain-soaked acres of Westchester Country club.

Marichal Pitches No-No Against Houston Colts; Giants Regain First

San Francisco — (UPI) — High-kicking Juan Marichal pitched a no-hit, no-run game against the Houston Colts Saturday for a 1-0 victory that lifted the San Francisco Giants back into first place in the National league.

Marichal, who broke into the majors three years ago by pitching a one-hitter against the Philadelphia Phillies, allowed two walks and struck out five in posting his sixth straight win and 10th of the season.

Ironically, Marichal's last defeat came on May 11 when Sandy Koufax of the Dodgers beat the Giants with a no-hitter in Los Angeles.

Left fielder Willie McCovey kept Marichal's string going in the seventh inning when he raced over to his right and reached up high with both hands to snag a line smash by Carl Warwick with Bob Aspromonte on first base.

The right hander from the Dominican Republic faced a total of 29 batters in posting the first no-hitter to be pitched by a Giant since May 8, 1929, when Carl Hubbell turned back the Pittsburgh Pirates for the then New York Giants.

It was a tough defeat for Dick Drott, who didn't give up a run until the eighth inning and held the Giants to three hits in going the distance.

Jim Davenport opened the eighth with a double to left field for the Giants' first hit since the first inning when Willie Mays had beaten out an infield single. Drott retired the next two batters but then Chuck Hiller lined a double

to right field that scored Davenport.

Drott's record now is 2-4 and he has been beaten by the Giants 11 times in his 14 decisions with San Francisco.

The only Colts to reach base safely were Al Spangler, who walked in the fifth, and Aspromonte who drew a pass in the seventh. Spangler was erased when Bob Lillis hit into a fielder's choice that ended the inning. Then McCovey caught Warwick's liner in the seventh, and that inning ended as Rusty Staub flied to Mays in center.

A crowd of 18,869 was on its feet cheering when Marichal came out to open the ninth inning. First he retired pinch-hitter Johnny Temple on a foul fly to first baseman Orlando Cepeda. Then Pete Runnels, twice the American league batting champion, stepped in to pinch hit for Ernie Fazio and went down swinging. Rookie Brock Davis followed Runnels and looked at a called third strike, ending the game.

Dodgers Beat Cubs The Dodgers kept pace with the Giants by beating the Chicago Cubs, 4-1, the New York Mets defeated the Cincinnati Reds for the second straight time, 4-1, and the Milwaukee Braves nipped the Philadelphia Phillies, 5-3.

The Dodgers backed a fine seven hit effort by Don Drysdale with a nine-hit attack against Larry Jackson of the Cubs, who went down to his sixth defeat against seven victories. Drysdale now is 8-7.

Negro Boycott In Track Urged

San Francisco — (UPI) — Comedian Dick Gregory said Saturday that Negro athletes will be urged to boycott the forthcoming American - Russian track meet "unless, by that time, the ban be dropped against racially integrated sports in every state in the union."

Gregory, who said he also spoke for Dr. Martin Luther King Jr. and the Southern Christian Leadership conference, Friday night issued his warning in a telegram to President Kennedy.

"It is inconceivable to me that a Negro can be allowed to participate in an integrated track meet in enemy territory but can not do so in his own country," Gregory wrote.

Gregory, a Negro, has been a leader in civil rights demonstrations throughout the South. In his telegram to the President, he called the racial problem "an American one" which deserves "here and now, the prestige and full moral power of your high office."

Dodgers Seek Clutch Hitter

Los Angeles — (UPI) — General Manager Buzzie Bavasi Saturday was making a last-ditch effort to obtain a clutch pinch-hitter for the Los Angeles Dodgers who demonstrated again Friday night the need for a man who could come up with the timely blow.

While the Dodgers entertained one Chicago club, P. K. Wrigley's Cubs, Bavasi was reported to be contacting General Manager Ed Short of the White Sox and rumor had it that long ball hitting Charles Maxwell was under discussion.

Deadline Near For Returning Of Punch Cards

Portland — Salmon and steelhead anglers are again asked to cooperate in the management of these great game fish by returning to the game commission the salmon-steelhead punch card purchased during the 1962 season.

Phil Schneider, state game director, reported many punch cards already returned by anglers since the beginning of the year, but said that more than one-half of the over 200,000 salmon and steelhead cards issued are still being retained by anglers.

According to the law, these punch cards must be returned to the game commission by July 1 following the expiration date at the end of the calendar year. The time limitation is now less than a month away. Schneider said that failure to comply with this regulation could result in the individual being denied a salmon-steelhead license.

Although the commission has been reluctant to deny anyone the privilege of salmon and steelhead angling for failure to return the punch card, Schneider advised that the importance of these cards toward the future of these great game fish cannot be overemphasized.

To assist anglers, the game commission has provided all license agents with collection boxes for the punch cards. The cards may also be returned to the commission at 1634 Southwest Alder st. in Portland.

Those named to the women's Alpine team included Jean Saubert of Lakeview, Ore.

Antelope Hunt Applications Due by July 22

Portland — First big game hunt of the year will take place Aug. 17 through 21 when 650 tag holders stalk the sagebrush lands of southeastern Oregon in search of the pronghorn antelope.

The Oregon game commission pointed out that applications for antelope tags must be in the Portland office of the commission by 5 p.m., July 22. Application forms are the same as used last year and are now available at license agencies throughout the state. A fee of \$5 per applicant must accompany the application.

In setting the antelope seasons, the commission made some minor changes from the previous year's rulings. For the 1963 season, party applications will be accepted with two hunters eligible to apply on the same form. However, applications containing more than two names will not be accepted.

Seven Areas Also, seven areas are available to hunters this year as compared to six such areas last year. The new area, with 50 tags available, encompasses the Interstate unit and the Klamath unit south of highway 86.

Any person who had an antelope tag in 1961 or 1962 is not eligible to apply for a tag for the 1963 season. Hunters who are successful in drawing tags this year will not be eligible to apply again until 1969 since the regulations now stipulate that a hunter may have a tag once every five years.

The public drawing for the 1963 tags will be held at 10 a.m. July 30, at the Portland office of the game commission at Southwest 17th and Alder.

Moyer Favorite In Baltimore Bout

Baltimore — (UPI) — Ex-titleholder Denny Moyer of Portland, Ore., goes into Monday night's championship 15 round bout at the Civic Center a 6 to 5 favorite to regain his crown from Junior Middleweight champion Ralph Dupas.

Dupas, a 27-year-old New Orleans native, won the crown from Moyer on a split decision on April 27, before a hometown crowd.

Moyer is hoping to reverse the decision this time. The betting is that it will be a decision and there will be no knockout.

Since the World Boxing association has ruled out the return-bout clause in the newly created Junior-Middleweight division, Monday night's winner will probably seek his next fight in a different weight class.

Moyer is considering going to Europe, but he would probably rather get a shot at Emile Griffith, of the Welterweight crown if his manager can arrange it.

Lost Title Bout Dupas, who has lost one title bout to Griffith already, would probably rather challenge Middleweight champ Dick Tiger if he had the choice, since Tiger would be more readily available for an early bout.

Moyer became the first Junior Middleweight champion by defeating Joey Giambra in the final bout of an
