

Society Sees Films Of Early Settlers

Yreka - Approximately 90 members and guests attended the meeting of the Siskiyou County Historical Society June 8 at the museum.

Mr. and Mrs. Fred Meamers showed slides of the old buildings and settlers of Shasta valley. The pictures began with the route the Hudson bay trappers entered the valley. Mr. Meamers gave a commentary covering the history of the time.

Among the pictures were old flour mills, opera house, restaurants and saloons, Young's Candy store, and Haris' Butcher shop. One picture was of the Montague depot with a car load of wagons in 1898.

There were also pictures of the church, still used, which was built in 1902, baseball teams and members of the Montague band in their uniforms with their red band wagon, picnic pictures, old autos and one watermelon steaming party.

Museum Report

The curator reported 700 visitors for the month of May; 70 school children from Dunsmuir made a tour and 60 third grade youngsters from Yreka.

Mrs. Pollock exhibited a pattern of an arrowhead made of obsidian with a long curving point which was very rare, found by a party belonging to a Rock society. They also found pine beads made of seeds, obsidian spear points and other artifacts such as abalone shell spoons and dishes used by the Indians.

A letter was read from a boy attending Wheatland school telling of a project to rebuild the old Wells Fargo building at Timbucktu, near Grass Valley. He asked for a rock or brick from any historical building in Siskiyou county to place in the wall.

Mrs. Pollock said two bricks from the recently dismantled old Fire hall were sent.

Membership Listed

The membership chairman reported 954 paid up members and 72 new members since the last meeting.

Theo Terwilliger, Hayward, was given a honorary life membership in the Siskiyou County Historical Society for his work and time donated to the society and Siskiyou residents visiting the southern part of the state.

The next field trip will be in September and will take the group on a tour of the

Hearst Castle in McCleod. Mrs. Schraeder of Mt. Shasta reported that the Hearst group would meet June 26 in the evening at the Methodist church in Mt. Shasta. The Onaida Silver company will have on display many silver place settings both for formal and informal serving.

Refreshments were served at the close of the meeting by the committee.

Clinic Managers To Meet in Medford

For the first time in history of the organization, the Oregon Clinic Managers' association will meet in Medford. Date of the session is Friday, June 21.

The meetings will be held at the Rogue Valley County club starting at 9 a.m.

Between 25 and 30 delegates, men who manage clinics in all parts of Oregon, plan to attend. Speakers announced for the day's program are H. C. Pownall, Portland attorney; Jim Powell, representing the Multnomah Data Processing company, Portland; and Ralph Lomas, manager of the Portland Orthopedic clinic, who is president of the association.

Wives and other guests will be invited to a noon luncheon at the country club, Tod N. Tibbitt, manager of Doctors Clinic in Medford, said.

The day's program will be concluded with a tour of the Medford Clinic on East Main st.
